On the last day of Feb., Mr. Lou Fook's barn was destroyed by fire, -how it originated is a mystery in the upper part of the barn at 3 o'clock in the afternoon. Mr. Bert Ausum arrived from Durham and failing to get the horse into its stall, which apparently sensed danger, and hearing the noise upstairs as of a faning mill going, he investigated and found the flames beyond control. The alarm was soon given, the men at the house and neighborhood soon turned out. The horses were got out safely, the cattle were out to water fortunately before, but binder, 2 bugles, mower and all machinery required about a farm was destroyed, except a plow. The insurance carried not a very large -will not nearly be in to cover the loss.
