Another Way to Say the Finest of Low Priced Sixes

JUST as the "sterling" imprint on silver identifies the best, so the mark of Fisher on its bodies distinguishes a car from others in its field.

For no other six of such low price offers the score of advantages which make the Pontiac Six the value leader of its entire class.

Not only in style and color—not only in roominess and luxury of interiors—but also in sturdiness and quality of construction, Pontiac-Fisher bodies establish a standard never before attained in a six at Pontiac price.

HOLSTEIN LEADER

Why it had such influence It is because it was written about the greatest person the world ever knew or could know.

Mr John Marsh then sang a solo, and responded to the encore in his cheery, happy way.

The pastor of United Church, Rev. Jay, was then called upon for an address and took for his topic 'Say so', founding his remarks upon the verse 'Let the redeemed of the Lord say so', bringing out the thought that if someone has been kind to you, say so: if you can uphold a worthy cause, say so: if to help another's need, you can do a kindly deed, say so.

The proceeds amounted to \$240.

HOLSTEIN WIN AND LOSE

AYTON 1, HOLSTEIN 0

Ayton defeated Holstein on their own grounds last week by the score of 1-0 before a fair sized crowd. Ayton scored in the 1st half when Selm scored a pretty goal on a long shot. It was the only score of the game. The two goals had narrow escapes.

Wenden of Ayton missed some wonderful chances in the first period by kicking too high when in close. After being outplayed and outscored in the first period, Holstein took the upper hand in 2nd period, but the closest they came to scoring was when Pinder hit the goal post. For the best part of last period, the ball was in Ayton territory but the erratic shooting of the Holstein forwards spelt their downfall and also many chances of getting into the play offs.

HOLSTEIN 3, OWEN SOUND 1 O. Sound invaded Holstein Monday night with 9 men and hoped to pull a win but were badly disappointed when they suffered the worse defeat of the year. The game meant nothing as far as standing was concerned, yet it was bitterly fought and some heavy checks were exchanged.

O. Sound was first to score when Rasmussen punted one in the corner of goal from well out and it appeared as though they were going to defeat Holstein, minus two players. But Holstein came back strong, J McKenzie scoring a neat goal on a rebound from a corner kick.

Encouraged by the goal, Holstein took the upper hand and scored a gain before half time when Red Pinder scored on a pass from S. McKenzie. In 2nd period the play was more even, but Holstein again scored in the opening minutes. Calder shot from well out the goal keeper saved but Eccles scored on rebound.

O. Sound playing a three man forward line were always dangerous but good work by Pinder in goal and Clements and Blyth on defense spoiled many chances to score. By Sw. Park's win in Ayton Tuesday by the score of 1-0, Holstein finished the season in third place.

Referee, G. McLeod, Sw. Park. Now that Holstein are out of the Sr. Intermediate Series, we turn our attention to our Junior team who are grouped with Walkerton in a double schedule.

RYLTH'S CORNERS 'Tis rather hot for comfort—nearly 90 in the shade.

Messrs Alf Bauer and Jas Horsburg are giving your scribe a lift out of reshingling the barn.

Some of our farmers have begun cutting alfalfa. There are some fine fields of hay in this locality.

Mr Fred Schrieber is taking up Miss Annie Marshall's house these days and will soon be roofing it.

Miss Florence Melville left last week for Toronto to take a 6 weeks' course in kindergarten training, but just got nicely started when she had a misfortune to dislocate the articulation of her knee cap. This incoming week she goes to the Wellesley hospital where a critical operation will be performed by a specialist before a permanent cure can be effected.

Our Yankee cousins were not the only people celebrating a big celebration on July 4th as on that day the Varney U.F.O. annual picnic was held in Wm. Carson's grove when a large crowd of the youth and beauty, and very many who were not so young or beautiful as in days of yore were present. About the middle of the afternoon, Dr. G. M. Leeson who is chairman, called the gathering to order and called on Miss Hunter of Egremont for a recitation, which was well rendered, as was a duet by two other young ladies. Mrs Robt. Pettigrew was called on and sang in a neat and appropriate manner, expressed her pleasure in being present and recalled pleasant recollections of happy times in their midst, being only eight years of age, when she attended her first picnic in this same bush 52 years ago.

Mr Farquhar Oliver, M.P.P., was the chief speaker and is a very able and masterful half hour address he showed the unfair deal the Ferguson government was giving rural districts in the matter of hydro facilities. In the past sitting of the House he had advocated strongly that the Government contribute 75 or 80 per cent of the cost, instead of 50, as at present. At the present time only about 5 per cent of the farmers have hydro power installed and the cost makes it almost prohibitive and no prospect of aid for installment. The honorable and clever young farmer member was given a very intent hearing and at the close of his forceful address was tendered hearty applause.

The fact being popular game of quoits was quite freely indulged in and that some expert playing was performed may be judged from the fact that two good used-to-be players at the game—Thos McNiece and Jimmy Blyth, never got away from the first pegs, although making a heroic effort to do their very best.

An interesting game of softball was played between a team from Mt Forest and Knox, resulting in a victory for the latter. A plucky tug-of-war between 9 married and 9 single men wound up the sports. With their teeth set and grim determination to maintain their dignity, the married fellows had the other chaps almost persuaded to come across, but Bert Barber, seeing the desperate situation of the young men, joined their ranks and stole the victory. However, we fancy Bert will be assisting the married men by another annual picnic.

Writing from memory we overlooked another important speaker, Rev. Mr Purnell who was present, and interesting along with a humorous line, showed ability in being able to think out a few appropriate remarks on short notice and to tell them in a pleasant and amusing way.

Miss Macphail was unable to be present on account of illness which was the only ray of disappointment in a real spirit of community sociability and good will.

YEovil

Congratulations to Bert Mather who passed his Entrance examination with honors after spending only one year in the Fourth book. Also to all the successful ones. We have not heard all the results. To any who have failed, we would say "don't be discouraged, if at first you don't succeed, try again."

The crowd at the U. F. O. picnic last Tuesday was not as large as formerly: in all probability due to the morning's thunder storm and the threatening appearance after dinner, though the afternoon kept fine. However over \$100 was taken at the gate.

The absence of Miss MacPhail owing to illness, was regrettable, but those who were present listened to the address by F. R. Oliver M.P.P. with interest, and to Prof. Kyle's Scotch songs, which were heartily applauded; also to Arch Clark's ironical recitation re farmers having nothing to do. Step dancing and music by Swinton Park pipe band completed the programme, with W. H. Hunter as chairman. After a bountiful lunch, many resorted to the adjoining field and watched the games. The first, softball between Holstein and Yeovil girls, was won by the latter. The softball between Holstein and Yeovil boys, also football between Holstein and Mount Forest, were won by Holstein. The remainder of the evening was spent in dancing.

The annual Philp picnic was held last Saturday at Ed. McRobb's near Mt. Forest. About sixty were present coming from Nestleton, Burketon, Toronto, Arthur, Mt. Forest and Yeovil, and a very enjoyable time was spent together.
