Don't miss Hopeville Missionary Convention—three days, July 19, 20, and 22, Thursday, Friday and Sunday. 3 p.m. and 8 p.m. daily.

"Fine rains in Manitoba and no storm damage so far," writes Mrs. John Angus of Angusville, Man. in renewing her subscription to the Review. We are interested to know they get daily weather reports by radio. Crops are looking fine.

Garden Party, Aug. 2nd

Trinity Church Garden Party will be held on Thursday evening, Aug. 2nd, on the grounds of Mrs. David Jackson. Mr. Harvey McGee, comedian will be present and there will be an Old Time Fiddlers' Contest.

Rev. Mr. Bartlett, Kilsyth preached most acceptably in Knox Church on Sunday last, while Rev. W. H. Smith was addressing his congregation on Maintenance and Extension work of the United Church. On Sunday, July 29th, Rev. Mr. Smith speaks at Thornbury United Church on the same work, when Rev. R. E. Morton of that church will speak at Knox.

Splendid Entrance Results

Miss Pearl Mortley, teacher at S. S. No. 1, Holland, and daughter of Mr. and Mrs. Chas. Mortley, Durham, is to be congratulated on the success she has attained through her Entrance class this year. Of the 5 pupils writing, all were successful, three of these securing honor standing and one securing Dr. Middlebro's medal for the rural pupil standing highest in North Grey. Miss Mortley will teach in Toronto on school reopening.

Knox W. M. S.

The July meeting of the W. M. S. of Knox United Church, was held in the schoolroom on the 12th inst. Mrs. Mather in the chair. The meeting was opened by singing and prayer by Mrs. McGirr. The business included the Treas. Report for the second quarter, a letter from Miss Elsie Jamieson regarding new forms for reporting and a letter from Mrs. Long Supply Sec'y, regarding supplies to be sent. After singing another hymn, several members led in prayer. Mrs. W. H. Smith gave a few points on Community work as outlined at the Conference held lately in Flesherston. Mrs. MacFarlane then gave the topic 'Community Work' in connection with W. M. S. and gave an interesting account of the work amongst all nations, the keynote being Friendliness. Mrs. MacFarlane told also of the Church of All Nations in Toronto, the services being held there in five different languages. Mrs. J. J. Smith gave the Bible Reading on 'How Women in New Testament days Helped.' Mrs. W. J. Ritchie read the story 'Jesus in the midst of Common Life,' telling of His interest in common people and their work and of His love for common things. The Roll Call was answered with a verse on Rest and the meeting closed with the Lord's Prayer in unison.

MRS. J. S. McILRAITH LOSES SISTER BY DEATH

There passed away in St. John's Hospital, Toronto, early Wednesday morning last, Miss Elizabeth Roger Hamilton, sister of Mrs. J. S. McIlraith of town at the age of 56 years. Deceased had been for some time a sufferer from cancer and despite the modern improvements in medical science and tender care and nursing, the illness has proved fatal. Mrs. McIlraith and son John were at her bedside and on Thursday had the remains taken to her former home at Cremarty, Huron Co., where the funeral was held Friday. Mr. J. S. McIlraith and sons, Stewart and Norman, attended from here.

The late Miss Hamilton leaves to mourn her demise her stepmother and three sisters and four brothers.

The sympathy of town friends goes to Mrs. McIlraith in her loss.

NORMAL SCHOOL RESULTS

The Provincial Normal School results were made public Tuesday and another draft of teachers for Ontario's schools have made the grade successfully. Those from Durham and district successful were:

Catharine D. MacLean, North Bay Normal
Frederick O. Moon, North Bay Normal

Clifford E. Hineks, Toronto Normal
Mary C. MacLean, Toronto Normal
Morrow Riddell, in extra mural exams. at Stratford Normal.
Congratulations to all.

E. A. Hay is Transferred to Brampton

Durham citizens generally will be sorry to learn that they have to part with Mr. and Mrs. E. A. Hay and family. Mr. Hay has been transferred as C. P. R. Station Agent from Durham to Brampton and the move is to be considered in every way as a promotion and advancement.

While in this town (where Mr. Hay has been for the past 20 years) the travelling public have found in him an obliging official, who never spared himself to advance the interests of the Company he represents.

Apart from his work in this line, Mr. Hay has been public spirited to a degree and it is somewhat difficult to say what organization will miss him most. For ten years he has been the efficient Secretary of the local Masonic Lodge, a member of the Hospital Board, on the Public School Trustee Board and one of the Official Board of Queen St. United Church. Mrs. Hay also by her musical and other talents, gave willingly, and will be equally missed in town and church circles. In fact the only good thing about the transfer is that it is to their welfare.

