RYLYTH'S CORNERS

The annual Sunday School entertainment held in Knox Church, Normanby last Friday was a splendid success. The night being fine, a very large number were present and listened to a very lengthy program, consisting of songs, recitations and dialogues by the young men and women and all numbers were well executed, in fact with marked ability in some instances. Rev Mr Purnell occupied the chair and in his inaugural address on "Achievement" threw out some helpful advice. The success of the entertainment reflected much credit on the young, popular teacher, Miss G McAllister of S. S. No. 1 and also Miss Smith, teacher at the 'Corners.' Credit must also go to Miss Sena Byers who spent much time and energy in training the pupils. The proceeds at the door amounted to \$35, with the children admitted free. The National Anthem and abundant refreshments closed another anniversary event.

The home of Mr and Mrs Henry Becker of Normanby, was the scene of mirth and jollity on Wednesday last, the occasion being the marriage of their youngest daughter Miss Dora Becker, to the young man of her choice, Mr Wm Thompson, of this locality. The happy wedded couple will commence home-making on the groom's fine farm near the 'Corners.' We extend congratulations.

Mr Thos McNiece sold his farm to Mr James Petty a couple of weeks ago. The price realized we heard, was \$6500. Tommy claims to have sold in spots on this farm as good 40 feet down as it is on the surface. We have never heard any of his neighbors dispute it, so it must be right.

For some time back our Farmers' Telephone Co. Ltd. have been negotiating with the Bell Telephone Co., with a view of selling out their interest and for a time it looked as if the deal would go through, but for the lack of being high enough capitalized, so they claim, the deal fell off. However they offered to give us Durham as a 'Central' instead of Aytun, with slightly reduced rates on poll loads and switching station. At a meeting of the shareholders a couple of weeks ago, a motion to secure Durham as a central was voted and carried.

Mrs Jas Ross (nee Flora McIlvride) of Holywood, Bruce Co., was a welcome visitor for a week lately at the old house at home, returning home Saturday last.

Mr Wm Pinder's sale on Friday last was a big success, realizing in the neighborhood of \$4000. Stock and implements sold at a high average price. Jno. Aitken, the auctioneer, showed himself equal to the task.

Much sympathy is felt and expressed for the sad fatal motor accident which befel little Beatrice Rawn on Sunday last, wiping out a bright little maid of seven summers. From the brief details, it appears the little girl was returning home in the afternoon from attending Sunday School at Orchard, riding in Mr Jas Johnson's car (her uncle), stopping at her father's gate to let her out. The little girl started to cross the road when an approaching car from behind smashed into her, death ensuing half an hour later. To the grief-stricken parents, the sympathy of the surrounding neighborhood is extended.

Let your Windows Shine

The Fergus News Record editor has been handing out a broad hint the past week for its merchants to leave store windows illuminated. The owners and clerks are proud of their window decorations, but how few of them are brilliantly lighted? They contend "that the ordinary workman is busily engaged until 6 o'clock. He gets his supper, takes a walk down town and proceeds along the street. Only from the street lamps can he get any idea of what is nicely displayed in the merchants' windows and these are generally too far away to throw much light on the desired subject. We know the merchant does not often return to his store after supper, and lights would thus burn all night, unless he purchased a time clock to turn out the lights at a certain hour. We have wondered if it would be possible to have a window switch conveniently placed near the front entrance and the constable on his rounds after 10 o'clock, turn out the lights, when the use would be practically ended."

PITY THE POOR OYSTER

A nearby weekly paper states that a Grange club will have an oyster for supper next Saturday night. Everybody is invited.

Friendliness begets friendliness. How can you or I keep away from a merchant who spends his money to show his interest in our affairs? We can't.
