Before leaving to train for a nurse, Miss Lenore Reay, daughter of Mr and Mrs Jos. Reay, Bentinck, was the recipient of a beautiful handkerchief shower from the young people of Allan Park and Ebenezzer communities, at her home on Thursday of last week. After the parcels had been opened, and the verses read, Lenore made a fitting reply. A dainty lunch was served and the remainder of the evening spent in games and dancing. Always taking an active part in sports and literary gatherings of the neighborhood, Lenore was a popular maiden, and all wish her success in her new activities as nurse-in-training at Royal Alexandra Hospital, Ferns, which she assumed on Oct. 1st.

On Tuesday evening, Mrs McCormack entertained a few other old friends in Miss Davidson's honor.

Robt. Pettigrew returns to Victoria
Mr Robt. Pettigrew has returned to Victoria, B. C., after the summer spent among his family in Sask. He relates his mother is quite well and smart and goes on to say: "We had a fine crop: our wheat went 10 or 12 bus. to the acre, oats rather light, but on the whole not much to complain of for the dry season. Potatoes are a fair crop too at Biggar. Our daughter and son-in-law at Stony Beach has a severe loss in having two large barns with silos with all their feed for cattle and horses and 8 horses burned. Adam Pettigrew's crop north west of Biggar averaged 14 bus. to the acre. I was glad to hike back to Victoria when it commenced to get cold."

Fined for not Stopping
Before Magistrate Spereaman in the Town Hall Friday afternoon, two cases were tried which attracted widespread interest. One against Geo. McMeekin was dismissed for lack of evidence and in the other against Robt. Campbell, three charges had been laid: being intoxicated in charge of a motor vehicle, reckless driving, and failure to stop at scene of an accident. Campbell was released from Owen Sound on night of Sept. 24th, with a truck carrying machinery for Durham Furniture Co. and near Rockford, he struck two cars meeting him, crumpling a rear fender of each. Campbell was unaware he had hit the autos, being blinded by lights, but Thos. Saunders who accompanied him, told him of hearing a 'click' whereupon Bob stopped to investigate a few hundred yards further on, but in the darkness, could see nothing wrong with his truck and looking back, stated the cars he passed seemed to be moving on. The preponderance of evidence heard, showed him to have been strictly sober on the occasion, and the magistrate dismissed the first two charges against him, but fined him \$25 and costs, totalling \$44.20 for failure to return to the scene of the accident.

Lost Valuable Horse at Unguarded Bridge

Returning home from Ayton Fair last Saturday, Mr James Picken met with a serious accident when he drove his team on to the Wetlaufer bridge on the Neustadt sideway in Normandy Tp. A new bridge had recently been placed here, but sides had not been filled in and when the bridge machinery had been removed a few days previously, the barricades were taken away and not replaced. In the darkness with no barricade or light showing, Jim drove his prize-winning team into the hole at side, a drop of about 7 1/2 feet. On the brink he managed to save one horse from severe injury and it escaped with cuts, but the other struck the cement bridge and was killed. Jim suffered several bruises in the face in the melee, while extricating the animals.

The dead horse was a heavy draft, 3 years old, weighing 1700 lbs. and a prize winner at several fall fairs, winning nothing else but last, when shown on halter. With its mate, which was saved, the team this year had taken 1st at Ayton, Neustadt and Midway Fairs and 2nd at Hanover. Mr Picken holds Normandy Township liable for the loss, and is negotiating with them for a settlement. We understand he is asking \$265.00, which sum he refused last Spring for the horse.

Pool Room Plundered of Smokers' Supplies

A daring robbery took place early Friday morning, Oct. 4th, when the store and stock room of Hastie's hard parlor was broken into and almost \$400 worth of cigarettes and other stock carried away. The thieves gained entrance by prying back the lock of the front door and forcing it open, after previously attempting to cut bars across a rear window to gain access there. Once inside they evidently knew the run of things, for they cleaned out all the cigarettes in show cases except one brand not popular with them, a number of pipes, ash trays, package tobacco, etc. No cigars were taken. In a large cupboard in a room at rear, was kept a large supply stock of cigarettes, etc. and these were all gone as well. About 18000 cigarettes were taken in all. The burglars left no clue as to their identity. It is a serious loss to proprietor Alex Hastie, as though stock was insured against fire, there was no provision for theft.

