This is your opportunity to secure highest quality at a very reasonable price. Write or phone your order without delay. Hatches Tuesday and Thursday each week. All chicks from blood-tested stock.

Large Illustrated Catalogue Free.

FISHER POULTRY FARM, Ayton, Ont

Canada's First Shippers of Baby Chicks.

FIRST OLD AGE PENSION APPLICANTS FROM LONDON

Dr. D. Jamieson, chairman of the provincial pension board, has received his first batch of documents. While it is estimated that 20,000 people will be eligible for pensions, a much greater number will apply, and Dr. Jamieson has had 100,000 application forms printed, of which 30,000 were sent last week out to various local boards already appointed. The application forms are four pages, foolscap length, and greatly resemble income tax forms. No payments under the act will be made before fall.

JULY MEETING OF DURHAM WOMEN'S INSTITUTE

Addressed by Miss Macphail, M. P.

The July meeting of the Women's Institute was held last week at the home of Mrs J. C. Hamilton. Despite the heavy storm of the forenoon there were some 30 ladies present. In the absence of Miss M. J. McGirr, President, Mrs W. P. Patterson took charge of the meeting, which was opened in the usual way. Next came several items of business, one of which was preparation for the Holstein picnic to be held in Holstein Park on July 18. Roll call was answered by 'Current Events'. The musical part of the program consisted of

community singing: a solo by Mrs T. H. Priest, who made her first appearance at these meetings and whose rendering 'Far, Far Away' delighted the audience; a duet by Mesdames Giles and Burgess 'Whispering Hope' which was also appreciated.

Mrs McGirr gave reminiscences of 'Pioneer Days,' commencing with the arrival of her father and mother to Canada in 1861, taking them 19 days to cross the ocean. Once here there were many hardships to contend with. They settled in Glenelg, 3 miles from school and 6 miles from church (and no autos in those days). They got a weekly paper and the neighbors who came to town brought it back and several would come to their home to hear the news read. Bees of all descriptions were the order of the day and brought many a good time to make up for the lack in other ways.

Miss Macphail, M. P., was a welcome guest and spoke a few minutes. She said she had no title to her address but wished to bring to the attention of the members of the institute three things: 1. Gaitre, and its prevalence; Grey Co. being credited with more gaitre than any other Co. in Ontario. She urged us to bestir ourselves to help in gringing about form, in which she is greatly interested and 3. The Liquor Question, of which we women should seek to educate ourselves and others to make our Canada a safe place for the youth and beauty of the land to dwell in. Machinery has taken away from us much of the labors of our fathers but we have other tasks before us as women. The meeting closed with the National Anthem and the hostess and her associates served lunch.

QUAKER GIRLS SOFTBALL TEAM WANTS TO MEET DURHAM TEAM

The Quaker Girls Softball team of Toronto passed through Durham on Saturday en route to Owen Sound, where they met the Lady Greys Softball squad in an exhibition feature. An extensive series of girls' softball games are being arranged by this smart Toronto squad with the leading teams in the various sporting centres throughout Ontario. The Quaker girls' team is entered in the Toronto Women's Industrial Softball League which is composed of teams recruited from the various industrial plants of Toronto. The 'candy maids' are playing sensational ball this season and are a faster team than ever before having added several new stars to their last season's line up. The Quaker Girls are anxious to include in their itinerary of out-of-town games. A game between the 'candy maids' and Durham girls' team would give the local fans an excellent opportunity to make a comparison of the class of ball being played by the town girls with that brand of ball being well performed by the fast girls' teams in Toronto. Any local girls desiring to play with the Quaker Girls, should get in touch with 'Chic' Lee, 32 Harcourt Ave., Toronto (6)

DORNOCH

July 1st passed off quietly around our burg, a number attending the picnic near Fiesherston to watch the ball game, but the rain drove the people home before the dance was nicely started.

Mr and Mrs J H Klein and daughter and Mrs Stubbs, of Toronto, motored up Saturday and spent the holi-

day week end with the Dargavel's, returning Tuesday.

Mrs J. E. Picard, two sons and their wives and families, spent the holiday at their summer home here. Mr and Mrs E. J. and Irving left Tuesday: A's living, and son, and Mrs J. E. and two grand children remained for a couple of weeks.

Mr Cameron McIntosh, M. P. North Battleford, visited his brother and sister on a few days. We are always pleased to see Cameron with his pleasant smile, as he calls on all his old neighbors and greets them with a hearty shake of the hand and a good old chat of the past.

