Birthday or anniversary greetings -by telephone

When a birthday or anniversary comes around, and you want to congratulate a distant relative or friend, what that you could buy would mean so much to the recipient as the cheerful sound of your voice over the tele-

With the first words of your greeting by Long Distance, memories of days spent together flash before the mind and the mcments glow with these shared recollections of the past.

One of the greatest blessings Long Distance confers is the opportunity for renewing and strengthening the ties of friendship and affection be tween those who are separated by distance. Try it.

"Every Bell Telephone is a Long Distance Station."