Many Radio Stations linked to give Hon. Sinclair's speech

Five radio stations will carry to all parts of the Province the address of Hon W. E. N. Sinclair, the Ontario Liberal leader, which will be delivered at the great Liberal Rally in the Armouries at Oshawa on Wednesday ev'g, Oct. 16th. These stations are as follows: CFCA, Toronto 357 M 580 Kc; CFRB, Toronto, 312 M. 960 Kc; CIGC, London, 330 M 910 Kc; CNRO, Ottawa, 500 M Kc and CKPR, Midland, 268 M. 1120 Kc. Mr Sinclair is following the precedent of Canadian and British statesmen in delivering the most important message of the campaign in his own Riding, Ontario South, and Liberals from all over the Province are planning to be present. Motor parades and bus parties are being organized in the adjacent Ridings and from the city of Toronto, while groups are coming from more distant points. The meeting will start at 8 p.m. under the chairmanship of W. A. Dryden, Pres. of the South Ontario Liberal Association, while the broadcast of Mr Sinclair's address will commence promptly at 9 o'clock, Eastern Standard Time. Another feature of the meeting is the installation of amplifiers which will carry the program and speeches to all parts of the large hall and also outside the building.

Rev. W. H. Smith, B. A., will conduct Anniversary Services for Rev. Mr Courts of Markdale next Sunday, the latter preacher occupying Knox pulpit.

W. M. S. THANKOFFERING AT MRS COLIN MCINTYRE'S

On Tuesday afternoon, the United Women's Missionary Society of Dorchester, held their Thankoffering at the home of Mrs Colin McIntyre. A large gathering of nearly 40 ladies, the majority coming from Knox Church Society, Durham. The speaker of the afternoon was the Presbyterian President, Mrs (Dr.) W. D. Staples of

Hanover who took for her topic 'The Chinese in Western Canada.' The speaker traced the incoming of the Chinese to our shores from the year of the gold rush to California in 1849 to the present time. In 1885 at the building of the C. P. R., Chinese were welcomed to this country as cheap labor and the influx since has been so rapid as to cause alarm. The speaker deplored the attitude of B. C. legislation in restricting these Orientals, the privileges of education the white people receive in that province and claimed that it was not making for Canada that good citizenship that would otherwise be the outcome, were they trained in Canadian ideals. She also spoke on the need of more hospitals in Western Canada and the great work yet to be accomplished in this respect.

Mrs Jas. Mather, Pres. of Knox W. M. S., presided throughout the afternoon. A duet was rendered by Mrs Bert Stonehouse and Miss Margaret L. Hunter and a solo by Miss W. Blyth. At the close of the meeting a bountiful lunch was provided by the Dorchester ladies. The Thankoffering collection amounted to \$33.00.

Council had Quiet Session

There was little business of importance, other than passing accounts, before the Town Council Monday evening. A request from the Library Board, requesting bank to the north of building cut away or retaining wall built to prevent water running into basement, was tabled, the Council considering the town to be under sufficient expense at present, and this might be undertaken by the Board from their grant.

The Bell Telephone Co. was granted permission to trim trees to string cables, under supervision of Board of Works. Accounts totalling \$803.71 were passed, also a hospital grant of \$75. The I. O. D. E. were permitted to extend town hall stage temporarily, to provide more accommodation for their drama 'Mary Queen of Scots', which they will present shortly.

Tragic Death of Bert McLeod

Killed in Car Accident at Priceville, on Friday last

While driving his car on Friday afternoon last in Priceville, Mr Bert McLeod came to a tragic end. He was proceeding to the station from the garage in the village, to procure a trunk for Mr James Fax, the entertainer at the evening Fall Show concert, when he apparently lost control of his car, for it ran into the ditch on right hand side of road, the left hand wheels striking a post or some obstacle, stripping every spoke off the hubs and otherwise badly damaging the car. McLeod had been thrown from the car and was instantly killed. Observers at the station saw him coming at a brisk pace, but no one can tell just how it happened, whether something went wrong in the car, or whether he lost control. He was picked up in short order but he was dead, and with blood over his features.

McLeod was 26 years old and for some weeks had been employed at the garage in the village. It is said he was regarded as a careful driver. The coroner was quickly on hand and took some evidence. Deceased's mother, Mrs J. D. McLeod and a sister lives in the village. A brother Herbert saw service in the Great War and is now in a sanitarium in London. Mrs Robt Wilson, Durham, is a sister and another sister, Mrs Wellwood, lives in Dundalk. The tragedy threw a gloom over the village in the evening and sympathy was expressed for the relatives.