Miss Mary McIntyre, Toronto, is spending a few days with her parents before returning to Toronto to finish her book-keeping course.

Miss Jean Ledingham who has been attending Normal School in Toronto, will spend the vacation with her parents. Later—She has secured her home school, Latona for the coming year. We wish her all success.

Mr Stanley Lowe, Niagara motored over for the holiday and visited with friends a few days.

Mr and Mrs G. Christie, Cleveland, spent a few days with Mr and Mrs E. B. Dargavel.

Dr Brules and Miss Cruse, Toronto, motored up to visit the Picard's over the week end. Mr J. E. Picard motored up from the city in a new Pontiac and presented same to wife.

How is that for a present? We hope the road will not all be taken up when she starts out.

VARNEY

We were glad to welcome Rev Mr Mersser, who preached for us the first time on Sunday last. We are looking forward to a splendid time, between pastor and people.

Mr and Mrs Stanley Telford and two daughters, Toronto, and Mrs. Saunders, Owen Sound, visited with friend's around Varney recently.

Mrs Muntz and two children, of Brantford, are spending a week with her cousin, Mrs Wilbert Blyth.

Many from Varney church attended the picnic in Holstein, given to meet and greet the new minister, Rev Mr Mersser and claim it to be one of the best picnics they have attended.

Mr Will Bogle's new brick home, adjoining his present home, is now half way up and will be a distinct asset to the farm and village.

Miss Marjorie Caldwell is in Toronto taking a summer course. Miss Esther Fetter is also furthering her educational attainments in the same line of work.

Mr and Mrs Albert Thompson and two children, of the Rocky, visited at Wm Bogle's, Sunday.

Mr Julius Kellar arrived home on Sunday from Durham hospital and while he is still feeling the effects of his severe shake-up, is also glad he came off as well as he did.

Little Milton Caldwell, son of Mr. and Mrs Harry Caldwell, 2nd con. of Normanby, was taken to Durham Hospital on Monday night, and at time of writing, his trouble can scarcely be diagnosed. The little chap's mother went to Windsor on a visit to friends Friday last and that evening he became quite sick. Mrs Caldwell has been sent for. We hope nothing serious will be the outcome.

Miss Florence Kerr has been engaged as teacher of Varney school, for the year 1929-'30.

Judge and Mrs Klein and twin children of Buffalo, have been visitors with Mr and Mrs John Marshall, 2nd con. Normanby.

Mr Harry Culmer and mother-in-law, Mrs Cristol, Kitchener; Mr and Mrs Valentine Kreller, Guelph and Mr and Mrs John Birr, Normanby, visited recently with Mr and Mrs Julius Kreller.

HAMPDEN

A few from here attended the garden party at Allan Park held in the interests of the U.F.W.O. in Mr. Thos Brigham's ideal grove, down by the river bank last Friday night. An interesting game of softball staged in the twilight hour between Mulock and Ebenezer proved the latter the winners. The gas lanterns were lit and Mr Robt Lawson, Durham, very capably filled the chair. Community singing by the young ladies of Ebenezer, then the ever appreciative entertainer, J. Langrill gave his political speech, followed by Miss Macphail and Mr Oliver. An amusing duet in two parts by Miss Bailey and Mr Brigham of Allan Park and recitations were in order from Miss Willis of Durham and Miss B. Byers, of Hampden. After a short program, lunch was served to the multitude and those who were still young indulged in dancing. Music was supplied by musicians from Mulock.

Mr and Mrs McKenzie, sister of Mr Wm Mearns, arrived home Friday evening from the West to spend a few holidays with friends.

Mr W H Sharp and Mr and Mrs J. Grieg, Shallow Lake, were thro this way Monday and visited Mr and Mrs Andrew Fulton.

Mr and Mrs M W Byers and family visited with friends near Walkerton on Monday.

Mr and Mrs Bert Rahn and Mr. and Mrs Wm Seim motored to Guelph Thursday last to spend the day with friends.

Mrs Henderson, Sr. visited with her daughter last Thursday.

Last Thursday's cloudburst and the stormy weather since is delaying those who had started their hayning.

Sheep worrying dogs have visited Mr Hugh Fulton's innocent animals a time or two lately in the daybreak hours. Hope they are soon located.

Miss Brimblecomb, Harrison, was around this way last Tuesday, viewing No 8 and securing a suitable boarding place for next term.

Canada has a motor vehicle for every nine people. Getting close to the place where the total population will be able to roll around on rubber tires at the same time.

