Will Sell Poppies
Canadian Greys' Chapter, I.O.D.E. will again this week end dispose of the national flower of Flanders—the poppy. It is a small talisman but is nevertheless a symbol of the departed, who lie sleeping on Flanders' Fields. Least we forget. Buy a poppy and aid the crippled soldier who returned to Canada.

Appreciates Miss Macphail
Wm. Bone, Minneton, U. S., in remitting for Review says of our local M. P.: "We enjoy Miss Macphail's letters so much. She is a bright woman and has visited our country so often now that we feel as if we had a claim upon her. She has never got so far West as where we live. Only wish she could come out and address our Study Club in Beardley."

Knox Ladies' Auxiliary
The regular monthly study meeting of Knox Young Woman's Auxiliary was held on Monday evening, Nov. 4th, in the schoolroom of the church. The meeting opened by singing "Come ye thankful people, come," after which Miss Margaret Lennox led in prayer. The scripture lesson, Luke 10, was read by Miss Barbara Ritchie. Various items of business were discussed and it was decided to hold a Crokinole social on Monday evening, Nov. 25th. The devotional leaflet "Who is My Neighbor?" was read by Miss Barbara Ritchie. The roll call was answered by a verse on scripture on "Thanksgiving." The study leaflet, "New Canadians" was read by Miss Mary Mather, Miss Ball and Miss Gerrie. No. 281 in Book of Praise was sung, after which the meeting closed in the usual way by repeating the class text and the Lord's Prayer in unison.

A.O.T.S. Class Entertain
The A.O.T.S. Class of Queen St. United Church held a social evening in Knox Church last week. Owing to the storage of Mr. Alex. Aljoe's store chattels in Queen Street Church basement, Knox Church basement was freely granted and this act was appreciated by the officials of the class. Their guests for this occasion were the Epworth League of Wellington St. United Church, Mt. Forest, numbering 30 in all and these with the local class, swelled the number to 75. Mrs. Slack, the local Pres., presided and after a few opening words of welcome, gave the program section of evening to the Mt. Forest President, Miss Boyle. The visitors had a delightful program of readings, musical numbers, etc. and Rev. W. McDonald also added a few words. Contents social hour and refreshments closed the evening.

Crops fair at Kelvington, Sask.
Mrs. W. P. Lyne, Kelvington, Sask. (nee May Young) doesn't forget the Review subscription and in her letter tells of a serious fire in her town recently of the Imperial Oil and E. A. Oil stations. Her husband is manager of the former station and fortunately for them the tank cars and storage tanks didn't explode or we would be tuning our harps by now. Unlike many parts of the West we were not dried out this year. Some of the farmers would like to utter a few complaints but when they see some of the crops in the southern part of the province they feel they have no kick coming. Some wheat went 4 1/2 bus. per acre. We motored over to Regina one week end and in some parts of the country, one could hardly distinguish the standing grain from the stubble. We came home feeling quite thankful and glad we lived 'up in the bush.'

D. J. TAYLOR, M. P.
Progressive, re-elected in North Grey by 770 majority.

A Shooting Match will be held at Lot 4, Con 22, Egremont on Friday, Nov. 8th to start at 12.30 noon. Bring shot guns and rifles. Donald A. Watson.

The Durham Club of Toronto will hold a euchre, Friday, Nov. 15th, at the Peacock Inn, 99 Yonge St. Toronto, upstairs over Martin's cafe-eteria. Tickets 50c. Proceeds to aid the Club's work for Durham Hospital. All Durham friends and their friends welcome.

Will Occupy New Store
No longer is the occupancy of the new store being fitted up in corner of Hahn House a mystery. Last week it became known that Alex. A. Aljoe will resume his general store business and had leased it, getting possession when completed in a week or two. He is at present selling out the stock saved from the fire at the Egg Grading Station.

Handsome Lodge Chairs
The bequest of the late George L. Hughes to Grey Lodge, I.O.O.F., has been devoted to an ideal use—the fund being expended in four solid oak lodge chairs and four pedestals. The pedestals weigh 35 lbs each and the chairs 135 each. They add materially to the attractiveness of the furnishings, all having the Oddfellows' emblem—the three links, prominent in wood carving. The chairs will be occupied by the Noble Grand, Vice Grand, Past Grand and Chaplain, the first named's bearing a small plate with the engraving "In memory of Brother Geo. L. Hughes." They are now in the lodge room and an open night is planned before long that the public may view them.

