Well Arranged 'Peony' Tea
The same welcome rain that is necessary to the growth of the peony, is a most unwelcome visitor when it interferes with the plans of any Society or organization for the exhibition of this lovely flower. Such was the case on Friday last when rain interfered somewhat with the success of the 'Peony' tea, given by the Ladies' Aid of the Queen St. United Church. Once in the basement of the church however, all was lovely and fragrant from the many standards of the lovely peony and other bloom. Tea was served from twelve small tables, one for each month and each decorated to suit their particular period of the year. The ladies were invited to sit down to their favorite month for tea. A candy booth and home-made baking booth were also another means of adding to receipts, and the total proceeds came to nearly \$70. A musical program was listened to with pleasure. Mrs. Mark Wilson and Miss Norma Gannon contributed solos: Mrs. W. Knechtel and Mrs. Wilson, a duet; and piano solos by Mrs. Padfield, Mrs. Kress and Mrs. Earl McDonald.

Ebenezer and No 7, Norby win at Farm Youth Rally

Though not well advertised, there was a fair crowd present at the afternoon softball final and a nearby filled Hall at night, at the Annual Farm Youth Rally in Holstein last Saturday.

Three mixed ball teams won their way into the semi-finals—Onward, Ebenezer and Holstein, Onward and Ebenezer first clashed but the South Artemesia nine proved no match for the Bentinck champions, Ebenezer winning 2 to 4.

Score: 1 2 3 4 5 6 7 tot.
Ebenezer 2 2 4 3 5 6 1 tot.
Onward 0 0 3 0 0 0 1 4

The final game, Ebenezer vs Holstein, followed and it was a thriller. The score was always close and both teams battled every inch of the way. In the 7th, Holstein put across 2 runs to tie the game 3-3, but Ebenezer scored the odd run in their half, to win by 10-9. Sandy McCulloch pitched well in both games for the victors and got good support.

Score: 1 2 3 4 5 6 7 tot.
Holstein 1 0 0 2 1 0 2 9
Ebenezer 0 1 1 0 3 4 1 10

Ebenezer team: Melville Johnston, Lenore Reay, Bill Grierson, Helen Milligan, Art Derby, Sarah McCulloch, Sylvia Reay, Christine McCulloch, Sandy McCulloch, Vera Reay, Holstein: L. Bailey, Brown Irvin, Hazel Smith, Clarence Fenton, Jean Ellis, H. McDougall, J. McCall, A. Walls, R. Rife, Geo. Brown.

Onward: Ivan Turner, Emma O'Haver, Alf Hincks, J. McCannel, Farquhar Oliver, B. Hincks, Tom Currie, I. Hincks, R. J. Turner.

The evening program was featured by the final debate, as well as the prize-winning oration and play. Pres. Alf Hincks, Priceville, was in the chair. After opening with music by the Holstein orchestra, Miss Winnie Binnie delivered the address which won first place at public speaking contest in Priceville recently. "Rural Education in Denmark." It was a well-prepared sketch of the progressive educational system in vogue in that land and was fluently given. Following it, Miss Macphail, M. P. presented the winning cup emblematic of the championship (which is held for one year), to Miss Binnie and also the medals donated by herself. Miss Binnie received the gold medal and Miss Isabel Firth, Glenelg, the silver.

Miss Gussie McAllister gave an amusing recitation in dialect "Little Bateese" and Mrs. C. Fenton a fine solo.

The debate "Resolved that Observation is a greater factor in education than reading" was well up and carried by four speakers and as well-reasoned a debate as we ever had the pleasure of listening to. Miss Mary Beaton and Mr. Pat McMillan of Bunesness, Marshall and Wilfrid Anderson of No 7, Normanby, the negative.

Miss Beaton was the opening speaker and in clear, fluent tone, voiced some convincing arguments, some of which were: a child's education begins at 3 or 4 months old by observation, and up to 8 years old, he learns all by observation; we can't read without observing; experience is a very prominent factor in education and what we observe we fully understand and remember; real beauty cannot be fully described.

Miss Marshall, first negative speaker, was also effective; she contended history could be learned only by reading; before printing was invented which made reading matter widespread, education was very meagre; through reading we benefit by observations of thousands of experts, it improves our vocabulary, etc.

Pat McMillan stated listening to professors was a form of observation; in industrial schools and colleges, most is learned by observation, great discoveries arose from observation, to scientists and chemists combating disease germs, to geologists and astronomers, it is most essential.

Wilfrid Anderson claimed that in reading, we benefit through others' conceptions; people lacking ability to read closely, also lack in observing closely; historians, lawyers, doctors, philosophers—all must learn by reading; at time of Aristotle and Plato, when there were few books, it is called the dark ages. Then it was necessary for the student to go to the thinker.

In rebuttal, Miss Beaton contended newspapers must get reading material through reporters or someone observing; that our reading which gives us purest English was considered heavy and not much desired, and there is much trash in popular reading matter.

The judges were three teachers: Misses McCannel, Parslow and Edmunston and they awarded the decision to the negative by a very slight margin.

After an instrumental number and a duet by Misses Helwig, Varney Club presented their prize-winning play "Money for Jam", which the crowd thoroughly enjoyed. F. R. O'Haver, M.P.P., presented the dramatic cup to Varney club and the Debating trophy to No. 7, Normanby.

Anniversary Services of Amos Church, Dromore, will be held Sunday, Aug. 4th, with garden party, on Monday Aug. 5th. Remember the dates.

Largest Crowd yet at Annual U. F. O. Picnic

Rain falling in Evening hurried home the crowd.—Many Townships represented.—Good program and speeches.

