**Packed House saw Uncle Tom**  
It is many moons since an Uncle Tom's cabin show previously visited Durham and last Monday night, the troupe playing here drew a packed house, there being almost 400 paid admissions. While not pretending to depict the story of Uncle Tom in full detail, many of the pathetic and amusing scenes were played and pleased the large crowd. The manager states he credits the jammed house to the low admission price of 25c and Review advertising.

## Tennis Club Formed in Durham

What with active committees in lacrosse, baseball and bowling and tennis added as a new family member of the sporting fraternity, Durham, this summer would appear to be largely given over to pleasure. On Monday evening a meeting was called in the I. O. D. E. room, where some tennis enthusiasts gathered and formed the nucleus of a new organization. Of course it is only in the infant stage as yet but if suggestions and ideas mean anything, Durham should have a couple of good tennis courts by the end of the season—something Durham has always needed. This baby organization is to be known as the "Riverside Tennis Club", from the fact that the executive committee plan to secure a lease of lots from Mr. David Hopkins on the south side of Mill St., near the High School. Departing from the usual custom, there will be no President or head, and the only offices are going to be that of Secretary and Treasurer, which are held by Messrs. Guy Kearney and C. D. Kent respectively. The executive or managing committee comprise the above two with Messrs. A. W. H. Lauder, J. H. McQuarrie and W. McDonald. Entertainment com: Messdames A. W. Lauder, D. C. Town, D. B. Jamieson, Kent, Kearney, Miss A. M. Ramage.

The membership fee has been placed at \$5 for gentlemen; \$3 for the town youth and \$2 for ladies. Once the executive committee are assured of a sufficient number of members, it is the intention to draw up a schedule, whereby the spirit of the contest will be more keen.

**Hall Player has nose Broken**  
While in a spirited game of baseball last Friday night at Hutton Hill, two of the Hutton Hill team were running after the ball. Their desire to catch the ball was so strong that neither of the would-be catchers—Lawrence Hopkins and Mayple Armstrong, saw each other and naturally resulted in a collision with sufficient force to break the nose of former. Dr. Bell set this face appendix in place, and while the fracture is healing, the victim will have plenty of time to ponder over the hard luck some acquire in baseball.

**HOUSE FOR SALE**

## Only One Appeal at Town Court of Revision

The Durham Court of Revision met Monday night in the Clerk's office, all members being present as follows: Reeve Bell, chairman; Mayor Murdoch, Couns. Henderson, P. McLean, Arnold Noble. The only appeal against the assessment of Assessor McIlraith was that of Clark Metals Ltd., who are assessed \$2000 on their now unoccupied factory on Bruce St., \$175 on land and \$1825 on building. Mr. W. E. Clark came up from Listowel to press the appeal and stated they would sell the property to anyone for \$1500 on liberal terms. The Court judged, however, that \$2000 was a very reasonable assessment according to the value of the building, and a motion by Henderson—Murdoch, that the Assessment be sustained, was unanimously carried.

Lot 16 Gar. W. was changed from John Pinkerton, owner, to Agnes Dunn and Mr. Mrs. Wm. Vessie, tenants, were added to roll.

On motion of Murdoch—McLean, the following changes of property were made on roll: Lot 11, E. Albert St. 1/4 acre; lot 10, 1/2 acre from W. A. Johnson to C. D. Kent. Lot 8, Gar. E. 1/2 acre from John Sherk to Elmer Hutton; Lot 8, Gar. W. 1/2 acre from T. W. Thomson to Imperial Oil Co.; building asst of \$100 on same property from J. W. D. Evans to Imperial Oil Co.; Lot 16 Bruce E. 1/4 acre from Robt. Morrison to John McCoskery; Lot 23 Gar. E. 1/2 acre from Mrs. Henderson, (Dormoca) to Mr. H. A. Hunter. A business asst of \$350 for four mos. was fixed upon Arch. McLeellan and one of \$100 for 12 mos. on C. C. Elvidge.

The assessment on buildings and equipment of Imperial Oil Co., lot 8, Gar. W. was raised \$300. All gasoline pumps on streets are now to be assessed and a fixed assessment was placed on the several pumps in town, approximately according to their value. The following assessments for pumps was added to the roll by motion: Smith Bros., \$720 for 3 pumps; G. McLaughlin \$350; A. Noble, \$350; O. S. Hunter \$100; C. Howell \$150; N. McIntyre, \$100; a total of \$1770. Income assessment of P. Gagnon was raised to \$1500 and an effort will be made to ascertain other incomes which may be taxable.

## Durham Lacrosse Boys Won at Walkerton Sports

Durham's Juvenile lacrosse exponents rather surprised the natives of Walkerton at their day of sports on the 24th, when they handed out a 6-1 trimming to the Walkerton—Hanover combines. These two towns are planning to enter only the one team in the O. A. L. A. Juvenile series, but it doesn't worry the Durham lads, who believe they can again capture the district.

Though Durham had easily the better of the game throughout, play was not so one-sided as the score. The locals had the better system, the best goalie in Hank McEachnie and several of the local home men took all kinds of punishment to penetrate the nets. Most of the goals came on individual plays, with Murdoch, Becker and Dean the main sharpshooters.

In the morning the Durham girls met defeat at the hands of Walkerton's smart team, who fielded and hit strongly while Durham showed lack of practice and inability to connect with the offerings of Miss Brooklebank, Walkerton's twirler. A home run by Ellen Hay was Durham's lone counter.

Walkerton beat Neustadt in baseball and Chesley in football, so it was a good day for the home teams.
