Navy is Essential

Would Mean British Inferiority

WINNIPEG SPEAKER

Britain Growing in Wealth, Health and Power, He Says

Winnipeg.-Speaking here recent ly, Rt. Hon. Winston Churchill, former Chancellor of the Exchequer, in the Baldwin Government, declared that most people were under the impression that Great Britain was down and out, and had seen her best days, but the Baldwin Government, arrived in

"Britain," he asserted, "Is steadily in his own characteristic Churchill growing in wealth, health, power and education. There never was a time of such prosperity."

Referring to the "dole," Mr. Churcher of our race, man-power and en-
