Glorious Tale Of Merchant Navy in War

Notable Tribute To Heroism And Endurance of "Our Magnificent Seamen"

By THE PRINCE OF WALES The Prince of Wales as Master of the Merchant Navy and Fishing Fleets...

The present volume raises the curtain on what I take to have been the climax of that vast drama—the enemy's plunge into unrestricted submarine warfare...

With the intensification of the enemy's campaign, the British sailor, a non-combatant following an ordinarily peaceful avocation...

One highly characteristic phase of the work of our Merchant Navy, described in this volume, is that covering the activities of the Auxiliary Patrol...

Here was indeed a medley of small vessels—trawlers fresh from our fishing grounds, drifters, whalers, paddle-steamer...

Varied indeed these craft were in type, but their crews were animated by one heart and one spirit.

manned by nearly 50,000 officers and men. The figures representative of the full war effort of the merchant service...

On Tower Hill a fitting and impressive memorial, bearing the names of the officers and men of the Merchant Navy and Fishing Fleets...

There is much to be commended in the plans of the Overseas League for the settlement of one thousand young Britons throughout the Canadian West...

The principal shortcoming in the past in Canada's treatment of immigrants is that they have been left largely to their own devices after their arrival here...

These young Britons will be in due course form part of the backbone of our West. They will be among the future citizens and administrators of the West...