Shortly before coming to Durham, Mr. and Mrs. Hay were married and that they may make as many warm friends in the new locality they serve as they have in Durham, is the wish of all citizens.

They leave for Brampton towards the close of July. Previous to coming to Durham, Mr. Hay held positions at Hanover and Gorrie.

Glenelg will Build Bridges

Mr. Thos. J. Brodie, Reeve of Glenelg, was in town Monday last, and saw placed in the hands of the contractor the plans and specifications of the new steel bridge to be erected at Lot 42 con 3, N.D.R., Glenelg.

The contractor for the concrete work is Mr. D. L. Weber of Kimberly, and is taking time by the forelock as he was to begin operations on Tuesday last and promises to have it completed by Sept. 1st and the floor laid by Oct. 15th.

The steel is supplied by the Ontario Bridge Co. and is to cost \$1445.00, while the abutments, also steel, \$1296.00, the length of the bridge being 75 feet.

The township supplies the cement so there will be no temptation to making an inferior mixture. Mr. Brodie assures us there will be no more bridges undertaken this year, but realizes that the near future must see more of this work go on.

Mr. Brodie has abounding energy and we think will see that his township gets good value.

A new County bridge is also going on the line between Glenelg and Artemesia, just east of the Township bridge with the same contractors.

At last get a Grouping

"All dressed up and no place to go" was the plight of Durham Juvenile Lacrosse team, but they are finally getting a grouping with Fergus and Orangeville in the near future. Such was the word R. L. Saunders received last week end, and while it means long trips for away from home games lacrosse is so decadent in this part of the province, that no more compact grouping was possible.

It was expected early this season that Hanover and Walkerton would be grouped with Durham, but that exhibition in Walkerton May 24th, when Durham vanquished the Walkerton—Hanover combines, 6-1, seems to have put the quietus on any other lacrosse aspirations either town cherished.

Last year's Midget champions may possibly draw one or two lads from Hanover and Walkerton to oppose the southern towns and both Fergus and Orangeville being the oldest of lacrosse centres, may be counted to furnish stout opposition. The Durhams will return to practice this week and expect to be in action before July is out.

AUCTION SALE POSTPONED

The Auction Sale of the Furniture and Household Effects of the late Mr. Cozens, which was postponed last Saturday owing to rain, will be held next Saturday, July 21st, at Mr. Hugh McCrae's, Bruce St., at 3.00 p. m.

Klases, says the eminent European physician and investigator, spread porrhoea as well as matrimony.

Over 30 Lodges Paraded in O. Sound

Thirty one lodges and thousands of visitors thronged Owen Sound streets last Thursday to celebrate once more the glorious 12th. The weather was ideal for the occasion and the parade was one of the finest ever held in this part of the province. Five and drum bands, pipe and brass bands, kept the air surcharged with music morning and afternoon and everyone seemed to enjoy the day's outing.

Lodges parading from this district were Durham No. 632; Holstein No. 2296; Glenelg No. 1192; Allan Park No. 668; Mt. Forest True Blues No. 633; Varney No. 689. When the parade was concluded at Queen's Park, County Master, Alex Stewart called the gathering to order and extended a royal welcome to all the visiting lodges. Mayor Christie, O. Sound, welcomed the lodges on behalf of the city. J. B. Moon, Mt. Forest, Dep. Grand Treasurer of Ontario West, spoke on the work of the Loyal True Blues and Rev. W. H. Bartlett, Kilsyth; Rev. A. Brant Thomas, Owen Sound, and Mr. R. Ferguson of Thornbury, also spoke.

The special prizes were awarded as follows:

Best dressed Orange lodge on parade—Ravenna, No. 1396.

Best dressed ladies' Orange lodge on parade—Meaford.

Best dressed Loyal True Blue lodge on parade—Mount Forest.

Best file and drum band on parade—Durham.

The oldest Orangeman was Wm. J. Lackey, Owen Sound, who has been 72 years an Orangeman, and who is over 90 years of age; second prize went to D. Telford, Holland Centre.

Lodge coming the longest distance—Mount Forest.

Best banner in the parade—Holstein Lodge with the largest number on parade—Kilsyth.

At the sports in Victoria Park, the Canadian Legion team of O. Sound, beat Mount Forest 7-6 in baseball, and the Lady Greys overhauled Shallow Lake girls. Then the Lady Greys played Durham girls at St. George's Park and again showed their class in an easy win. The Greys are the best girls team outside of Toronto and Durham fans will see them in action here in the return game in August.