MULOCK

Mr and Mrs Geo M. Ledingham, Mrs Jas Ledingham, the former's mother from Souris, Man. were welcome guests of Mr and Mrs A. C. McDonald last week.

Messrs Geo Brown and Donald Hastie, took part in the stock judging contest for Grey Co., held in Markdale Wednesday of last week. We wish the boys success. Mrs Erwin Brown and Miss Mildred Migher and Miss Lolita Migher, were also at Markdale.

Congratulations to Miss Mary McIntyre of Dornoch, who has completed her full course at Toronto Business College, also the winner of the gold medal for typing.

Mrs Thos. Torry had a slight operation performed upon her eye in Durham Hospital Wednesday last by Dr Bennetto, Guelph. We understand another operation will be performed later. Mrs Torry's many friends sincerely hope that these operations prove successful.

Misses Bernice Whitmore and Olive Allen were guests of their aunt, Mrs Jos. Porter last week.

The B.Y.P.U., members Sunday School and staff, children and their parents, enjoyed themselves Monday at a picnic in Brigham's grove. Allan Park. This was the final gathering of the B.Y.P.U. Society until the fall.

Mr John Adam arrived home Sunday from Durham hospital where he has been receiving treatment the past few weeks for an infected hand.

Mr Dan McDonald, Guelph, visited over the holiday with his aunt, Miss Hobkirk.

Mr and Mrs Cook, Manitowish Id., Mr and Mrs Harry McCaslin, Durham were Sunday visitors with Mr and Mrs Thos. Hopkins.

Mr and Mrs Arthur Henry, Miss Joyce and Master Calvin Henry, Detroit, visited with the former's sister, Mrs Neil McCallum.

The Allan Park U.F.W. Club met this month at the home of Mrs Jos. Porter, Mrs G. Turnbull, president, presiding. The roll call was answered by a current event. Questions on 'Citizenship' were asked by Mrs G. Mighton and answered by Mrs Jos. Porter and Miss Mary Hopkings. A paper on 'Co-operative Marketing' was given by Mrs Fred Torry. The Club was pleased to have with them Miss Macphail, M. P. and she made special reference to the pioneer women. Mrs Turnbull expressed appreciation of Miss Macphail's address and a vote of thanks was moved and seconded by Mrs Fulton and Mrs Torry. Little Edna Porter at the close presented Miss Macphail with a bouquet of roses and fern.

A pleasant and enjoyable social was that given by the B.Y.P.U. here when they had as guests the members of Walkerton Society with their pastor and wife. An interesting program was given at the close and a number of contests and games were indulged in which brought out wit and pleasant sociability. Lunch was served at the close.

Miss Inez Twamley, Durham, is the guest of her friend, Ulva McDonald this week.

Mr and Mrs John W. McKechnie and Mr and Mrs Herb Atkinson, were guests Sunday at Mr Don McKechnie's, Bentinck.

Presentation to Miss Jessie Twamley at Lamash

On Wednesday evening, July 3rd, about 150 friends and pupils invaded the home of Mr and Mrs Fred Bott, Lamash, to bid farewell and express good wishes, prior to the departure of Miss Jessie M. Twamley, who has served as teacher in S. S. No 5, Bentinck, during the past four years.

Mr John Weidendorf, called upon to act as chairman, brought the gathering to order for a time and asked Miss Twamley to come forward while the address was read and Messrs F. Bott and W. Bailey, trustees, presented Miss Twamley with a leather suitcase and wardrobe hat box to match, also silver sandwich tray and silver comport with candlesticks to match. Included with the gifts was an envelope containing a sum of money.

Following is the address read by Mr A. J. McDonald:

Dear Miss Twamley:— It was with feelings of deep regret that we learned of your decision to sever your connection with Lamash school and section. You have now been with us four years and during that time you have won the respect and esteem, not only of the pupils of the school but of the entire community by your unfailing devotion to duty, your kindly consideration and your interest in all that concerns the welfare of the section.

During the time you have been with us, you have maintained in the highest degree the efficiency of the school. The progress of the pupils has been excellent and you have gained the love and affection of all your pupils.

We have met here this evening because that time you allow you to leave the section, without expressing to you, not only in words but in some tangible form, our appreciation of what you have done for us and meant to us during the time you have been here and we ask you to accept these gifts, not owing to their intrinsic value but as a slight token of our love and esteem.

We hope you will always remember with pleasure as we shall, the years you have spent in S.S. No 5, and that you will frequently return to visit us and we wish wherever you may be the greatest success and happiness and may God's richest blessing be conferred upon you. Signed on behalf of the school board.

