'New Canadians'
(Continued from Page 1)

add their contribution to our heritage. The vast majority of those entering Canada now are Nordic—and there are more Protestants among these coming from continental countries in Europe than from Britain. Too many people are calling them contemptuous names which only cause heart burning and strife.

When our Church of All Nations was opened in Toronto, the Finnish group was troubled for the first service and over 500 have been coming every Sunday. They deeply appreciate what the United Church is trying to do for them. The Finns are largely an agricultural people with a clean-cut Protestant. Why fear such an addition to our nation's life? In one Sunday School there are 12 teachers from Roman Catholic and Greek Catholic homes and one young man trained in a Jesuit school is preaching on one of our four mission fields this summer. Why live in fear of Roman Catholic domination when they would come to us in thousands if we only sent them leaders. In the Hudson Bay District we have five teams, one English speaking and one Canadian, working among the Ukrainians.

In the last two years the United Church has opened 283 new missions with over 1000 preaching points, where no church was working, a great accomplishment, but not enough. We have enough new Canadians to build a new town every day in the year and require two new schools every day. How many new churches and how many more ministers should we have to care for them?

After his visit to Canada Premier Baldwin said: "Undoubtedly Canada would be the greatest nation in the world because of her tremendous endowment of wealth and because of the kind of people found here." Canada is in the place of leadership. We need a new national consciousness and sympathy. We need vision, traction and a willingness to give the best we have to serve the national interest. Above all we need the Church at the heart of every community, a community church, a ministering church, a uniting church to bind these peoples in the bonds of Christian brotherhood and to lift them to the divine level of life where they will say "Our Father, thy Kingdom Come. Thy will be done on earth."

THE LAST LOAD

There is something very satisfying about having completed a task but it is doubtful if anything gives the same delight and satisfaction as bringing in the last load of grain. It is the culmination of a season's effort, the reward of faith in a kind Providence to give seed time and harvest.

Preceding the bringing in of the last load there have been many days of toil in plowing, cultivating, sowing and reaping. Possibly a little worry has crept in as unfavorable weather or pests have threatened the crop. But all this is forgotten as the last load is stored in the barn or in stack or forked into the machine. The satisfaction is all the greater if there is assurance that the yield will be high and the quality of grain of the best. While man has no control over the weather, he is a big factor in determining just what that last load shall be.

HAMPDEN

Mrs. Hugh Fulton and daughter Isabel, Mr. Bert and Miss Nettie Byers, Mr. and Mrs. Conrad Seim and Mr. and Mrs. Clarence Seim, were among the number who attended the 'Ex' at Toronto from this part.

Misses Barbara and Isabella Byers, Boston, are visiting friends around the old home at present.

Miss Janet Wood and brother Bobby, Preston, returned home after spending a week's holiday at 'Bonnie View Farm'.

A number of friends of the late John Robinson, attended his funeral Sunday last, which took place from St. John's to Hampden cemetery.

Wm. Kerr's to Hampden cemetery. Miss McQueen, Arthur, has taken charge of S. S. No. 8 for the coming year.

We are still thinking that our community would make an ideal summer resort, judging by the number of visitors that pass our way each summer. Those who have visited among the neighbors recently were Mr. and Mrs. Bert Russel and children of Illinois; Mr. Jno. Abel, St. Charles, Mich.; Mrs. Malloy and son Elvin, Jackson, Mich.; Mrs. Lyons, Toronto.

Mrs. E. O. Hickling is recovering from her illness, being under Dr. Lawson's care.

Mrs. Sharpe, Sr. is attending her grandson, Willie Smith who was trampled on among the horses. Hope he will soon be his usual self.

Threshing has commenced in this part while others are busy sowing. Others have their fall wheat sown.

The annual meeting of the C.Y.P.S. met in church on Sept. 6th. The new officers were elected for 1928-'29. The Y.P.S. was formed two years ago and has been a splendid success. Mrs. McKechnie and helpers served a dainty lunch. The next meeting, the Thankoffering, will be held in Burns' Church, Rocky Saugeen on Oct. 3rd, when all are cordially invited.

Mr. Patrick Coffield of Detroit, is spending his vacation with his uncle, Thos. Melosh.

PROGRESS AT GENEVA

The Kellogg anti-war pact has received the signatures of representatives of seventeen nations at Geneva, amongst them being even Soviet Russia. This is making progress in the ways of peace. Some of the nations it is alleged, hardly grasp the full import of the transactions, but every day that passes without violation of the covenant will grow stronger and the day hastened when war will become a memory.