Splendid weather and large crowds attended the 3rd annual U. F. O. picnic for South East Grey in Lever's beautiful grove, 1 mile north of Flesherton, on Monday, 1st July. It would be safe to say that almost every township in the county was represented in some form or another and literally speaking Jew and Gentile politically rubbed shoulders. The day was ideal for the event and when the dark clouds were first seen on the northern horizon, the sports were at their height. They quickly gathered momentum and around the upper hour, when the crowd were over the lunch baskets, the torrent came down and fell more or less steady the remainder of the evening.

It is estimated 4,000 people paid admission to the grounds and the 20 acre field reserved for parking cars was packed from the speedy little Ford to the modern limousine. A rough estimate of the total value of cars in the field would approximate \$1,000,000. They were placed in aisle upon aisle and little difficulty was experienced in the get away.

Hancer Band was on hand for the day and supplied bright music. The McGregor Concert Co. of Caledonia, put on an excellent program after noon and evening, until a halt had to be called owing to the rain.

F. R. Oliver, M.P.P. and Miss Macphail, M.P., were the speakers, and had special addresses for their large audiences. Mr. Oliver spoke on "Proved remedies for the Agricultural Situation" and it did not take long to learn where he stood on the Immigration question.

Miss Macphail had as her topic, "With whom shall we trade" and an exhaustive topic, succeeded in making it interesting to those within the confines of her voice.

Mr. Geo. Campbell, Durham, was in charge of the refreshment booths and did a rushing business until the rain fell. The dance in the evening was called off and will take place this Thursday night.

The sports were enjoyed by a large crowd. First was a mixed softball game between Dornoch and Malcom. Dornoch was reinforced by five Durham players and in a strong finish won by 20 to 11. Clarence McGill pitched and Reta McIntosh caught for the winners. Dornoch team consisted of L. and Campbell, McLean, Reta McIntosh, Chas. Schil-droth, Ken Wilson, Florence McDonald, Blanche Boyce, Alma Wilson, Clarence McGill.

Score by Innings:

Dornoch	1	2	3	4	5	6	7	8	9	tot.
Dornoch	0	1	1	2	0	3	1	7	20	
Malcom	4	0	1	0	0	6	0	0	11	

Dundaik and Clarkburg girls first met in the girls' tournament and the latter were victors 24 runs to 10 in seven innings. Then Durham and Meaford came together and only up to the first half of 6th was played, when the heavy rain came and ended the girls' sports. Meaford had scored 7 runs in their last inning, tying score at 15-15, but as Durham was to end of 6th, thus Durham won by 15 to 8. Durham did some stonking hitting, but showed lack of practice in the field. Score by Innings:

Meaford	1	2	3	4	5	6	7	8	9	tot.
Meaford	3	2	0	3	0	3	0	8		
Durham	2	0	2	5	6	15				

Durham: Daisy Mathew, pitcher; Brown, 2nd; Lenore Reay, 1st; Christine McCulloch, c. f.; Florence Macdonald, 1st; Sarah McCulloch, catcher; Lennox, s. s.; Marjorie Ritchie, 3rd; Blanche Boyce, r. f.; Meaford: M. Hart, c. f.; Corley, s. s.; P. Patterson, 2nd; D. Hutchison, c. f.; I. Signal, 3rd; L. Hart, p. f.; G. McInnes, r. f.; W. Oppenizer, 1st; L. Robbins, 1st.

In Harball Artemesia (chiefly the Vandeleur team) defeated Proton, (mainly from Cedarville) and in football Swinton Park and Strathroy on teams met, the latter winning 2 to 1.

Decoration Service for Departed Brethren

Grey Lodge, I. O. O. F., on Sunday afternoon, July 3rd, held their annual Decoration Service at Durham cemetery, in respect to the memory of the brethren of this lodge and locality, who have gone before.

This year, beautiful baskets of ceranium were secured to adorn the graves of the twenty deceased brethren and these will be transplanted into an I. O. O. F. plot, recently purchased in Durham cemetery.

The lodge was augmented by eight other brethren from Mt. Forest and several from Hanover and Chesby. All marched from lodge rooms to cars and on arrival in the cemetery, formed a circle west of driveway, just across the gully. Rev. E. Hayes, rector of Trinity Church, delivered the sermon, which was attentively heard by the brethren and a large concourse of friends. Very lucidly he traced the history of the Jews as God's chosen people, down to the time of David and Jonathan, and brought out the ideal friendship which existed between these two. Bro. Bert Stonehouse impressively gave the Oddfellows' address and Bro. Peter Ramage acted as chaplain, with Noble Grand Thos. Whitmore in charge of this fine service.

A trio, Bros. Bert Saunders and T. Bell, and Geo. Bell, sang "Rock of Ages" in good harmony, while other brethren were decorating the graves. The deceased brethren are: Bro. John Moodie, Harry Kress, John McLean, Jas. McFarlane, J. McCall, Ben Warner, Dan Campbell, Geo. Wilson, Wellington Fairman, Arthur K. Smith, Jno. H. Rose, J. G. Hutton, Adam Robertson, W. CAMERON McINTOSH, M. P., ROUNDED HIS OLD DORNOCHE HOME

We had a pleasant call from Cameron McIntosh, M. P., North Bathurst and district, who has been visiting his old home at Dornoch for a few days. His work at Ottawa being over, he is here now as editor to attend the meeting in London of the Canadian Agricultural Association this week. He has made good as editor and Publisher of the North Battleford News and is making good also as a member of the Ottawa Parliament, where he has rendered good service to his country as well as a strong advocate of a distinct Canadian flag, not by any means to displace the Union Jack, the flag of Empire, but as a means of calling attention to Canada's nationhood and her place in the British Empire. He is an interesting conversationalist.