A. J. McDonald, Sec'y Treasurer
Fred Bott, J. Weidendorf, Walter Boney, trustees

Miss Twamley, who was taken by surprise, replied in a feeling manner, thanking all for many kindnesses shown and for the much-appreciated gifts and assured all that she would always have a warm spot in her heart for the many friends and pupils of Lamash section.

After Miss Twamley's reply, all joined in singing "For she's a jolly good fellow."

Other than the presentation a short program was given consisting of addresses of appreciation by the members of School Board and Mr F. Schmitt, Music by Messrs Tandt and Pepper, Mrs N Redford and Murray Smith and Mr H Schriener; readings Miss M Weidendorf and F. Schriener: solos, Miss N. Boyd and G. Davis; duets, Misses H. Ahrens and A. Schriener.

RUPTURE EXPERT HERE

Do you suffer from rupture? If so, your big opportunity has now arrived. Mr Reaveley, the noted rupture expert, will be at the HAHN HOUSE, DURHAM for one day only, MONDAY, JULY 22nd,

and will be pleased to give free examination to any sufferer and to demonstrate his famous appliance. This appliance will contract the opening in 10 or 15 days and has cured cases in from three to six months. This appliance is positively demonstrated to you right on your own person without any charge. You do not spend a penny unless you are fully satisfied that it is the right appliance for you. A consultation with Mr Reaveley will cost you nothing. Don't let this opportunity get away from you. Remember the date.