Allan Park U.F.W.O.
The Allan Park U.F.W.O. held their annual meeting at the home of Mrs. Fred Torry on Friday Nov. 1st, when the meeting was opened by the Ode and repeating the creed. Ten members and four visitors were present and the roll call was answered by a quilt pattern. Cake recipe. Officers were then elected for the coming year. Plans were completed for the social evening on Nov. 15th, to be held at the home of Mrs. Geo. Turnbull Jr. The Sec'y Mrs. George Reay gave a good report of the year's work which was of interest to all. Miss Mary Hopkins was appointed delegate to the annual convention held in Toronto. The December meeting will be held at the home of Mrs. Geo. Turnbull Jr on Dec. 10. At 7.5. Mrs. Slack, the local Pres., presided and after a few opening words of welcome, gave the program section of evening to the Mt. Forest President, Miss Boyle. The visitors had a delightful program of readings, musical numbers, etc. and Rev. W. McDonald also added a few words. Contents social hour and refreshments closed the evening.

Confirmation Service at Trinity Church
The Right Reverend J. R. Lucas, D. D., former Bishop of MacKenzie River District, preached and held confirmation in Trinity Church on Sunday last, Nov. 3rd.

There were five candidates received into full membership of the church. The Bishop spoke of the meaning of Confirmation, its requirements of the part of those to be confirmed, the blessings and obligations contingent thereon and appealed for whole-hearted surrender to the Service of God.

The Bishop gave several instances of such surrender on the part of the Eskimo and Indian convert. He gave a very forceful account of the change the gospel of Jesus Christ had wrought in the North.

He stressed the intense devotion and generosity of these new members of the Church of God and appealed to all Christians to emulate these characteristics.

THANKSGIVING

We thank Thee Lord, and not alone
For gold and gladness, full success,
For wealth that we have called our own,
The faith, the love, the happiness;
But for the sorrow and the smart,
The failure and the striving vain,
The song we carolled in our heart
When our poor lips were dumb with pain.

Not for accomplishment complete,
Not for the care-free, guarded way,
Not for the paths of peace our feet
Have found, we thank Thee Lord, to-day:
But for the highway's dust and din,
For perilous places safely passed,
For every bribe of doubt and sin
Which clutched, but dare not hold us fast.

For all Thy patience through the years—
The years that come, the years that go;
Thy patience with our faults and fears,
Dear Lord we thank Thee, kneeling low.
—Jean Blewett

Postoffice and Both Stations Burglarized

With the big fire and the elections now relegated into history, some daring individuals attempted to continue the excitement in town by staging three burglaries in the early hours of Tuesday morning. The C.N.R., C.P.R. stations and Post Office were all broken into but the identity of the culprits and the order of their visit is a mystery. They got away with very little and that they failed to blow open safes, makes it improbable they were professionals.

At the Post Office the burglars attempted to pry up a rear window, but not succeeding they tried open the mail door at rear, then the door leading into main office. Here they rifled the till but finding it empty except for a few letters, tore open one and led a few letters, some unrecognizable checks, and also ransacked the Postmaster's desk. They stole a small amount belonging to Mr. Smith, but one dollar bill lying on counter was overlooked. Two inspectors from the Post Office Dept., were on hand from Toronto Tuesday afternoon investigating the affair, and found nothing missing.

At C.N.R. station the waiting room was left unlocked but the thieves gained access to the office by prying up a window. Here they got for their efforts \$2 in change, left in the till, but nothing else. At the C.P.R. they pried up an east window, but got nothing for their pains.

As the tills were searched in all places it was evidently cash they desired. From the burglars' viewpoint, the night's office breaking was a miserable failure. The railways also have had investigators on hand and it is hoped the culprits may be discovered and brought to justice.

Firemen Recompensed; Street Paving Costs
At Monday's town council session, it was regretted the familiar face of Clerk Vollet was absent through illness. Couns. Howell and McLean were also absent.

The Fire Brigade, through the chief and two other, asked for some recompense for loss of time fighting the fire Friday and Saturday. The Council unanimously passed a grant of \$75 which was agreeable to the Brigade.

Accounts were passed totalling \$920.66, which included 368 for meals at restaurant to firemen from other towns and local men, the morning of the big fire.

A further payment on main street paving was authorized to Standard Paving Co. The total cost is \$64151.59. This includes some extras, among which were \$2225 for removing boulders and \$600 for new culvert over Smith's creek.

Bruce Street paving costs will be divided as follows: Ratepayers' share \$4650; Dept. Highways \$3325; Town \$5450. Lambton St. West paving costs are: Ratepayers \$2750; Dept. of Highways \$3200; Town \$6250.

Rushing Repairs
Durham Masonic Lodge, after getting a satisfactory insurance settlement last week, following the fire, which destroyed their rooms, and badly damaged the building, started right in clearing away the debris and preparing to build a new roof. By Wednesday night 15 or 20 feet of the new roof was on at the west end of the building. This will give some protection to the Harding's stock on main floor, which was further damaged by the heavy rainfall last Friday, which leaked through ceiling when building was roofless. The Masons are meeting in their old lodge rooms over McLachlan's store in the meantime.

