Financial and railway men have approved the project and the council decided to submit a bylaw to the ratepayers Nov. 26th.

His 86th Birthday
While many Ontario towns may have Town Clerks longer in the service than the years held in that position by Clerk Vollett, we feel safe in stating that no town has as old an official. To-day, Wednesday, W. B. Vollett celebrates his 86th birthday and has still got a good grasp on life. May the remaining years be kind to him.

Military Bridge in Town Hall
Canadian Greys Chapter, I. O. D. E., held one of their popular military bridge parties in the Town Hall on Tuesday evening, when thirty one tables were in play. Preparation was made for fifty tables, but due to inclement weather and much sickness in town and country, they were not all required. For a couple of hours the battle of the flags was enjoyed and at the close lunch was served, followed by a short dance. Mrs. Gibson of Paisley, Messrs Clarence McGillivray and Jas. Duffield held the greatest number of flags at close of play and each received a deck of playing cards. About \$45 was taken in at the door.

Presentation at Rectory
A pleasant evening was 'on' at the Rectory on Friday night last, when Mr. and Mrs. Joe Crutchley were the raison d'être of an evening with the officials and friends of Trinity Church. In passing we may state also, that he is the first Warden of this church to be married while in office. Accordingly an occasion was made of it by presenting the young couple with two handsome wicker chairs with upholstered seats. Mr. Herb. Cross read an address to the honored couple while Mrs. Irwin and Mrs. Moorhead presented the chairs. The groom appreciatively replied. Rev. Mr. Hayes, rector, in an introductory manner, spoke a few words and the remainder of the evening was given over to music and social intercourse and an informal dance. Refreshments were served during the evening.

Presbyterian W. M. S.
The October meeting of the W. M. S. of the Presbyterian Church, was held at the Manse, on Friday, 19th inst. Mrs. Derby, President, presided and the meeting was opened with singing and devotional exercises. Mrs. F. McPherson read the scripture lesson from 2nd chapter of Phil. After the various business items were disposed of, the members responded to the roll call with a verse on God's love to us. Several ladies led in prayer. Mrs. G. McKechnie gave an interesting reading on the Gwallor Mission and the great work done by the late Dr. Wilkie. Mrs. J. McFayden had the topic and gave a splendid paper on 'The School Homes in Vegreville, Canada and Prince Albert. The meeting closed with singing and the Lord's Prayer in unison. Mrs. (Rev.) Armstrong served a dainty lunch and a social hour was enjoyed by all.

Our W. M. S. held their Thanksgiving meeting on Sunday, Oct. 7th, when Mrs. (Rev.) Ledingham, Harriston, gave an inspiring address on Mission work which was enjoyed by all. A liberal collection was received.

A Good Idea
A fire escape is being placed on the south side of the Town Hall in Harriston, making it one of the most up-to-date and safest halls north of Guelph. The hall has an A.I. license, which allows for the holding of all kinds of shows and entertainments.

The A. O. T. S. Class and the classes of Miss Ethel Greenwood and Mr. Geo. Yirrs, in the Queen St. Church Sunday School, are uniting in entertaining the Zion young people to a social evening this Thursday in the Church. The visiting young people provide the program and the local classes the contests and eats, which will be of a Halloween nature.

Main Street Improved
Mayor Murdock this week secured the use of the Prov'l Good Roads scarifier to remove some of the bumps and fill up the holes on Garafra Street in the business section of the town. The town pays operating expenses only, which is an appreciated favor from the Prov'l authorities. Front street is now much smoother, but with so much rain recently, the removal of mud, etc., off the sides has been delayed.

Aberdeen Women's Institute
The Aberdeen Branch of the Women's Institute met at the home of Mrs. Hugh McDonald on Oct. 19th, with an attendance of 23. After the opening ode, Mrs. Dan McLean read the scripture lesson from Psalm 136, followed by the Lord's Prayer in unison. After reports given and business transacted, Mrs. David Lamb gave an interesting talk on 'Scotland'. Mrs. Jas. Ewen gave a reading entitled 'How the bachelor baked bread', also a reading by Miss Ada Chapman entitled 'A Terrible Mix-up.' Mrs. Wm. Noble demonstrated on the making of flowers. It was decided at this meeting to pack a box of fruit at the November meeting for the Children's Shelter in O. Sound. The next meeting will be held at the home of Mrs. Wm. Noble on Nov. 16th, when all ladies are invited to attend.

ALLAN'S CORNERS

On Sunday, Rev. Allison, Hanover, was special speaker at St. Paul's; Monday Chicken special feature.

