## TOWN TOPICS

Roomers Wanted: Accommodation for two, High School students preferred. Apply at Review Office.

The Ladies' Aid of Queen Street United Church, are holding a concert on Sept. 23rd. Particulars later.

Mr. Chas. F. Lawrence, B. A., principal of Fleshertham High School, has been accepted as Principal of Acton High School, at a salary of \$2500.

Rev. Elwood Lawson, late of Morristown, has been inducted into the charge of Westminster United Ch., Mt. Forest. The 'Confederate' in its write-up of the event, says: 'Both Mr and Mrs Lawson come to Mt. Forest preceded by very gratifying reports as to their capacity and genuine worth and a happy and prosperous pastorate is in prospect.'

Rocky Club hold Weiner Roast  
On Monday night the Rocky Saucer U. F. Y. P. O. Club held a weiner roast in Robt. Lawson's grove, north of town, when about 400 people gathered. A large bonfire illumined the grove, surrounded by the young people who indulged in community singing and rolls and toasted weiners. At the close an informal dance was enjoyed.

Operations at Hospital  
Operations are numerous at Durham hospital since last issue. Miss Florence, daughter of Mr and Mrs S. Patterson, North Egremont, underwent an operation Tuesday; Mrs. Barber, Toronto, Monday; Miss Bernice Koenig, Hampden, Mr John Pierson, Miss Hortense Hopkins, Hanover; Miss Jean Harding, all minor operations, also little son of Jack Pierson. Mrs. Jas. Parzavari, Rock Mills, was a patient for the treatment of quinsy. Mr D. McDonald, Durham Road, Glenelg, is also a patient of the hospital.

Dundalk P. O. has new Machine  
Within the past few days there has been installed in Dundalk Post Office, a Columbia cancelling machine, which will save considerable hand-stamping work for the staff in the office. The machine is run by hand and stamps letters nearly as fast as the eye can follow along. It will be a great time-saver, especially during the season of heavy mails. Very few offices outside of the larger towns and cities have such machines.—Herald.

Change in Millinery Business  
The sale of the Hopkins Millinery stock and business was effected on Tuesday by the proprietress, Mrs. H. Dalgarno, to Miss Eva Sproule, a Collingwood young lady. Miss Sproule already has a millinery parlor in that town and will run the Durham business in conjunction with it. She has removed the balance of the Hopkins stock to the Collingwood store, and will open up in a week or two here with an entirely new stock. Mrs. Dalgarno (formerly Miss Frances Hopkins) has been in business here for slightly over three years and has had a splendid patronage.

Will Occupy United Pulpits Sunday  
Next Sunday, Aug. 18, Rev. W. H. Hill, Congregational pastor at Oak Park, Illinois, at present visiting relatives here, will occupy the pulpit of Queen St. United Church at 11 a. m. and Knox at 7 p. m. These are union services between the two congregations. Rev. Hill will also preach at Zion at 1:30 and at Hampden at 4 p. m. Many friends of Mr Hill in town and neighborhood will welcome the opportunity of again hearing him. It is expected Rev. Mr. Fiddes will be home to take union services the following Sunday and in much improved health after his extended vacation which the congregations kindly granted him.

Knox W. M. S.  
The August meeting of the W. M. S. of Knox United Church, met in the schoolroom of the church, on Thursday, Aug. 8th, with Mrs. Mather presiding. The meeting was opened with Hymn 599 and the Lord's Prayer in unison. The visitors report was given and after hymn 494 was sung, Mrs. John McQueen read the Bible lesson from Romans 8th. Prayer was offered by Mrs. McFraith and Miss Margaret McGillivray. Mrs. Thos. Brown read the Devotional Leaflet 'The Christian Stewardship Commandments.' The roll call was answered with a verse on 'Treasures', after which Mrs. W. J. Derby took the topic, a thoughtful address on 'Doing and Dreaming' showing the great changes made in the lives and habits of the natives who became Christians. In 1880 three solitary men pitched a tent amid a tropical thunderstorm; in 1927 the little band had become thousands. Hundreds of schools with thousands of pupils and corresponding congregations worship in the churches on the Lord's Day. These facts show the good work done in Angola. The meeting closed with Hymn 663 and prayer by Mrs. Allan.

