HOLSTEIN LEADER

LOGAL AND PERSONAL

The Diamond Jubilee of the Presbyterian Church will be held on the 8th and 9th of July. Rev Major J. C. Toimie of Southampton will be the special speaker on Sunday. Arrangements are being made for a supper and concert on Monday evening.

Rev. Purnell of Dromore, Moderator, dispensed sacrament in the Presbyterian Church at the morning service.

Mrs W. B. Rife spent a few days the first of the week with relatives in Detroit.

Mr and Mrs Jas Brown and family, Mr and Mrs Scott Eccles and family and Mr Walter Spencer of Mt Forest, were visitors with Mrs J. Brown Sr. on Sunday.

Mr Merton Reid, Seaford, visited his mother, Mrs H. Reid the first of the week.

Pleased to report Eunice Tyndall improving but still confined to her bed.

Miss Lizzie Ross, Detroit, is at present visiting her sister, Miss Mary Ross.

Mrs Jas Eccles returned Tuesday, after a week's stay with her daughters, Mrs D. Gillies and Mrs Frank Adams of Fairbairn.

Maxwell and Miss Margaret Tyndall visited friends in Guelph recently. Miss Davidson of Newton, but formerly principal of public school, renewed acquaintances in the village the past week.

The umpire called a League Softball game between the Durham Bankers and the local team on Friday evening in the 2nd innings on account of the downpour of rain. The game will be replayed on the first opportunity date.

At a joint meeting of the Ag'l Society and village trustees, it was decided to build a fence between Wm. Tyndall's and the show grounds.

Mr Fred Matthews, Toronto, is at present visiting with his cousin, Mr. Geo. Brown.

There will be a public speaking contest followed by a moving picture show, put on by T. S. Cooper, South Grey's Ag'l representative of Markdale in the Ag'l Hall, Friday, June 15th.

Holstein won the return exhibition Football game with Ayton on Thursday last by the score 3-0. The Ayton team played a much better game than they did in Ayton, tho' they were compelled to play the game without their regular goalie which accounts for the score. On the night's play they had an edge on the play, but were again unable to beat Pinder. The first goal was scored in the opening minutes of play on a pass from Eccles to Red Pinder who made no mistake. This goal was scored before the Ayton team were at full strength, several Holstein juniors playing in the line.

Haas and Red Pinder scored in the second period from close in. I Schenk dropped a long shot that grazed the top of the bar, the shot being the

closest the Ayton team came to in scoring. There are several promising Juniors on the Ayton team who will improve greatly with each game and will make it interesting for opposing teams before the season closes. At the rate Red Pinder is travelling he appears to be in for a big season. His wicked drive from left wing is dead on each time he shoots.

Line up, Ayton: Lamsden, Yandt, Thofas, Doersam, Schenk, Yandt, Isanbach, Schenk, Selin, Schenk, Hawkins. Referee, John Carmount.

Holstein play their opening league game at Sw. Park Friday evening. Next week the first home game will be played Thursday evening, the Ayton team being the opponents. Following the game Damascus Dramatic Club will present their play "Cyclone Sally" in the Ag'l Hall, under auspices of the Football club.

Ayton beat the champion Owen Sound team 1-0, in the first league game at Ayton Wednesday. These same Ayton lads are coming to Holstein next Thursday night in the opening game here, and propose to pull off another win. The question is, "Is Holstein going to let them do it?"

YEOVIL

Mrs John Watson and baby Margaret, Woodside, have been visiting her parents, Mr and Mrs Jas Wilson. Miss Bessie Alles, accompanied by her brother David, and Jarvis Scott, Toronto, enjoyed a recent week end in her parental home.

Mr and Mrs Geo. Long and family, were recent visitors at S. McKenzie's, Dromore.

Mr and Mrs Fred McCaw and little daughters of Arthur; Mr and Mrs F. Watson, Toronto and Mr and Mrs J. McLean, Bentinck, were recent guests in the parental home.

Clifford Rogers went to Toronto with Mr and Mrs Watson on Sunday, returning Monday evening.

Mr and Mrs T. Urquhart, Toronto, were week end guests of her sister, Mrs F. Reid.

Mr and Mrs W. J. McEachern and Mr Gould, Toronto; Mrs Will Becker, Newstead; Mr and Mrs H. Wagner, Auburn, were week end guests of Mr and Mrs V. Alles.

Mr T. Hattle and Miss Robinson, Cookstown, visited his sister, Mrs J. Nicholson the first of the week.

Misses Bena and Catherine Haas, of Mt Forest, spent a few days last week in their uncle's home here.

The chief feature of the program at the UFYO last Thursday evening was the speaking contest. Miss Hunt chose the "Radio" while Miss Rolufs based her remarks on "Nature". Both did splendidly and the Judge, Rev. Mr Purnell found his task difficult but gave his decision in favor of Miss Hunt by the narrow margin of one point. Mr Purnell expressed surprise at the large number of young people present. They decided to close for the summer months but intend having two teams for softball games.

