IN LOVING MEMORY

ISAAC—In fond remembrance of the love and kindness of husband and father, Robert Henderson, Isaac, who passed away to rest May 17, 1928.

What is home without you, father, What are all the joys we meet, When your loving smile no longer greets the coming of our feet? Your presence is ever near us, Your love remains with us yet, For you were the kind of a father, Whom, though loved, ones would never forget. —Wife, Son and Daughter

GREY PRESBYTERIAL HELD AT DRAYTON TUESDAY

A large representation from Holstein auxiliary attended the 15th annual meeting of Saugeen Presbytery, W.M.S. of the Presbytery Church, held in Knox Church, Drayton, May 14th. The President, Mrs R. B. Ledingham, Harrison, was in the chair. The cosy surroundings and compactness of this gathering with the familiar friendly faces from our different Auxiliaries were contributions to ward that hallowed home gathering and oneness of aim and purpose, which characterizes the annual meetings of our Saugeen Presbytery.

The reports given from the various branches of our work were most encouraging and well appreciated. The reports of growth and hopefulness of our work were most encouraging and well appreciated. The reports of growth and hopefulness of our work were most encouraging and well appreciated.

Our pastor is utterly unable to pass on the great things said by a great man in a great way, concerning a still greater theme. The members of Presbytery who accompanied Mr Dunn from Presbytery meeting, in the Drayton address, must have felt while their choice of life work was during Mr Dunn's address, how wonderful the choice of God's servants, was not on wood which through time will decay, stone that would crumble or iron that would corrode; theirs was the impress for eternity. Deeply moved and meditating with God in the soul, the results will not return to Him void but will prosper in the thing which pleases Him.

The hospitality of the Drayton ladies was enjoyed by all present. Appetizing lunches were served in the basement of church and friendly social intercourse held over the day. The daintily arranged tables. Many worth while purchases were procured from the Literature table: that in order to be successful missionary women we must be intellectually informed, we must understand facts as they exist in our mission fields and grasp the problems our missionaries face.

The cordial invitation given to the Saugeen Presbytery by our Aux. Pres. Mrs Mutch to hold the annual meeting in Holstein next year was accepted.

Mr and Mrs Will Reid and Miss J. Merchant, visited Mr and Mrs J. Lane, Swinton Park, the first of the week.

Mr and Mrs Geo Rawn and family, Woodland, were our recent guests. Mrs Jas Dunston expects to attend the Presbytery Auxiliary in Drayton to-morrow.

Letters from distant friends tell us it is the home news which makes the home paper interesting. If the home folk could only realize that not only relatives but also many acquaintances appreciate the items referring to any one in the old neighborhood, we think they would be more anxious in supplying their correspondents with the news. While it may be stale for those in the vicinity, it is quite interesting to the ones away. We take this opportunity of thanking all who have been thoughtful.

An interesting service was held on Sunday in keeping with Mother's Day. Mr Purcell spoke from the words, "His mother and mine." The choir sang "Tell Mother I'll be there." The flowers—brought by Miss Annie Marshall, were much appreciated. Mr and Mrs Arthur McDonald of Durham were visitors Sunday at Mr Albert Marshall's.

The W.M.S. met in the church on Tuesday, when about 30 ladies were present. Miss Lamont Field Secy, spoke most interesting and instructively, showing that the Master meant as well as those to whom He was all the world and will hold us responsible. She told of weak congregations who are not doing their share and doing it under such difficulties. She spoke of the great need of prayer. The Master said "If two of you agree it shall be done unto you." Surely then, if we as a church would surely come to pass. There is plenty of money. In the Both men and women need to know more of and become interested in missionary work before they will want to give and we should strive to get the children interested. A hearty note of thanks was given Miss Lamont. Lunch was served and a pleasant hour was spent.
