Many from here attended the Amos Church Anniversary Services on Sunday and report a fine day and are looking forward with pleasure to this evening's entertainment.

Haying is finished and the farmers are thankful for the ideal weather granted them.

WHICH KIND—THIS ONE?

"Third Notice." Every editor has received them. The postmaster sends them to the editor. The postmaster is not to blame. For instance, there is a man by the name of—well, say Tom Shier, who sent us three notices to stop his paper. He did not want it any longer; we wondered what was the matter. Upon investigating our subscription list we found that Tom was short \$5.70. He had never paid a cent and yet he stopped his paper as a matter of economy—to us. A few evenings ago we stepped into church and Tom's melodious voice rang out clear in song, "Jesus paid it all." We may have been mistaken but his earnestness impressed us. The next day we sent him a receipt in full, begging his pardon for not knowing that he had made an assignment of his liabilities to his Lord.

Or this One?

How dear to our hearts is the steady subscriber

Who pays in advance at the birth of each year.

Who lays down the money and does it quite gladly.

And casts round the office a halo of cheer.

He never says "stop it, I cannot afford it."

I'm getting more papers now than I can read."

But always says "Send it our people all like—

In fact we all think it a help and a need.

How welcome our cheque when it reaches our sanctum.

How it makes our pulse throb: how it makes our heart dance.

We outwardly thank him: we inwardly bless him—

The steady subscriber who pays in advance.

County Institute Convention at Williamsford, Aug 15.

On the 15th of August, Williamsford will be hosts to a large assembly of members of Grey County Women's Institute, for on that day the County Convention is to be held in the Evangelical and Presbyterian Churches.

That these churches will be taxed to their utmost capacity and beyond, is now evident, as in Knox Church, Durham, over 500 attended in 1928. Institute work has grown to great proportions in Grey County and now a branch flourishes in most of the rural districts.

Hence, what is of interest on the program to the members from the north of the county, is of the same interest to the South Grey branches. We are giving the program for their benefit:

Morning Session 10 a. m. Opening Ode Scripture reading, Mrs J. S. McIlraith, Durham

Prayer, Mrs R. E. Brown, Meaford. Address of Welcome, Mrs Collins, Williamsford.

Reply, Mrs Harold Wilkinson, Clavering. President's Remarks, Mrs L. Danard Minutes

Discussion—New Business Election of Officers Community Singing Reports of Districts—Centre, South and North Grey

Solo, Mrs Jas. Caesar, Arnott. Address, Mrs E. Holliday, Mt Forest "O Canada"

Afternoon Session at 2 p. m. Chairman, Mrs Danard "Nearer my God to Thee" Address, Mrs H. Downs, Centre Grey Representative, Flesherton

Violin solo, Miss L. Sharpe, Dornoch. Address, "Peace", Mrs W. T. Moffat, North Grey, Dognor. Community Singing Collection, "Goitre"—Dr H. G. Murray, Owen Sound.

Discussion or Questions Address, "Progress of the World..." Mrs Danard, O Sound, Federation Representative for Dufferin and Grey. Temperance Essays and Prizes "God be with you till we meet again."

It is phenomenal when a ball team plays better away than at home. It is even more phenomenal when a man plays better at home than away. Most men have their style cramped on the home green.

CUT DOWN: It was the little girl's first visit to church and she seemed particularly to admire the surplised choir. When she got home her father asked "Well, what did you see?" "Oh daddy" she said "it was beautiful: there was a lot of little boys and they were all made out of old vicars."
