KNOX CORNERS

At our service Sunday, Rev. Mr. Purnell gave us a good sermon when he spoke of the Apostle Peter and his denial of his Lord and how the Master looked upon him. From that day Peter had victory over sin and temptation and was a mighty power in winning souls. Many of us may be ready to criticize Peter and yet by our thoughts and words and actions, we too, may be denying our Saviour.
Mrs Andrew Marshall and Mrs C. McAllister sang a duet and Mrs Gordon (Mr Purnell's sister) a solo and was much appreciated. We are always glad to have Mrs Gordon with us to help in the service of Praise.
Rev. Mr. Little, a son of Rev. Mr. Little, Hanover, will take the service next Sunday.
Mr and Mrs Albert Marshall and Miss Myrtle went to Toronto Saturday to spend the holiday and take in the 'Ex'.
Misses Esther Petty and Mary McAister leave Monday for their respective schools and Miss G. McAllister resumes her duties at No. 1.
A large number attended the meeting in the church Friday evening to hear the missionary program put on by the Women's Auxiliary and Mission Band. A Pageant, consisting of Bible readings, stories of Bible women such as Queen Esther and a number of our own hymns sung at intervals between the parts. Also a most interesting and instructive dialogue, showing the great financial need of Christian hospital worker in India, its motto being that if we deny ourselves to give to the Lord we shall surely be rewarded. Several choruses by Y.W.A. and Mission Band and a duet by Misses Margaret and Esther Petty, 'Ashamed of Jesus' did considerable to brighten the program.
Miss Mary McAllister gave an interesting talk on her trip to Europe. Mr Purnell was chairman and spoke briefly in praise of the program and in the talent that might be used in things worth while. A silver collection at which over \$11 was taken, will go to Missions. Lunch was served at the close. A vote of thanks was given to Mrs C. McAllister, Pres. of Y. W. A. and all who had helped in getting up the programme.
Mr and Mrs Arch. Watson and daughters Stella and Jean of Detroit, arrived Saturday to spend over the week end with his brother and family here and with friends in Markdale.

CANADA EGG EATING NATION

Statistics show that Canadians are the world's champion egg eaters. Last year the per capita consumption of eggs reached 31.65 dozens. In fact, the latest figures available would indicate that the average Canadian consumed four eggs for every three consumed per capita by the people of the United States.

WHO GOT THE LIQUOR?

Some loud talking on the street on Tuesday evening elicited the information that Mr.—A.B. had just returned from the county town with some juice calmly reposing in the back seat. He stopped in town to do some shopping and on returning to his car the liquor had vanished. Of course he had strong suspicions as to who had short circuited his goods but all his threats and big talk failed to scare any person into returning the gloom chaser back to the car. Was he mad?—Creemore Star.

What table do we all have to sit down to at school? The multiplication table.

A CROOKED OLD GAME

(Renfrew Mercury)
"About thirty grandchildren of Betty and Hannah Baker, daughters of Col. William Baker of Pennsylvania, were expecting to share in the dividends of a vast estate. The heirs resided in Canada and Northern New York, one of them having her home in Renfrew." Thus runs an excerpt from Mercury files of 50 years ago. It shows how long ago it is since "the Baker millions" game was invented by United States tricksters, who through it have got tens of thousands of dollars of good Canadian money. The same old game still goes on today, under a new name. There are no such fortunes tied up, either in the United States or in England. It may be that down in Southern States or over in Australia, mythical fortunes in Canada are used as a bait by men desirous of making easy money and not caring how dishonestly they act.
The Youth's Companion for many, many years a national magazine of high standing in United States, has now been taken over by the "American Boy". We hope the standard is as high.