The Thanksgiving services on Sunday were a decided success. The church was well filled both afternoon and evening, and the services held by Rev. Allison of Hanover, very much appreciated. The following Monday evening a fowl supper was given in the basement of the church and although the weather was unfavorable, a large crowd assembled, where they enjoyed a bounteous supper. This was followed by a varied programme, with Rev. E. Hayes as chairman. Every number was enjoyed. Following is the programme: Chairman's address, anthem by the choir; solos by Mr. Allan Bell, Miss Margaret Lawrence, Mrs. Mark Wilson, Duet by Misses Lennox; Misses Alma Kress and Marjory Noble. A humorous address by Rev. Purnell of Dromore was given, also readings by Miss Ruby Morrison, Miss Violet Mervyn; recitations by Jimmie and Norma Ferguson, John Matthews; instrumental on violin and autoharp by Messrs. Ross Rife and Carmen Queen. The program was brought to a close with the National Anthem.

The receipts of Sunday and Monday amounted to \$113.00. The congregation of St. Pauls are very grateful to those who rendered assistance in any way.

Mr. and Mrs. Frank Watkins of Toronto, spent a few days recently at the home of Mr. Ben Woods Sr.

Sorry to hear that Mr. George Pollock, who went to Toronto a month ago, is not in very good health.

Miss Elsie McLaughlin of Durham is visiting at present with her sister Mrs. Walter Ferguson.

Mr. and Mrs. Elsmere Rawn visited on Sunday at the home of Mr. James Johnson.

Mr. and Mrs. Steeves of Toronto, accompanied by Mrs. Robert Lewis, visited Sunday at the home of J. C. Queen and attended the Thanksgiving services at St. Paul's church.

Our teacher, Miss Reta Barbour, is rather indisposed at present, which means a few holidays for the pupils. Mr. and Mrs. R. J. Arnill of Holstein spent Sunday at the home of Mr. Milford Matthews and attended the anniversary services.

Mr. and Mrs. Arthur Lee of Zion, attended the anniversary services on Sunday.

Mr. and Mrs. Arthur McNally of Traverston, attended the anniversary services. Mrs. McNally still holds a very friendly feeling for the old home church, and is always a very welcome visitor.

Clark Metals Factory Went up in Smoke

Durham's second large fire within two months, took place early Wednesday morning, when the Clark Metals Factory on Bruce St., now owned by the Bassick Co., was completely destroyed.

Since about the close of June 1927, when the business and all machinery and supplies were removed to Listowel, the building has remained empty, and what should cause the conflagration at 3 o'clock in the morning, is yet and will likely remain a mystery.

It was nearly three o'clock when Night Watchman E. Ashley of the C. N. R. engine house nearby, saw hydro lights suddenly go off, and looking out, he noticed fire in the south western corner of the factory. He sounded the engine whistle as an alarm, and meanwhile Mrs. J. H. Moore on Bruce St., having also seen the flames, ran to W. Clark's nearby and had them get Central to sound the Furniture Co. town fire alarm. By the time the fire brigade were roused and had the engine ready, with steam up, the building was doomed. However the brigade did good work in saving nearby residences, the two McDonald homes just east across the street, being in greatest danger.

The factory was about 100 x 80 feet with an L. one storey only. It was built of cement blocks and frame covered with tin, and for a time, a fierce blaze prevailed. The structure is now a total wreck, only north and west walls of cement remaining.

In conversation with W. E. Clark, former manager, who came up Wednesday from Listowel, he informed the Review that he believed the Company had allowed the insurance to lapse a few days ago. Mr. Clark is now a Supt. for the Bassick Co. The property was sold to this Co. by the town of Durham for \$5000 two or three years ago, but they offered it for much less when they removed from Durham and had no further use for it.

Euchre and Dance at Opening of Hospital Wing

The Red Cross Society have planned to hold a euchre and dance next Tuesday evening in the new addition at Durham Hospital, now being completed; at the same time giving the public an opportunity to inspect this new plant. The euchre will be downstairs at 8:30 sharp, followed by dance upstairs and all are cordially welcome to either or both. Admission is \$1.00 a couple, extra lady 50c. The Blue-bell orchestra will provide music. As the proceeds are largely for the building fund, a large turnout from both town and country is looked for.

