The latest development of tourist highways is to be between Winnipeg and Mexico city. It is already travelled most of the way and only about a mile to finish on Canadian territory. This 'Meridian Highway' promises to be one of the finest on the continent and an extension to Buenos Ayres in South America is also planned. Travellers on this highway from the frigid to the torrid zone will of necessity have to provide changes of clothing to be comfortable. The automobile has made the world smaller!

## ALLAN'S CORNERS

On Wednesday evening last, a large number of friends and neighbors assembled at the home of Mr and Mrs Wm. Aberdein to show to them their hospitality before their departure from our midst. The former part of the evening was spent in various kinds of amusements and at midnight Mr and Mrs Aberdein were called forward and the following address ably read by our teacher, Miss Lavina Black:

Dear Mr and Mrs Aberdein:

We, your friends and neighbors, have assembled here this evening to show our sincere appreciation towards you and family on the eve of your departure from our midst. During your period of lifetime in this neighborhood you have endeared your selves to all by your kindness and willingness to lend a helping hand when necessary. We now express our regret that we are called to break the tie of friendship which has existed during the past few years.

Therefore to show our appreciation and the esteem in which you were held, we beg you to accept the accompanying gifts (these chairs) whose intrinsic value conveys no suitable manifestation of the feelings of attachment that actuate us in giving them. We earnestly pray that God will spare you to a long and happy life in your future abode. Signed on behalf of the community:

James Lewis, Thos. McMillan, Robt. Davis.

## DROMORE

"'Tis not in mortal to command success, but we'll do more—deserve it!" might well be the motto of the Dromore Dramatic Society, whose presentation of the three act play, entitled "The path across the hill", (a production of Lillian Mortimer) was the distinguishing feature of last week's social evenings.

Despite heavy snow drifts and bad roads, Russell Hall was well filled with a very appreciative audience, sleigh loads and cutters coming from the four points of the compass. The well known and highly efficient orchestra from the north was in attendance and enlivened the periods between the acts with some very choice selections. Following is the cast: Samuel Crawford (grandpa) — Archie Clark; Robert Post (The visitor) — Gordon Leith; Walter Conrad (Ruth's brother) — Campbell Watson; Dr Jimmy Reid (with ambition) — Alex Renton; Salamander Alexander John Henry Jones (Zuzu's choice) — Wilfrid Renwick; Mrs Davis (grandma) — Mrs Wilfrid Renwick; Ruth Conrad (nicknamed Bobby) — Miss Emma Oliver; Flo Gray (Ruth's cousin) — Mrs Doris Purnell; Lullie (a neighbor) — Mrs Campbell Watson.

Zuzu (the cook) — Miss A. Renwick. The play was full of interest from start to finish. The players, without exception did full justice to their respective parts, each receiving due and unstinted praise. About 437 was taken at the door. A light lunch was served on the stage after the fall of the curtain. Rev. F. G. Purnell undertook the duties of chairman.

The Spring Assizes for Bruce Co. will open in Walkerton on Mar. 27th. Justice Fisher presiding. The only case slated for hearing known of at date is that in which Glen Davidson of Lion's Head is facing a serious charge against a girl.

Yes, there is a difference. To get your name in the city paper, you have to shoot your wife, get gored to death by a siver, marry a movie star, or do something sensational. But to get your name in the Review all you have to do is to have a guest, go a-visiting, have a baby in your house, buy a pure-bred or improve your property.

## "MEMORIES OF MOUNT FOREST"

Above is the title of a historical book of over 200 pages, edited by A. W. Wright, Publisher and Proprietor of the Mount Forest Confederate.

The "Confederate" was founded in the Confederation year of 1867, hence its name and has been under the control of the present proprietor for the last 25 years.

It is much more than a record of Mt. Forest's growth; it takes in the surrounding townships, 3 of which Erement, Proton and Normanby are in County Grey. It is dedicated to the Honor and Memory of the Founders of Mount Forest and the Pioneers of those townships, also their brave sons and daughters who laid down their lives in defence of Liberty in the Great War.

Unity, Integrity and Prosperity of Canada and the Empire. It is published in "Honor of the Diamond Jubilee of the Confederation of the Dominion of Canada and of the founding of the Confederation 1867-1927."

We have merely dipped in the book so far, and find it simply fascinating. The editor has gathered and compiled such an array of facts and figures as to make the book a prized possession for old timers, and to younger readers the stories by pioneers of early days will be found of great interest.