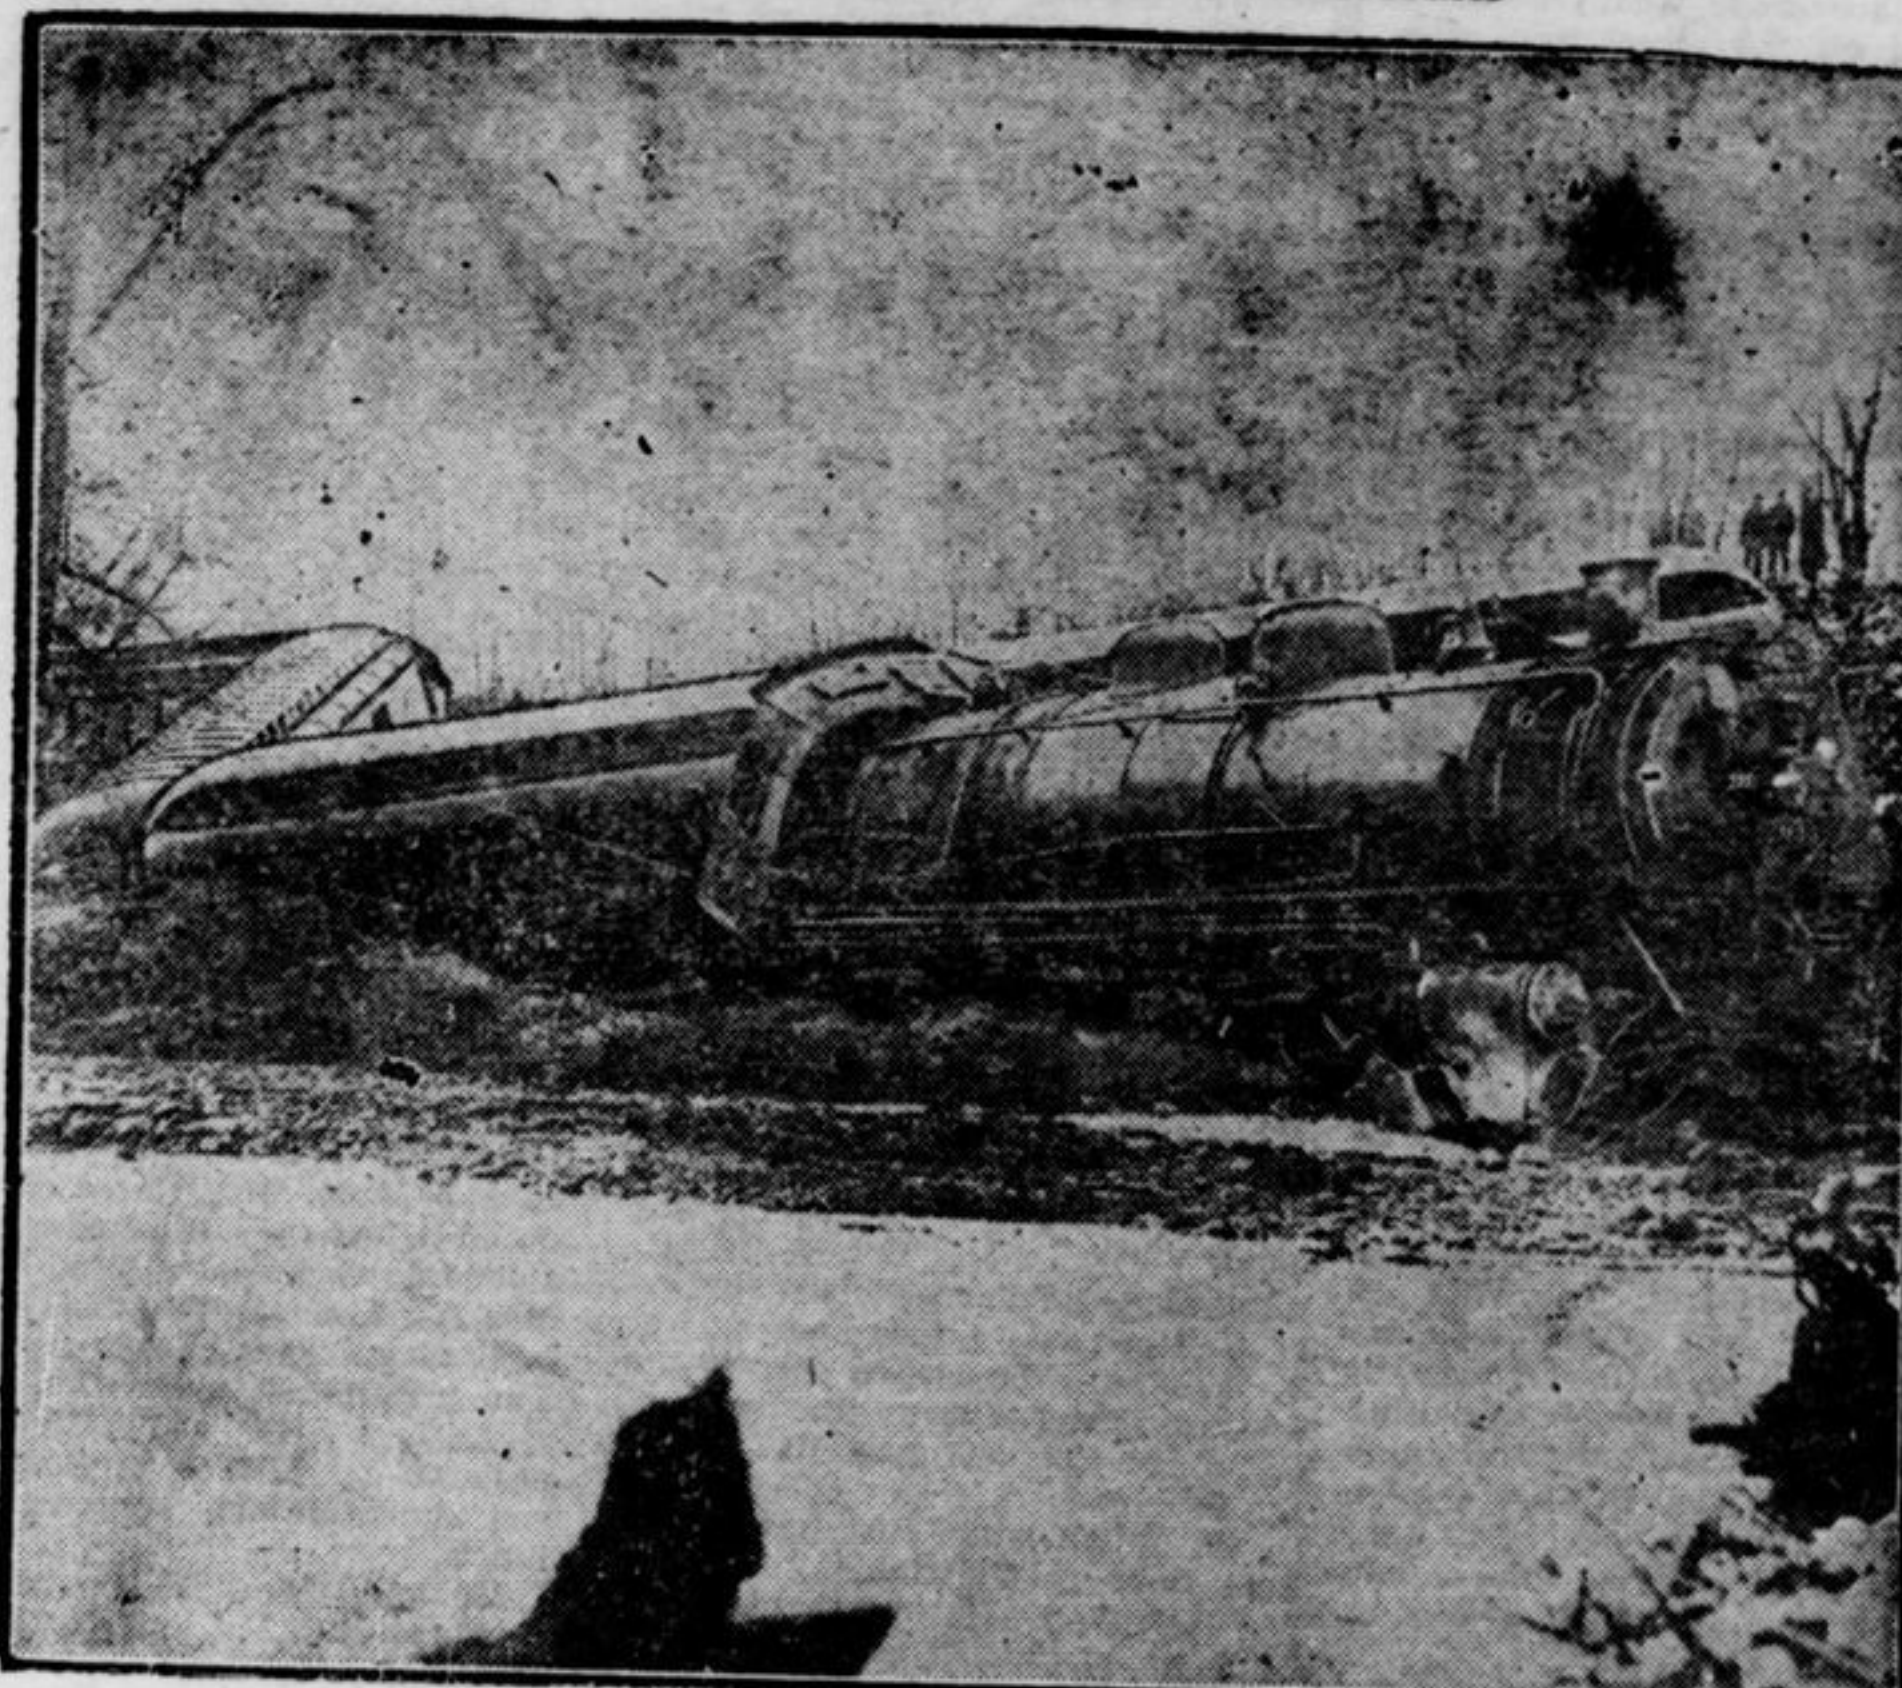

Bombs in India London Daily Chronicle (Lib.): They (the Indian Nationalists) cannot at one and the same time put themselves on the side of disorder and work effectively for constitutional liberty...

The fuel tanks will have a maximum capacity of 1900 gallons, but only about half that amount, the newspapers say, will be taken aboard at New York...

When this association of drugists was found to be a combine in restraint of trade, following an injury by the Federal Government...

Twenty-two stations are to be established along the 13,500-mile route, of which 19 will be used only in case of emergency...

From Glasgow, the route outlined

Shackles of Past Are Thrown Away

Although the days are past when Chinese parents throw their girl babies into the river, says "The Pathfinder," they are still very anxious that their babies should be boys and not girls.

One of the best things about the new regime in China, which means largely the shaking off of the shackles of the past, is the improvement in the condition of the women.

Canadian Combines Act Found to be Valid Ottawa—The Combines Investigation Act of 1923 dealing with conspiracies in the restraint of trade...

It is well to know that right is always moving toward victory.

Revolutionary Movements in Recent Years Find Sex Clamor for Its Rights

Not only has the wearing of girl babies stopped, but the old barbarous habit of binding the feet of women to keep them small is rapidly becoming a thing of the past.