Ladies' Aid Tea Has Beautiful Floral Setting

The homestead of the late Archibald S. Hunter, on Upper Durham Road, was a beautiful retreat for many ladies on Thursday afternoon last. On this day under the auspices of the Ladies' Aid Society of Knox United Church, Miss Margaret L. Hunter entertained at a musicale and tea. The last of the season's bloom from the gardens surrounding the home was culled and made a lovely setting in living and dining-rooms. Miss Hunter was assisted by the President of Society, Mrs. D. B. Jamieson and Mrs. Kearney in receiving the guests and in the dining-room, Mrs. John Aldred presided over the tea-cups at a prettily decorated table, centred with a large bowl of marigolds. Golden candles beamed a welcome and small tables were grouped around the large room and here guests were attentively served by a bevy of waiters. Music was supplied most of the afternoon on piano by Mrs. Jamieson, Misses F. B. Nichol, M. Hunter, A. Ramage, Mrs. Town, while other musical numbers consisted of a duet by Misses Winnie Blyth and J. Bell and a trio by same two ladies and Miss A. Ramage.

Mrs. R. Sparling also entertained the gathering to a reading. At six o'clock a number of gentlemen came in for tea.

Finger Torn
While holding open the door in driveway south of fire hall, to allow the grader to enter, Constable H. Allen had his first finger of right hand caught between it and the door, tearing the flesh back to second joint, clean to the bone. Suturing was a painful operation and he carries the arm in a sling for a few days.

TRIPLET BOUNTY RECEIVED FROM DOMINION GOVERN'T

On Monday, Mayor Murdock received an official looking letter and on opening same, found therein a cheque for \$14.60 (three pounds sterling) payable on the Bank of Montreal to Mrs. J. A. Caswell of Durham. A letter accompanying the cheque, from M. Hall of the Dominion Finance Department explains that the amount is the King's bounty bestowed upon every case of triplets in His Majesty's dominions. This money is being handed to Mrs. Caswell and while the amount is not burdensome, she may feel distinctly proud of the fact that she is the first in this section of Grey at least, to receive a favor from King George.

HYMENEAL

BURNS - HESLETT
A quiet wedding was solemnized on Wednesday, Oct. 24th, at 9:00 a. m., at Holy Family Church, Hanover when Miss Ruby Esther Heslett, daughter of Mr. and Mrs. James Heslett, Aberdeen, and Mr. David Michael Burns, son of Mr. and Mrs. John Burns, also of Aberdeen, were united in marriage. Rev. Father Haller conducted the marriage ceremony. The bridal couple were attended by the groom's cousins, Mr. J. D. and Miss Cecilia McAulliffe, Durham.

The bride was attractively gowned in blue georgette. Immediately after the ceremony, the young couple left on a week's motor honeymoon trip to Stratford, Kitchener and Toronto and upon their return will take up residence on the groom's farm, west of Aberdeen.

Monday evening of this week a miscellaneous shower was tendered for the young couple at the home of Mr. and Mrs. John Lynn, when about 50 friends and neighbors gathered to personally extend them good wishes on their approaching union. Many beautiful gifts were received by the young couple to which the groom made acknowledgment in a few appreciative words. Refreshments were served and the evening was given over to cards and dancing.

HARTFORD - McDERMOTT

With the tall decorated altars, from which tall cathedral candles glowed, formed a background of solemnity and beauty, when Miss Mary McDermott, daughter of Mr. and Mrs. Michael McDermott of Empire Ave., Detroit, and Bernard F. Hartford, son of Mrs. Rose Hartford, also of Detroit, pledged their marriage vows at St. John's Catholic Church, Detroit at 9:30 a. m.

Attending as maid of honor was the bride's cousin, Miss Elizabeth O'Malley, Chicago. Leonard Hartford of Detroit, the groom's brother was best man and a little niece of bride, was ring bearer. Four ushers completed the bridal party. Mrs. J. H. Brennan was mistress of ceremonies.

The church choir, directed by Mrs. Leo Dawn, sang Schindler's mass, 'In honor of the infant Jesus' and there was a solo 'Ave Maria' by Mrs. C. Dwas, of Eau Claire, sister of the bride. The bride entered the church on the arm of her father, who gave her away and she was beautifully gowned. Baskets of many hued Autumn flowers combined with each church window and helped create a setting of unusual charm.

Following nuptial high mass, a reception was tendered the young couple at the McDermott home where a pink and white motif was artistically carried out. Mr. and Mrs. Hartford left later in the day on a honeymoon trip to Niagara Falls and Canadian points. They expect to be away a week and on their return, will make their home in Detroit.

THE WHOLE TRUTH

A chicken supper in the rural churches this time of year is something that cannot be duplicated in the finest hotel in the land.—Guelph Mercury.