## 34 ft. Asphalt Pavement Agreed Upon for Lambton East

A special session of the Town Council was held Tuesday evening, the main business being to finally decide upon the width of the new pavement on County Road—Lambton East of Garafraza. At last Council meeting, the Board decided by a 4-3 vote in favor of 34 ft width against a 30 ft. Petitions then asked a 30 ft asphalt pavement between Albert and Elgin Sts. and a 30 ft concrete between Garafraza and Elgin. It was urged that pavement of both blocks be uniform width and material. Since then a joint petition of property owners fronting on both blocks has been circulated, for a 34 ft asphalt pavement on Lambton St. between Garafraza and Elgin. This was signed by all but three of the owners interested and presented to Council Tuesday. Accordingly a motion stipulating the 34 ft. width asphalt from Garafraza St. to Elgin St., and 20 ft width concrete pavement with 4 ft gravel shoulders each side, from Elgin St. (Catholic Church corner) to C.P.R. bridge, was presented and carried unanimously.

This was filled out as Bylaw No. 886, given its several readings and passed. The frontage tax cost of new pavement will be 23 6-10c per foot for wider asphalt section, and 2 8-10c per foot for gravel shoulder section. The County and Province assume expense of central 20 feet.

Mr W. Snell addressed the council, stating that owing to lowering roadbed on Lambton St., water pipes would have to be laid deeper, at least 4 1/2 feet down, to ensure against freezing, and 2 or 3 weeks time would be required for this. The Board of Works was authorized to take it up with Mr Brown of the Standard Paving Co.

The pavement question for Lambton West and Bruce Sts., now a connecting link of Prov'l Highway, was again before the Council, but the drainage problem for Bruce St. and width of pavement desired must be agreed upon by the ratepayers bordering on these streets. We understand a petition is in circulation and being generally signed, and for a 28 ft asphalt pavement. The approval of the Gov't would be required for this. The Board of Works was authorized to take it up with Mr Brown of the Standard Paving Co.

For a concrete base, asphalt top pavement on these streets, annual cost per foot frontage for 20 years, is as follows:  
20 feet—14 5-10c per foot  
24 feet—20 5-10c per foot  
28 feet—24 5-10c per foot  
—30 6-10c (from Wolfe's corner to Furniture Factory)  
34 feet—31 7-10c per foot  
40 feet—39 8-10c per foot

As the main street pavement will be completed and open its entire length after this week, Coun. Noble suggested arranging for an official opening and not wait until Lambton St. is paved. The town had suffered in loss of business while the street was closed to traffic at various times and an opening was a good advertisement. Coun. Whitmore felt the same and suggested a week from Thursday as a suitable date. The Mayor thought it perhaps a little early, but others advocated it as soon as it could be arranged. Hon. G. S. Henry, Minister of Public Works will of course be invited to officiate, and he is to be communicated with at once to ascertain if this date is suitable to him, or if not, to suggest a date which may be.

## QUEEN ST. MISSION CIRCLE PICNIC AT HARRISON PARK

The Queen St. Church Mission Circle held their annual picnic in Harrison Park, Owen Sound, on August 8th. It had been planned to spend the early part of the afternoon at Balmy Beach, but as the weather was cloudy, the picnicers decided to spend the time in the Scenic City. Some went shopping, while others preferred to become better acquainted with the city. At 5 p. m. the picnicers began to assemble in the beautiful park. A beautiful lunch was spread and after all had feasted on the good things, a well matched baseball game was enjoyed until darkness descended. Much appreciation was felt for the President, Mrs. R. H. Binlan, Miss Belle Weir, Toronto, who did much for the success of the day. Also the Circle wish to thank the owners who so kindly conveyed them hither.

Experts at Sir Francis Drake's game  
Meaford has a lawn bowling team, comprising 79 men, whose ages average 79 years. It would appear that age is essential in Meaford, to be a skillful player. In Durham, we also have some good ones and for enthusiasm in a game, give us Jack Hunter or Tommy Goodchild.

## Binnie Descendants Honor Forefathers

Large Family Gathering of Above Clan at Mrs John Bell's on Wednesday of this week.

