Priest was stricken with a severe attack of gall stones and during that night suffered considerably. At time of writing it is felt an operation can be averted and it is to be hoped that there will be no recurrence.

Picnicked in Harrison Park
The Owen Sound Baptist Young People's Association, including about 20 young people from Durham, held a picnic in Harrison Park, O. Sound, Saturday last and enjoyed the day in ball games, races and eats. The same afternoon Edge Hill Sunday School picnicked in same place, when over 60 of young and old similarly enjoyed themselves.

It was decided to hold the annual picnic in Harrison Park, Owen Sound, on Thursday, Aug. 8th. The meeting closed with singing and prayer and lunch was served.

Star Nail Driver
At the recent picnic of Knox Presbyterian Church in Stratford, Dr. and Mrs. Lynn Grant were among the guests and also some publicity came their way, as Mrs. Grant was the winner of the nail driving contest for women. The Stratford daily took the lesson from Isaiah's "one" of the most amusing and feature events of the program was a nail driving contest for women. The contest drew many entries and afforded much amusement to the crowd of onlookers. The winner was Mrs. Dr. C. L. Grant. It is easily seen Mrs. Grant has had an undue advantage in having been coached by her father, in earlier days.

No. 2044 won the prize for men's competition; Ferguson, the Royal True Blue contest and Arthur the best Ladies' lodge. John Long, Egremont was adjudged best drummer.

Aged Resident Dies as Result of Fall

MRS. ADAM WEIR

Conscious to the last and surrounded by the family members, the above venerable lady passed to a brighter and fairer land on Tuesday afternoon last, about 1.30 p. m. at the age of 88 years.

Last week the Review referred to the fact that this aged lady had fractured her hip bone at the home of her daughter, Mrs. Bert Smith, in Guelph. This happened on Wednesday night and on Friday she was brought to her Durham home in a Guelph ambulance. She suffered considerably and the great shock to her system resulted in uræmic poisoning, and under the best of care and attention from her daughters, she passed away as above.

To give the life of deceased is to tell the tale of hardships endured and trials and difficulties overcome. For 80 years, the late Mrs. Weir has been a resident of 'Canada West', coming to Canada at the age of eight years with her parents and brothers and sisters from Tires, Argyleshire, in Scotland. Her father was the late Donald McKinnon. Their passage over the Atlantic was a real experience and test of the fortitude that they required in the 'new' land, for they were eleven weeks on the water. The family first settled near Ferguson, later moving to Egremont Township, on the 40th sideroad. Here was the McKinnon homestead and for many years it was the byword for hospitality and friendliness. Of the one-time large family of ten children, only one brother Hugh McKinnon of Priceville survives.

Sixty years ago she was wedded to Adam Weir, by the late Rev. Chas. Cameron, then pastor of Priceville Church, and the new home created, eventually became the well known Weir farm, Glenelg. Here by industry and hard labor, they overcame the obstacles common to pioneer farming, and the new home was built, with improved machinery, etc. and their later years have been spent among the comforts that modern science and invention have created. Fifteen years ago they left their farm home behind them and moved to Durham. Four years ago in March last, Mr. Weir passed away and now the mother has completed her life story.

They also had great sorrows in their married life, for in 1899 their daughter Maggie, passed away and in 1911 the only son Donald died, deeply mourned. The family remaining are Jean, Mrs. Wm Smith, Durham; Miss Annie, nurse, who has been her mother's constant companion; Miss Julia, of Durham High School staff; Lizzie, Mrs. Bert Smith, Guelph.

Deceased's brothers and sisters who have also 'passed on' are: Charles, Mary, (Mrs. Neil McLachlan); Allan, John, Julia, Bella, Neil, Lochie. The latter was drowned in Sauguenay River at 18 years of age in 1864. To us her outstanding characteristics were her kindness and consideration for others and the happy home circle has been sadly broken. For many years, she has been a daily reader of the Globe and her interests kept abreast with the times. She delighted in doing the daily tasks and pleased to feel she could still be of service, tho' advanced in years. While she will be mourned, memories that abide will be of one who was ever "true to the kindred points of Heaven and Home."