A few from here attended the Ladies' Aid meeting Thursday last in Mr Thorne's home, Holstein. A number of the Varney ladies were present and we had an enjoyable afternoon.

NORTH EGREMONT

Wedding bells are ringing sweet and clearly in this vicinity.

While most farmers would like the weather to warm up we heard one say recently that this cold weather and frost at night is going to help us out alright as the hay crop will be a light one and easy to take off.

A Mr Sam Patterson has purchased a new Durant Sedan from Agent A. McCabe.

Mrs Jos. Moore gave a party to a few of the neighbors on Monday night and all had a pleasant time, getting home in good time at 1 a.m. Mr Wm Thompson had only one hour's sleep, as he has to start cutting beef for the beef ring at 2 o'clock. We'll bet he did not sing that song of his 'Tis the sun begins to shine' this week.

Mrs John McKenzie, Sr. has been quite poorly this past week.

Mr and Mrs Geo. Woodward, Mrs. Axton and Mr and Mrs Stacy, Toronto, motored up and spent the week end at Mr Austin Hann's.

Mr Editor, we should like you to correct a large mistake in our last week's budget. It should read that a little boy arrived at the home of Mr and Mrs Carl Harrison's, not at Mr Thos. Harrison's.

The trustees of S. S. No. 13 have engaged Miss E. Oliver for another year.

Bessie Moore and Muriel Watson, spent the week end with their teacher, E. Oliver in Artemesia.

Mr and Mrs Oliver Copeland and Master Leonard, Toronto, are spending a couple of week's holidays at Mr Cecil Eccles. Last Sunday, Mr. Copeland took the service at Hopeville church, a number from this vicinity attending. Mr Copeland did well for a beginner. He reminds us of the preacher of years ago, he shuts the Bible up after reading his text and preaches. He does not read it off. Has the sermon in his head, not on paper.

DROMORE

Arrived too late for last week)

Our Township Fathers passed through our burg last Friday inspecting bridges, roads and ditches and found most of the bridges sadly out of repair, requiring new ones.

Mr Alex Renwick has treated himself to a new Ford coupe. You will have to watch 'Lizzie' Alex as she knows where all the sick folks live.

Rev. Mr Purnell will be absent from Amos and Knox next Sunday, June 3rd, attending Holstein and Fairbairn Churches. The Sacrament of the Lord's Supper will be dispensed.

Nurse Mrs Willie Milne is spending her vacation with her husband's people, the Milne's.

Mr Wm Philip has purchased a new Durant Sedan from Agent McCabe on the 24th.

The Ladies' Aid purpose holding a lawn social some time in June.

Mr and Mrs Chas. Watson and family visited over the week end at Mr Dan Eccles, Conn.

A large number of the ladies of this vicinity gathered in Russell Hall on May 21st, to listen to an excellent address by Mrs Hayes of Georgetown on "The Parent, the Child and the Home". As this was the annual meeting of the Women's Institute, the following officers were elected: President, Mrs Wm Philip; 1st vice President, Mrs Jas Wilson; 2nd vice President, Miss Agnes Renwick; Secretary Treas., Mrs Alex Milne; Auditors, Mrs Robt. Taylor and Miss Bessie Drimmie. The W. I. will be held on the 1st Wednesday of every month. The next meeting will be held at the home of Mrs Jas. Wilson.

SOUTH BEND

The King's birthday was chiefly celebrated by the school children, it being another holiday for them. There were many cars on the road, we presume on pleasure bent. All loyal citizens join in singing 'God Save the King'.

Mrs J. H. Conway and sons, Arthur, spent Sunday with relatives here.

Miss Mae Surig was operated upon for appendicitis in Mt Forest hospital last week. It was a serious complicated case. She is still weak and nervous but out of danger as far as can be expected. We hope she continues to improve and soon be able to return home.

We are glad to hear that Miss Eunice Tyndall, Holstein, formerly of the Bend, who has been seriously ill, is improving nicely. We hope she will soon be well again.

There are a number around here under the weather with rheumatism, bad colds, etc. We are patiently waiting for the sunny weather to clear up all the aches and pains.

Thos who had the privilege of Sunday to hear Mrs Burgess of Letter Breen, were much pleased with the fine address she gave. She conducted the whole service. Mr Burgess being away to Conference. She is a very clever woman and sorry we will not hear more of her, as in all probability they will be moving this year.

CLCYONE SALLY" TAKES DAMASCUS BY STORM

The Arthur Enterprise says: "Sel-dom, if ever, in the history of the Holy City, has an audience such as listened to the play given last Thursday evening, been so delighted and gratified. A huge audience, which packed every seat in the church, filled the aisles and overflowed into the gallery. There was not a dull moment during the two hours that the nine characters, who contributed to the evening's success, played their respective parts in such a striking fashion. For ten weeks these young people have been practising early and late, and their efforts were rewarded when the large gathering unanimously pronounced their play one of the best ever held in the district." Hear this play in the Agricultural Hall, Holstein Thursday evening, June 14th, under auspices of the Football Club.