In the Parliament Buildings in Charlottetown, Prince Edward Island, is erected a bronze tablet to the memory of the Fathers of Confederation. On it is inscribed:

"Providence being their Guide, They builded better than they knew" Thus to-day, we pay homage to other nation moulders and builders—Mr. and Mrs Thomas Binnie, and whose descendants were gathered, in their first re-union to keep alive the traditions and memory of those, who 'tho' gone before, yet speaketh. On Wednesday of this week their children, grandchildren and great grandchildren of the founders of the family tree in 'Canada West' gathered at the home of one of the daughters of the honored couple, Mrs John Bell, Pine Hill Farm, Glenelg, and in song and story and speech, the heroic mould of the past generation was set forth, and also the advantages that are ours to-day as a result of early sacrifices and denials. The sundry blessings which follow them that fear God, is plainly evident, when with David of old, they were assured they "would see their children's children and peace upon Israel."

On Wednesday, the day in question, 109 descendants and the "first laws" of the family met for the first time as a family gathering and it would be a difficult matter to assemble another crowd of such proportions from the same radius covered. Photographer Kelsey was there and "took" several sittings of the large family gathering. In the direct descendants of Thos. Binnie and Isabella Cranston there have been 18 teachers, 2 ministers, 1 doctor, 1 editor, 1 art specialist, besides the numerous number who follow the plow.

The weather man was inclined to be dubious all day as to whether he should send sunshine or rain and at intervals sharp splashes of rain came down. But the Binnie household held the crowd well in these intervals and no discomfort ensued. A program was arranged and in this section of the afternoon's events, C. McCracken, C. McGillivray, B. McKechnie, M. Matthews, F. Meloshe, M. Moore, W. Middleton, G. Saunders, M. Storey, W. Thompson, T. Turnbull, A. Walker, J. Watson, B. Whitmore, H. Young.

Form I Medal awarded to Genevieve Saunders.  
Form II Medal awarded to M. Leith.  
Form III Medal awarded to M. Leith.  
Form IV Medal awarded to M. Leith.  
Form V Medal awarded to M. Leith.

O. Sound Millionaires won from picked Durham Team  
In a good softball exhibition Tuesday evening, O. Sound Millionaires team was victorious over a picked team from Durham town league—11 to 4 in a 7 innings game. Durham held the visitors down in all but 4th and 5th innings when they secured 4 runs each. The Millionaires exhibited some sharp fielding and were as well dangerous hitters. Durham's fielding was much superior to their batting and good work in the field held down the Northerner's score. Boomer pitching for the Millionaires, had the locals baffled at the bat, while his successor Garvie, in last two innings was also an enigma, with his varied deliveries. Between them they struck out 8 of the locals and only 4 safe hits were garnered off their deliveries, one a homer by Ken Wilson which brought in two runs.

Albert Westlake twirled the entire game for Durham, with K. Wilson catching. The others were Sparring, 1st; Schutz, 2nd; Huggill, c. f.; Smith, 1. f.; Elvidge, s. s.; McEachnie, r. f.; Matthews, 3rd; McDonald (batted for Westlake in 7th).

Millionaires—Edmundson, McLean, Haston, Whitfield, Rivers, McLellan, Polinton, Boomer, Garvie, Kearns.  
Umpires—C. McLachlan at plate; N. McFraith, bases.

Score by Innings:  
1 2 3 4 5 6 7 tot.  
Owen Sound 1 0 0 4 4 1 1 11  
Durham 1 2 0 0 1 0 0 4

## Mrs. R. Moore Injured in Auto Crash at Rocky

While Mr and Mrs Russell Moore and little daughter were returning to their home in Meaford Sunday evening about 7 p. m. after visiting their parents here, Mr and Mrs Ab. Crutchley, they met with an unfortunate accident just north of Rocky Saugeen bridge. While driving a Ford coupe up the grade there, Durant car containing the Breeze family of Chatsworth, suddenly dove into view coming south and a collision ensued.

The Breeze family in heavier car, escaped practically unharmed, but Mrs. Moore sustained most serious injury. It is thought her hip had been dislocated and went back into place as it has been very painful. She also suffered minor cuts about head and eye and scratched face. Taken at once to Durham Hospital, her wounds were attended to, and Wednesday night she was sufficiently improved to remove her to her parents home here, where she will be an invalid for some time. Mr Moore escaped with a hand gash requiring 2 or 3 stitches, while the little daughter suffered a cut below the eye and scratched face. The Durant car was towed back to Chatsworth that night and the Ford here. Both were considerably damaged but Mr Moore's car was ready to drive home to Meaford a couple of days after.