She has been a lifetime member of the Presbyterian Church and in the absence of Rev. B. D. Armstrong, her pastor, who is on his vacation, Rev. Thos. H. Farr, London, an old friend of deceased, from London, will be present to conduct funeral services this Thursday to Durham cemetery.

Increasing Traffic on No. 6 Highway

The semi-annual census of traffic was recorded at McClinton's corner from Wednesday, July 10 to Tuesday July 16, by Messrs R. Aljoe and Vic Blyth, between the hours of 6 a. m. and 10 p. m. The traffic is steadily gaining and we understand it is the intention of the Government to pave the highway next year between Durham and Mt. Forest, thus giving an all pavement route to Toronto and all cities of the province. The American tourist traffic is mounting up also on this highway, as over 800 foreign licensed cars passed during the week. The daily figures are:

	6 a.m. to 2 p.m.	2 p.m. to 10 p.m.	Total
Wed. July 10	172	281	453
Thurs. July 11	184	246	430
Friday, July 12	312	395	707
Sat. July 13	217	431	648
Sunday, July 14	314	223	537
Mon. July 15	194	277	471
Tues. July 16	217	259	476
Total for week			4122

A play "The Winning of Joy" a comedy drama in three acts, will be given in Russell Hall, Dromore, on Friday, July 19th. Admission 35c and 25c. Dance after. Good orchestra. Given under auspices of Onward Club.

Egremont Resident Answers the last Call

JAMES EDEN

Early Monday morning last in Durham Memorial Hospital, the above well-known citizen of Egremont, passed away. He had been brought to the Hospital only the evening previous on urgent operations, from which with stomach trouble he had been ailing for some time. But the end had come and he passed out, leaving his wife and two daughters as chief mourners.

Deceased was born in Arthur Tp., 67 years ago, son of Franklin Eden, and at the age of ten years, came with his parents to Varney, where and nearby he has lived ever since. For many years his father was Postmaster at Varney. At the age of 22 he married Miss Margaret Chapman. The union was a happy one and to them were born four children of whom survive Mrs. John Queen (Ethel), in Egremont; and Mrs. Robert Lewis (Lottie) in Normanby. A son Albert died in infancy and another, William died at 21, deeply mourned.

Others who will mourn are his brothers and sisters, Robert, postmaster at Varney; Nelson of Vancouver; Mrs. Mrs. Jas Robinson, (Hattie); Mrs. Elias Gray (Hannah), both of Toronto; Mrs. John Carson (Rachel), Kitchener; Mrs. John Davis, (Bella) of Ladysmith, B. C. Another deceased sister was Mrs. Chas Gadd. Two half brothers are also deceased.

Since marriage he lived on the 2nd con, Egremont, where he was well known and respected. He was a member of the Church of England, a staunch Orangeman which Order he joined 49 years ago, serving some time in all its offices, as Secretary, Master. He is being buried under their auspices in Maplewood Cemetery to-day, Wednesday, July 17.

To those who knew him his memory will long be green. We have known him for 47 years and ever found him an agreeable, chatty companion. To the mourners go out the sympathy of the Review and a host of friends.

Much beautiful floral bloom rested on the casket and bespoke love and sympathy. They were from wife and daughters: Loyal Orange Lodge 689, Varney; Peter Black and family; Mr. and Mrs. Jos. Robinson; Alex. Allan and family; Mrs. Elias Gray; Mrs. W. Pollock; Mrs. Colin McMillan. Among the many friends and relatives from a distance at funeral were: Mr. and Mrs. Jas Robinson, Mrs. Elias Gray, Toronto; Mrs. Carson, Kitchener; Mrs. David Gordon, Mrs. Thos. Lizzie, Wm and Arch Black and wives; Mrs. Clarence Cousin all of St. Marys.

Standard Paving Co. Gets Lambton St. Contract

The contract for paving Lambton St. from Garafaxa to the C.P.R. overhead bridge, was let by the County Council Wednesday by the Standard Paving Co. The same rate as for Main St. paving. It was for 1000 ft. from bridge to Baptist church corner and from there to Main St., width is yet unsettled. The pavement will be concrete, though if town and ratepayers approve the two blocks to Baptist church may be asphalt surfaced.