Some cars are noisy while others merely have a chattering in the back seat.

Beautiful Historic Pageant Here Next Week

83 Characters. Brilliant Costumes and Staging, Splendid Music.—Something Durham has too little of.

On Nov. 14, 15 and 18, Durham and vicinity are going to witness a real treat in hearing and seeing that historic pageant, "Mary Queen of Scots" enacted before their very eyes. There are 83 characters in the pageant and this fact alone should give the reader a good idea of the magnitude of the work entailed in presenting same.

For the past two months, members of Canadian Greys' Chapter, I.O.D.E., and many others have been faithfully attending rehearsals in the Town Hall twice a week, under Mrs. (Dr.) Farewell's tutelage. Mrs. Farewell recites the various phases in Mary's career, depicting her childhood days in Normandy, her brilliant courtier life and marriage in France, down to her prison career and death. The costumes are especially brilliant and fine and represent those in vogue in the 16th century.

Mrs. Farewell has marked ability for this work and with the aid of her gifted daughter, Helene, will stage one of the best productions ever seen in Durham.

The Walkerton Herald Times comments in the play given in Walkerton in the following manner:
"No better entertainment has probably ever been seen in Walkerton, than that staged by local talent under the direction of Mrs. (Dr.) Farewell, when the beautiful Elizabethan pageant, 'Mary Queen of Scots,' was exhibited from the footlights to two large and highly appreciative audiences. Many took advantage to see it for the two nights and is demonstrative of a hit that has never been excelled in local theatre circles."

The pageant throughout is based on historic facts and should be used as an encouragement to children in the study of that period of British and Scottish history. Let the school children attend.

You will be sorry once and that will be for all the time if this pageantry of rhythm and color is missed

Miss Macphail Ill in Winnipeg
While leaving for the West to fulfil a number of speaking engagements, Miss A. C. Macphail, M. P. was removed from the train at Winnipeg onto a stretcher and conveyed to the home of a cousin in that city. A sharp attack of tonsillitis is her illness attributed to, and though not regarded as serious, she had to cancel a few engagements. Miss Macphail worked with a will on committees at Geneva; returned to Canada to enter heart and soul into an election contest. She became physically and mentally tired and having no chance between to relax, has tested her strength too far, with the above outcome.

Her South Grey friends hope for a speedy convalescence.

PERSONAL MENTION

Mr and Mrs E. D. McClocklin have been holidaying for the past week or two with relatives in Toronto. It appears as old times and everything going well to see Ed. walking down the hill with his former stride.

Mr Bruce McFarlane, Flint, Mich., and a friend, Mr McKay, are spending a few days with his uncle, D. B. McFarlane here.

Messrs D. J. McArthur of the Glen in Glenelg and C. H. Moffat, attended the funeral in London on Monday of the former's brother-in-law, Geo. Houghty. Deceased was fifty five years of age and succumbed to stomach trouble after several months' illness. His widow (formerly Miss Annie McArthur of the Glen) and two sons survive.

A squad of Durham huntmen left the first of this week for Trout Creek in Parry Sound Dist. for a chase of the deer, or whatever else looks good to them in the hunting line. The men are J. C. Howell, Geo. McLaughlin, P. F. McArthur, Ham Allen, Traffic Officer C. Hood. They are joined at Mt Forest by Messrs Wm and Steve Flinn, Percy Steele and Mr. Cummings.

Mrs John McDougall left Saturday for Preston, where she will accept a position in a good home.

Mr and Mrs W. H. Patterson of Priceville, announce the engagement of their daughter Gladys M. to James Aubrey Foster, son of Mr and Mrs D. Foster, Markdale, Ont., the marriage to take place on Nov. 11th.

Mrs. (Rev.) Priest is in Toronto this week attending as delegate from the local Baptist Mission Circle to the Convention which embraces Ontario West, and is being held in Park Rd. Baptist Church.

Our Town Clerk, W. B. Vollet is, at time of writing in a very weak condition and under doctor's orders to stay in bed for a time. Mr Vollet had not been feeling well for a week back and on Monday afternoon while en route to office, collapsed on sidewalk. For a man of 87 years of age, Mr Vollet has been remarkably faithful at his duties and it is hoped the Dr's skill and good home nursing may succeed in giving him a renewed lease of life.

I keep six hundred serving men (They taught me all I knew); Their names are What and Why and Where, And How and When and Who.

WHERE JAILS ARE EMPTY
Several Irish prisons have been shut for lack of prisoners. It is a good thing to think of the great jails of Mountjoy, Kilmalham and Kilkenny, which used to be filled with prisoners now turned into broadcasting stations by the Irish Free State. Self government hasn't quite ruined Old Erin' after all.
