Provide Courses in Religious Education

Unted Church Board Would Supply Alternative for "Mass Evangelism"

The board of religious education of the United church announces five new graded courses of study, thereby providing assistance for any ministers who refuse to turn aside from religious education as a method of evangelism. At a recently Presbytery meeting some Toronto ministers, unwilling to commend the bringing of Gipsy Smith to this city, declared that the day of mass meetings for evangelistic pur-

poses is past. Several of these courses are now normal activity of the church.

The study courses will also corre late, it is stated, with the plans made for he next two years by the board of evangelism and social service.