Danger and Death from Disabled Car

A disabled car, belonging to Ernest Morrison, brother to Miss Ethel Morrison, superintendent at present in Durham Hospital, was the means of a serious accident east of Egremont last week. An axle of Morrison's car had broken and he had gone to get a light, when a car with Mr. and Mrs. W. H. Thurston of Flesherton, his son, wife and children and a young man named Glocklin, age 16, of Toronto a guest of the Thurstons, ran into the disabled car, struck it and went into the ditch and turned over. Glocklin had collar bone broken and the others more or less injured. They had been at Wasaga Beach when the sad homecoming marked the day's pleasure.

LADIES' BOWLING CLUB HAVE 'HOT' TIME TOURNAMENT

The Durham Ladies' Bowling Club struck real July heat for their annual tournament on Wednesday, July 17th. Due to other adjacent towns staging tournaments the same day, the visiting teams were not so numerous. But the afternoon's sport was enjoyed and the social time well followed, equally so. Walkerton sent J. Link, Owen Sound 2, Harriston 1, Palmerston 1. First prize went to Harriston rink, Mrs. Burrows, skip, each of the ladies on the rink receiving table linen and serviettes. 2nd prize, Mikado cake plates, went to a Durham rink. The ladies on this rink comprised Miss Belle McKenzie, Mrs. Ben Wilson, Mrs. W. H. Smith, Mrs. Shirley McIntyre, skip; 3rd prize went to O. Sound's rink, Mrs. Nolan, skip. They received silver salt and peppers. The lunch was served by the ladies of the Anglican Women's Guild.

Dr. and Mrs. Theodore Fallaise of Pickering, were visitors around old friends in Glenelg and Durham over last week end. Dr. Fallaise, favored the audience in the Baptist church Sunday night with a solo, sung with all his old time appeal.

His Holiday Period Extended. While Rev. H. S. Fiddes of Queen St. United Church, is taking his annual vacation this July, it was well followed by several of his own followers as well as by a few of Knox Church managers, that it would require a full month at least to restore and bring back his health which has been in a poor state all spring. The would do much to this end, and was elected the managing boards of the two United churches met together recently, and have arranged for this to be done for Mr. Fiddes. Other supply will now be secured for Rev. Mr. Fiddes. This is a very kindly act on the part of both United Churches and one we are sure, Mr. Fiddes will appreciate to the full extent. The annual picnic of these congregations will be a united one this year, and will be held at Mr. Ernest Greenwood's grove, east of Upper Town on Thursday afternoon, July 25th.

Hutton Hill Captured Play-off

Hutton Hill and Ebenzer teams, tied at the top of Bentinck Softball League, played off Wednesday night in Durham before a large crowd. Hutton Hill winning out by 21 to 7 in six innings. The Hutton Hill triumph was not unexpected, however, as Ebenzer has lost their star pitcher, Sandy McCulloch, who had his hand bone broken in a recent game. Hopkins pitched well for Hutton Hill. W. Grierson and M. Johnston, Ebenzer's two best, were inexperienced and 8 free passes proved their downfall, as every one blossomed into runs.

Hutton Hill 1 2 3 4 5 6 runs hits ool
Ebenzer 0 7 2 2 2 7 10 runs hits ool
Umpires: C McGirr at plate; N. McWhirther, bases.

Talcum Powder Healthful

Scientists have discovered that Talcum Powder has a beneficial effect upon the skin, particularly when properly borated. It is antiseptic, soothing and healing to sunburned or chafed skin and is an excellent protection to the face and exposed portions of the body.

It is recommended that Talcum should be used freely by motorists and others who expose themselves to the sun, and as an application to the entire body after the bath, to prevent chafing, prickly heat, etc.

We recommend Nyal Talcum Powders because we know them to be absolutely pure, well borated and delightfully perfumed. We have them in a great variety of odors.
