NO LIQUOR STORE IN CHATSWORTH?
A recent issue of the Owen Sound Sun Times states that there is some talk of a liquor store or beer warehouse being established at Chatsworth. Several buildings had been examined by men supposed to represent the Control Board with a view to a lease or purchase.
If this be true we venture to think that there will be something doing in the indignation line in the neighboring city of Owen Sound and in Chatsworth itself, where, as is well known, temperance sentiment is strong. This remark applies to the whole County of Grey which gave a majority of over 9000 against the Government Control proposal. Chatsworth voted 147 for the O. T. A. and 51 for Government Control.
We are glad to know that Chatsworth is not resting on its oars but actively taking steps to prevent the establishment of a Government sale depot there. The village council in response to a largely signed petition of the ratepayers, have passed a strong resolution to be forwarded to the Liquor Control Board protesting against the idea.
The Sun-Times concludes its article thus:
"The two candidates who supported Government Control in Grey County in the last election—and they were two of the strongest men available—were both badly defeated. In Chatsworth the vote was 123 to 66 against the Government Control candidate.
There is no public agitation for a sales depot, and any advances made in this direction are said to be pretty well confined to a few people who are interested in getting a job in the proposed depot or selling or leasing property to the Commission.
With the feeling in Chatsworth strongly against the Government Control plant, and the rest of the County just as strongly opposed, the Liquor Control Board can have no possible justification for opening up the sale of liquor in that village."

Circumstances surrounding this initiation are believed to be without precedent in this country at least. Rev. Mr. Brown is minister of Stroud United Church.

Death of Dan J. Boyle

The sad news reached Mr Ben Coultts, Bentinck, last week of the death of his uncle, Dan J. Boyle, in Simpson, Sask., on May 21st, at the age of 73 years, 1 month. The deceased had been bedfast all winter, as the result of an accident several years ago when he was hit on the hip, and a bone or nerve was injured from which he has suffered for years.
He was a former resident of Bentinck, east of Crawford, but twenty years ago left for Saskatchewan, where he took up land near Simpson. Five or six years ago he gave up farming and resided in Toronto with his sister and in Buffalo, but three years ago, he went back to the west to spend his last years.
The deceased was a son of the late Mr and Mrs Wm Boyle and was unmarried. Of the family of seven children, only two now survive, a brother Thomas in Simpson and sister, Miss Catherine Boyle in Toronto. No definite word had been received as to the funeral, or details of his last illness.
Mr Ben Coultts, Vickers, is a nephew of deceased.

DORNOCH
Mr and Mrs Will Cameron of North Dakota, visited with friends and neighbors around his old home near Dornoch, and also with his cousin's, the McIntosh family. Will went to Latona school in his younger days, and since a great change as it is 19 years since last here. Mrs R. J. Corlett is a sister.

The funeral of the late Miss Bridget Gillen was held Saturday morning at St. Paul's Church. She will be missed by her many friends as she always had a smile or joke for everyone. She has been a great sufferer for the past three years and bore it all with few complaints.
Sad was the news that reached us Friday morning, that Mrs Lang had died in Owen Sound Hospital. She was formerly Mary Sheltroough. Two weeks ago she was operated upon for inward tumor which was successful, and intended to come home on Monday. Her heart being weak, she passed away suddenly Friday morning. She was raised just west of Dornoch. The parents and family have the sympathy of the community. What makes it more sad, a sister passed away a little over a year ago in O. Sound hospital, leaving four little children to mourn the loss of a mother.
Mrs J. E. Picard, Mrs H. J. Picard and four children, arrived Tuesday night to spend a week at their summer home here.
Mr Howard Smith is sporting a new car. Wonder who will be the first girl to have a ride.

Press Comment
There is a very great advance being made in the quality of church choir music in Ontario, and some of it at least is the result of the annual choir competitions held in the various cities and towns at the time of the annual Musical Festival.

Grey Co. Club hold Party and Dance
On the evening of May 18th, the Grey Co. Club of Detroit held a very successful party and dance in the ballroom of the Detroit Leland Hotel. The music for the occasion was furnished by the Lorenza orchestra. The soloist for the evening was Mr John Koneczny, accompanied on the piano by Miss Margaret Thompson and their numbers were well received.
The majority of those present were taken up with dancing, but a large number there were who amused themselves by talking of old times and acquaintances. There was a fine attendance, upwards of 150 being present. All had a wonderful time, judging from the laughter and amount of noise created at intervals during the evening. Other parties will be held from time to time of a bigger and better nature as the membership grows. About 20 new members were added at this party.
A meeting for the election of officers for a permanent club is to be held shortly. With the Club functioning properly a wonderful time is assured the members as there are some live wires anxious and ready to start things off with a bang. Much credit is due H. C. Lamb of Markdale and his committee, for the way in which everything went through.