**P.S.—
"Station-to-Station calls are cheaper."**

Mrs. Allen wonders why calls to her home cost 40c, while Mrs. Brown's cost only 30c.

The reason lies in the postscript of Mr. Brown's letter. "Call me regularly . . . Station-to-Station calls are cheaper."

So Mrs. Brown gives the distant telephone number and tells the operator, "Anyone there will do." That makes it a Station-to-Station call.

The low evening rates (after 8.30 p.m.) and still lower night rates (after midnight) apply on such calls; and, usually, connection is made while you remain at the telephone.

Do as Mrs. Brown does. Remember the postscript.

HOOVER VS. SMITH

Our neighbors to the south are having a strenuous time likely to become increasingly strenuous till the 4th of Nov. arrives when it will be decided if their next President is to be Hoover or Smith. Smith is at present Governor of New York and is a popular hero. Hoover is comparatively a new man and won honor and fame for his organizing ability during the war and since. Smith is called a "wet" candidate, personally being objectionable to the dry forces, but promises to uphold temperance legislation if returned Hoover is a temperance man and will likely be elected. In conversation with a Democrat from Florida who is going to vote Hoover, we learn that many Democrats will do likewise and this feeling is common in the 'solid south' Hoover may win. Canada's sympathy is largely for Hoover.

A pleasant family reunion was held at the home of Mr. and Mrs. L. McLean on Saturday afternoon. Friends were present from Toronto, Port Elgin, Bentinck and Glenelg. The young people enjoyed races and a ball game while the older people spent the time in social chat. At the close of the day's sport a bountiful picnic lunch was served on the lawn and all dispersed to their homes feeling that it was a day well spent.

DORNOCH

The weather has turned very cool. Autumn is here again, so may expect a change. The years fly past and make us feel the time is short. The snow will be flying next month if we have it as soon as we have had it in past three years. But we hope not.

Mr. Lorne McIntosh, Misses Ruth and Jean Lowe, Mr. and Mrs. John Lowe and Mrs. Donaghy, Miss Cain and Mr. Feeley, all of Niagara Falls, were guests of Mr. and Mrs. E. B. Dargavel, Miss Jean Lowe, Mrs. D's sister, is remaining for a week.

Miss Reta McIntosh left Monday for Niagara Falls where she will visit with her brother and other friends for a week. She returns via Toronto to visit a few days with her aunts.

We are pleased to see Jas. Crutchley able to be around again after his accident which might have proved fatal.

Mr. A. McIntosh took in the 'Ex' for a week.

What might have been a serious accident happened to the Misses Morrison on Thursday afternoon, just north of Dornoch. Something went wrong with the car. Miss Annie was at the wheel. The car ran into the ditch, turned over, wheels up, girls in under, but were only shaken up. Help arrived shortly. It might have been much worse.

(Mrs. J. H. Weaver of Bottineau, N. Dakota, sends us the following obituary of her only brother and will be remembered by many South Greyites, where he was born. He was a nephew of the late Dan McDougall, of Bentinck.—Ed.)

Alexander Cameron, son of John Cameron and Mary McDougall, formerly of Glenelg, passed away in San Francisco after an illness of 10 days, death being due to embolism entrapment. The remains were accompanied home to Bottineau, N. Dak. by Mr. and Mrs. J. H. Weaver, the latter being only sister of deceased and was laid to rest beside that of his father, mother and grandmother in Oak cemetery.

Mr. Cameron was born six miles north of Durham, at the farm home in Glenelg, Feb. 5, 1865. He got his early training at Latona School and later attended the C. A. Fleming Business College. At 17 years of age, he held his first position with Corbett and Sons Iron foundry, going from there to Toronto. Following his parents to the American side in 1889 he held positions of trust in Detroit, Chicago and Philadelphia. In 1904, he became associated with the American Bank Note Co., of New York. He travelled through the Western States for 16 years. In April, 1920, he was made Pacific coast representative of the company, with headquarters in San Francisco in which capacity he served until his death.

He leaves to mourn his loss, one sister, Mrs. J. H. Weaver, two brothers, John and Archibald, all of Bottineau and another brother Charles of Anchorage, Alaska. Mr. Cameron was a member of all Masonic bodies from the Blue Lodge to the Shrine, and in respect of brother Sir Knight, an escort from Lorraine Commandery of Bottineau, accompanied the body to its final resting place. Friends from a distance attending the funeral were Mr. and Mrs. J. Great of Valley City, N. D., Messrs. Smith and Foxvog, of Chicago, representing the Co. he so faithfully served for almost 25 years. The masses of beautiful flowers testified to the esteem which was held for him.