Guaranteed BALLOONS

.. for mighty little money

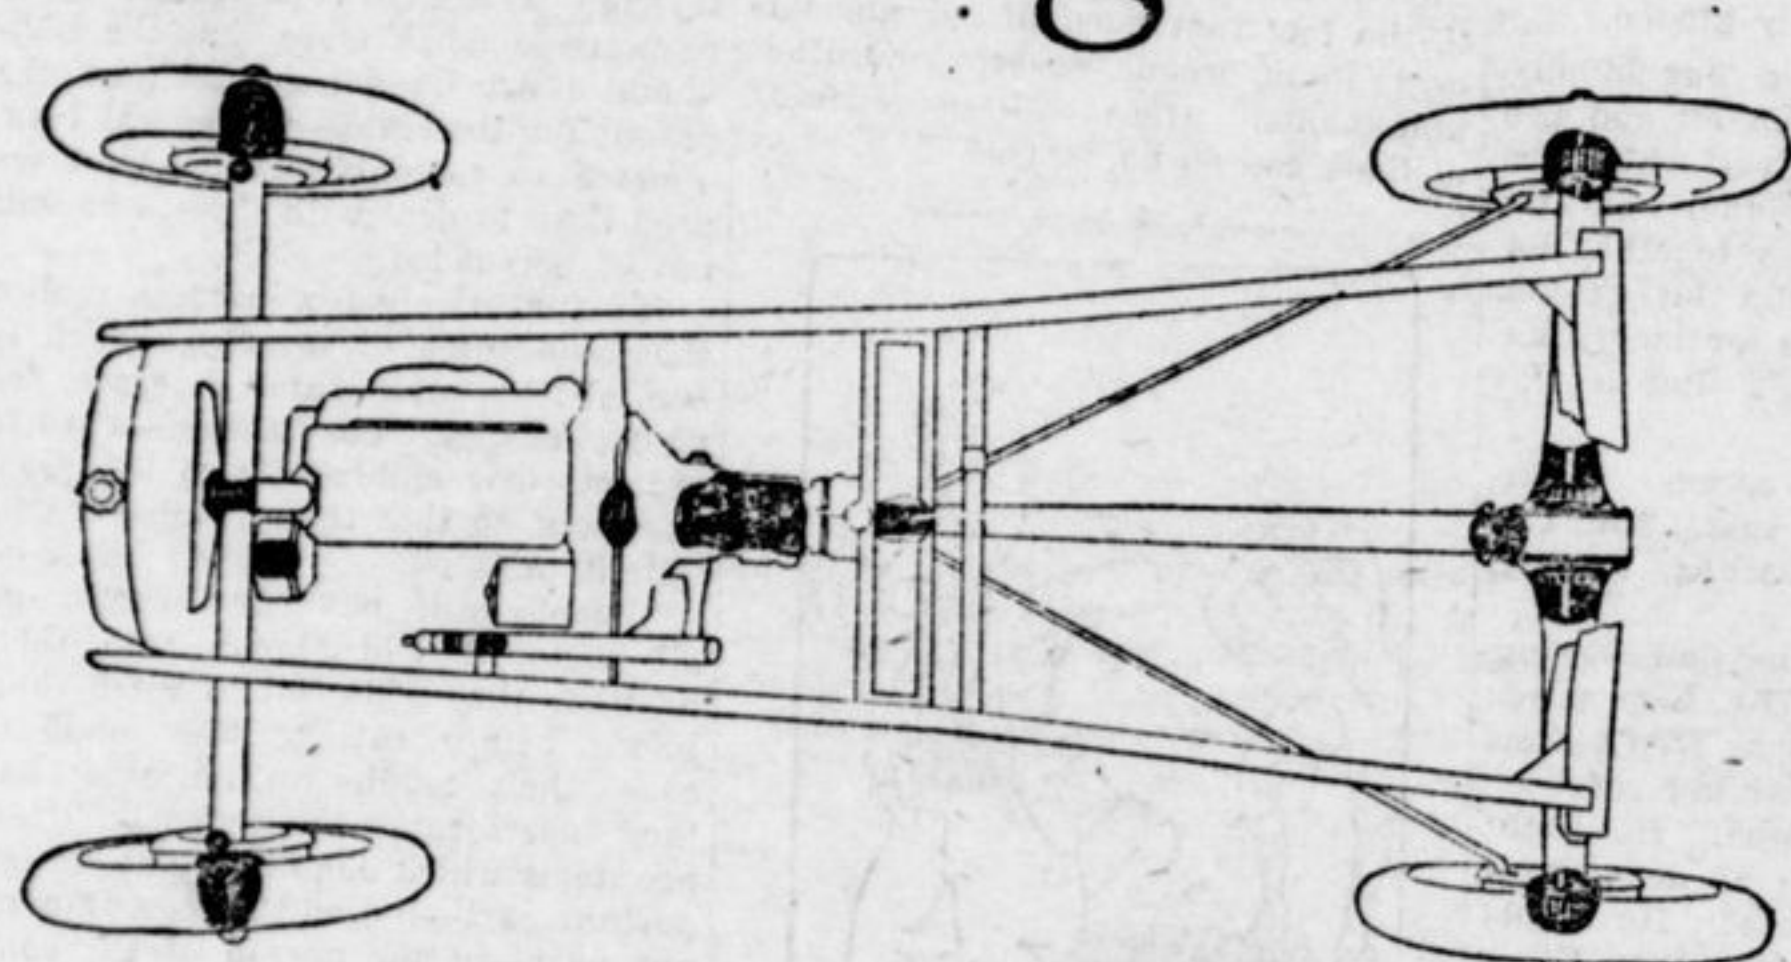

If yours is a Chevrolet, Star, Ford, Whippet or any car using 29 x 4.40 tires you can have a guaranteed balloon for mighty little money. And what a tire! Big, sturdy, tough-treaded. 24 BALL and ROLLER Bearings

Reduces Friction and Makes for Ease of Operation

Drive it Yourself—there is no Better Test

Ford Car Features

- Choice of colours
- 25 to 25 miles an hour
- 40-horse power engine
- Full balloon tires
- Fully enclosed six-brake system
- 4 Houdaille hydraulic shock absorbers
- 30 to 30 miles per gallon of gasoline
- Shatterproof glass windshield
- Theft proof ignition lock
- Reliability and low upkeep

LAVISH use of ball and roller bearings in the Ford car greatly reduce friction and contribute to easier operation and longer life of the car. Note the coasting ability of the Ford car as compared to any other automobile in its weight class.

Examination of the chassis will at once show the advantages of these bearings. On the rear axle pinion and differential all the taper roller bearings are held to such close limits that adjustment is unnecessary, pinion and ring gear always being held in proper mesh.

Spiral roller bearings are used in the rear hub because of their large bearing surface and ability to carry heavy loads. One is also used on the drive shaft at the universal joint end, to assure perfect alignment.

Taper roller bearings in the front wheels have a simple adjustment. Roller thrust bearings on the spindle bolts make for easy steering. Two bearings, one above and one below, take up the thrust on the steering worm.

The fan shaft operates on a roller bearing. The generator, the transmission, the connection between the spline and drive shafts, the clutch, the flywheel—all these important parts are made more efficient and enduring through the use of ball and roller bearings.

These bearings form a striking illustration of the engineering skill and care used in building the Ford car.