Trinity Church to Benefit

Through the magnanimity of the late Wm. S. Scarf, who passed away in Toronto last May, Trinity Church, Durham and Durham Red Cross Hospital will benefit. He bequeaths to his widow a life interest in his \$25,624 estate, or such sums as may be necessary for her maintenance from the corpus of the estate.

On her death a trust fund of \$12,000 is to be set aside, the yearly income therefrom to be paid to Trinity Anglican Church, Durham. The will directs however, that the church must remain an Anglican Church and a sermon must be preached there at least once a month as long as it entitles the annuity. The Scarf plot in Durham cemetery must also be kept in proper order by the trustees of the said church.

The residue of the estate will be shared equally by Durham Hospital, Toronto Hospital for Sick Children and Queen Mary Hospital for Consumptives, Weston.

Anniversary Services of Knox, Normanby Presbyterian Church, will be held Sunday and Monday, July 22 and 23. Rev. Jas. Corry of Priceville, will be the special speaker on Sunday, services being held at 11 a. m. and 7.30 p. m. On Monday the annual garden party will be held on the school grounds. Admission 25c and 15c.

Gives Class a Real Holiday Outing

Principal J. A. Graham took a unique way of celebrating the success of his Entrance class, all his 25 pupils having passed the recent exams. On Monday he took the entire class to Owen Sound. They spent an enjoyable afternoon and evening at Harrison's Park where they had a real outdoor picnic and lots of sports. The pupils went down town and looked over the stores and business section generally.

They enjoyed the picnic supper at the Park and after that Principal Graham took them to the C.P.R. wharf where they made an inspection of the C.P.R. S.S. 'Manitoba'. This was a new experience for many of the pupils and they thoroughly enjoyed looking over the big ship.

Capt. Davis personally received Mr. Graham, the members of his staff and the pupils and took a keen delight in showing them all over the boat, even up into the pilot house, in fact there was not a nook or a corner which was not visited and many details in connection with the management of the steamer were explained. Before the visitors left the boat, they gathered on the top deck, had their pictures taken with Capt. Davis and then joined in singing. 'For he's a jolly good fellow' and they meant it too, concluding with three hearty cheers. No one enjoyed the visit more than did Capt. Davis, and he presented each one with a little souvenir of the visit.

The trip to Owen Sound was made through the courtesy of Robt Campbell, who placed one of his large trucks at the disposal of the class. Two other teachers of staff, Misses C. McCrae and F. Kross accompanied the party and Mrs. Robt. Campbell and Mrs. Robt. Whitmore kindly acted as chaperones. They all returned home later in the evening and enjoyed the outing.

The Red Cross Society ladies will hold a tea on the veranda of Mrs. D. Jamieson, Tuesday, July 24. Tea will be served from 3 to 6. The ladies wish to remind the citizens that invitations are being issued for all town citizens, but in sending out a list of this dimension, it will be easily foreseen that some may possibly be overlooked. If such be the case, this notice is to be considered as an invitation. Admission 25c.

Death of John Ritchie

Inspector of Schools in Port Arthur and District for many Years

Mr. George Ritchie received on Saturday last a sad telegram that his brother, Mr. John Ritchie, (Inspector) had died suddenly but peacefully at the city of Regina, Sask. He was in his 76th year. No details at this writing, but he is to be buried at Port Arthur on Wednesday, 18th of July. Mr. Geo. Ritchie and sister, Miss Jane Ritchie left on Monday for Port Arthur to attend the funeral.

Mr. John Ritchie was born in Glenelg, on lot 36 con 2, now the Geo. Ritchie home and grew up in the bush, with its many disadvantages. Schools at that time were not equipped as they are now, but even with the draw backs, he early showed an aptitude to acquire knowledge, which led him later to study for a school teacher and he was successful in securing the necessary certificates and taught with success for a number of years. His ability was widely recognized and when a vacancy occurred in the Inspectorship of Port Arthur and a wide district, he applied and was accepted.

He served as Inspector of Thunder Bay District for 20 years, after 15 years as school principal in Port William and Port Arthur. It is claimed he held the world's walking record for aggregate distance in the 20 years he was school inspector. In a field of widely scattered schools, he became famous for his long distance walking day after day and thus in the two decades covered many thousand miles on foot and developed a remarkably fast pace.

Here, and in his positions, he did a great work in organizing schools, and in every way stimulating desire for better education. He also taught at Mt. Forest, Harrison and Cornwall.

It was a pleasure to meet with him on his yearly visits to his old home. Now he has gone and the writer regrets that the intimacy begun in early teaching days remained till death stepped in.