One of the real powers in the present Nanking government is the wife of the president, Mrs. Chiang Kai-shek who has been accused of aiming at a throne.

It is well to know that right is always moving toward victory.

Describes Causes Of Unemployment

Sir William Clark Gives Survey of Situation in Britain

High Commissioner Asks Welcoming Hand for New Immigrants

INSURANCE QUESTION Sir William suggested that unemployment insurance was organized in recognition of the well known economic fact that there must always be some measure of unemployment in great industrial countries...

Various plans of the Government for reducing unemployment were suggested by the high commissioner, including that of emigration to the overseas Dominions.

There is a new spirit of co-operation, a new desire of employers to get together and study jointly the difficulties besetting our trade.

There is scarcely a Moslem family in the Yemen that has not at least one slave. Weather families have as many as four or five.

There is scarcely a Moslem family in the Yemen that has not at least one slave.

Slave Markets Found Active In Orient To-day

Despite Work of League Raids Still Take Blacks to Points in Near East

Jerusalem—The slave traffic notwithstanding resolutions passed by the League of Nations, is still operating in the Orient.

The trade in human beings extends over the Sudan, Abyssinia, the Hejaz, the Nejd, the Yemen, and the coast of Somaliland.

There is scarcely a Moslem family in the Yemen that has not at least one slave.