#### ROBERTS — McGillivray

At the residence of her mother, Mrs Thomas McGillivray, on Monday, Aug. 12, at 1 p. m. Miss Christina Helen (Christie) McGillivray, became the bride of Mr Edwin T. C. Roberts of Campbellford. The ceremony took place on the lawn of the home and was performed by the bride's uncle, Rev. James Binnie, Toronto. Mr Jno. McGillivray gave the sister away.

For this momentous occasion, the bride chose a maroon blue georgette dress, the only ornament worn being a rope of pearls. She carried a showy bouquet of bridal roses, from which streamers were suspended, in which were knotted white carnations. During the ceremony the bride's little niece, Margaret McLean, Shelburne, was in attendance, looking a sweet figure in floral printed silk.

Following the ceremony good wishes were bestowed upon the happy couple, followed by a buffet luncheon. The dining room table was prettily decorated with sweet peas and centred with a striking 3 tier wedding cake. Rev. Jas. Binnie proposed a toast to the bride to which the groom briefly responded.

At 3:30 p. m., the bridal couple left by motor for Lake Rosseau, Muskoka, where the honeymoon will be spent, the bride donning a sport suit of Maryland crepe, tweed coat and matching hat.

Many beautiful gifts attested to the popularity of the bride and groom. The bride is a native of Glenelg Township, received all her High School work in Durham and Owen Sound Collegiate where she won the McKay medal for oratory. She has been a successful teacher for some years and her friends predict for her as successful a career in the School of Household Science. The groom is an electrician and holds a good position at Campbellford.

The wedding guests were confined to relatives and a few close friends of the bride. Those from a distance were Rev. Jas. Binnie, Toronto; Mr. Thos. Binnie, Trail, B. C.; Mr. and Mrs Ernest McGillivray, Oshawa; and Mrs T. H. Watson and three sons, Galt; Mr and Mrs J. C. McLean, and children, Shelburne; Mr Sandy Grant, B. A., Toronto; Miss Myra McLean, M. A., and Miss Evelyn Brownlee, Owen Sound.

The Review wishes the young couple much happiness in their future home at Campbellford.

#### Juveniles Lost Round

In Fergus last Saturday, Durham Juveniles lost the return lacrosse game 5-0 to the home team, and 3, they win the semi-final round by 6 goals. Durham has some excellent lacrosse material, but with only a few days effort to get into condition, the boys had little prospect of vanquishing a well trained team. District games and the lacrosse atmosphere are sadly lacking nowadays and until more and earlier local and district interest is evidenced, there are small hopes of any revival in the old national game.

#### Felt Earthquake Shock

It is a rare occurrence when Old Ontario experiences an earthquake shock, and for Durham and vicinity, it is something previously unknown. However about 6:30 a. m. last Monday, several in Durham felt the quake reported that day in the dailies and tell of feeling their beds shake and dishes rattling. Jno. Weir, North Egremont, was lying awake in bed, when he noticed a vase shaking on his washstand, but on arising nothing was noticed to cause this vibration. His neighbor, Mrs Geo. Hargrave also felt a shaking sensation in her bedroom, but could not attribute it to anything.

#### Main St. Paving will be Completed this Week

It is expected that by Friday night or on Saturday at latest, the final stretch of asphalt laying on Garafraza St. (from C.P.R. crossing to F. Office) will be completed and the next day, main street will be thrown open its entire length, without a detour. The Standard Paving Co. have made good progress the past week or two with laying the finishing when face, and are making a splendid job, leaving as smooth a road bed as can be found anywhere.

This past week their gang has also been at work excavating the surface of Lambton St. east in readiness to lay a similar pavement there. The street is now closed to traffic between Albert and Elgin and east from Kin-cardine St. to bridge, and vehicles must detour via George St. past McGowan's mill.

A scientist declares that man's beginning was an accident. Yes, and his finish is getting to be that also.

A lucky man is one who, when he has one foot on a banana peel, has the other foot on a wad of gum.
