NEW FORD MODEL "A" RECORD had been able to maintain their av RUN BETWEEN DETROIT AND SE. erage speed but after they left it the our new books will be ready in a few ATTLE

Shortly before 6 o'clock p.m. on Feb. 6, 1928, a Ford Model "A" Tudor Sedan piloted by two Ford Dealers arrived in Seattle 76 hours and 55 minutes after it had left Fordson. It's arrival marked the sucdurance and stamina such as few motor cars have been called upon to

A distance of 3.064 miles across It had to climb the snow covered foothills of the Rocky Mts. and then thread the passes thru that range. Despite these and many other handicaps, the two dealers, L. E. Titus of Olympia, Wash, and W O. McKay of Seattle, drove continuous ly except for eight hours and twenty

Their actual running time was 76 hours and 5 min: their average speed was 43.7 miles per hour. Their stop were made for re-fueling or for shov trip, only two hours in each 24 were devoted to sleep. McKay and Titus took turns at the wheel.

clared by automobile clubs and others to be impassable during Februleaving Fordson they drove to Joliet. Fellowstone trail. That highway was used across Nebraska. After reach ing Ogden, Utah, they turned north ward to Idaho, thence over the old Oregon Trail via Pendleton to Portland and up the Pacific Highway to

The car came from the assembly line at Fordson shortly before started on the trip. Final inspection was completed; blankets ond luggage were loaded on board and at 4 p.m. Feb. 3, 1928, it pulled away from the new administration building of the

By 4 o'clock the following afternoon, the pilots had reached and passed Grand Island, Nebraska, having averaged nearly 45 miles an hour for the first 23 hours and having covered 1,023 miles. Ford dealers along the route had prepared sanwiches to serve while the gas and oil were replenished at different stops. A bountiful dinner at Omaha was the only regslation size meal during the 24 hour

A second meal was eaten at Evanstown, Wyo. Up to that point they

somewhat offset by the enthusiasm of on the job at 3 a.m. to speed them

over the Rockies", said Dr. McKay, 'We had considerable snow to buck. The automobile clubs had advised us against trying to make it, but we had a lot of confidence in the little bus along. It looked pretty tough com we finally made the top somehow. The was easy. We just set the

brakes and slid down the west side." Between Pendleton and Portland Ore, the drivers increased their speed On leaving the latter point for Seottle shortly after twelve o'clock Monday noon, they held it as high as 65 miles an hour. Entering Washington State, they were greeted by a small caravan of Model "A" cars, led by Mgr. R. W. Hinea of Seattle Branch At Olympia, the state capital, Governor Roland R. Hartley officially welcomed them and expressed his admiration for their remarkable run. Then-

fifty miles, they were escorted by The arrival of the car in Seattle was the signal for a remarkable de monstration. A detachment of marition. It was then driven to the stage Scotch descent. of the largest theatre in the city and

ce to Seattle, a distance of more than

from the pilots the letter they had carried to her from Fordson. She certified the time of their arrival in the official log book and congratulated them on the successful outcome of

"It is really an achievement" sh bile of any make to beat any fast train time more than half way across

It was announced that the trans-Detroit was beaten by one hour and be given by Miss Stevenson.