The Chapter "For Canada and the Empire" gives a graphic account of Canada's military activities from the Fenian Raid to the Great War, with lists of all who offered and of those who fell.

Municipal Councils and officials of early days up to the present are all recorded with a full list of Erement ratappers in 1864.

The book is freely illustrated; pictures of the pioneers, war heroes, churches, schools, etc., and we believe it has been as well as a dutiful remembrance. The book is priced at \$2.50 and we cordially thank the editor for a copy of his book.

## A Tidy Sum

Have you a fifty thousand dollar bill in your pocket, Mr Reader? It was disclosed in parliament the other day that no less than 3,425 Dominion government notes of this denomination are locked up in private possession somewhere. It is a nice sum of money, running more than 171 millions. At the same time the Finance Dept. disclosed the fact that there were 5,487,000 thin plasters in circulation last year. 19 million one dollar bills and 7 million two dollar bills. Altogether there was the tidy sum of 22 million dollars in circulation in Dominion Government notes.

Moore on "Kinds of Oil" and wall finishes — advantages & disadvantages. Also there will be an address by Mrs McPherson "Beautiful Hair" — cleaning, care & dressing. All members are urged to be present; visitors welcome.

**Bumper crowd attended Dance**  
The youth and beauty of the town and then some, were all present in Thursday night at the dance stage by the lacrosse boys in the Town Hall to raise funds for equipment this season. Almost \$100 was taken in and the boys will have over \$5 clear. It was the biggest attendance at a local dance for years and all had a fine time. The McDonald orchestra supplied good music.

**Held Social Night**  
About thirty of the young folks of both sexes in town held a social evening in the A. Y. F. rooms of Monday night in honor of Mr G. McLean, who is home from Camp Gordon on a brief holiday and returns Thursday. Games were played in evening and the stormy about 11:30 put the hydro out of business. Thereupon two dozen canoes were secured and an hour's dance enjoyed.

**Ind. Foresters held "At Home"**  
There was a good attendance at the annual "At Home" of the Independent Order of Foresters, held at the lodge rooms on Thursday evening, despite the fact that it had been three postponed. Mr Thos. Alt was chairman and the main number was a splendid address on Forestry and what it means by Dr J. L. Smith. Other numbers were music by the Dunsmoor and Ritchie orchestras, a reading by Mrs McElraith, a solo and a recitation by Mr Herb Murdoch. The program concluded, crokinole and euchre games were indulged in and lunch followed. It was a most pleasant evening and the brethren and ladies enjoyed themselves throughout.

**Death of Charles Vair**  
The death took place recently in Colorado, U. S., of Mr Charles Vair, a one time resident of Durham, while his father, Thos. Vair was acting as C. N. R. agent here. Charles was stationed with the American army at Fort Worth, Texas and had not been well for some time, taking a trip to the mountains in the hope of restoration. His body was brought to Detroit for interment. He leaves to mourn his passing his aged mother, one sister Mrs (Dr.) Arthur Gun, of Weston (Flourville); and three brothers, Lorne, Arthur and Will. A further Paul passed away some years ago. Mrs Gun and her mother, Mrs Weston, went to Detroit to the burial service on receipt of the sudden word.

**Successful Crokinole Social**  
The Young Ladies' Auxiliary of Knox Church, held another of their big progressive crokinole socials—the first this year—on Tuesday night, when about a hundred and twenty-five thronged the schoolroom of the church and twenty-five tables were in play. The president, Mrs R. Catton announced the rules, then for nearly two hours the discs flew merrily. 12 games were played and the two prize-winners—Miss Florence Melton and Mr John Hamilton, each won every game. The Auxiliary has purchased and utilized Tuesday for the first time, twenty small collapsible tables for use at these socials, made by the Durham Furniture Co. The tables are neatly and sturdily built, and dispense with much work and waiting, collecting and returning tables from the various homes. After the boards had been removed, Rev. Mr Smith announced two musical numbers a piano duet by Misses Effie Milligan and Ethel Derby and a vocal quartette by Misses Winnie Blyth and Jessie Bell, Thos. and Geo. Bell, both of which were well enjoyed. Lunch was served at the close and shortly before midnight, the gathering dispersed after singing Au' Languisne and the National Anthem. About \$30 was realized.
