SWINTON PARK

SHOOTING ACCIDENT AT SWIN-TON PARK, IN WHICH ARTHUR LANE LOSES HIS LIFE

11, there is but one thought in the thur Lane and for the aged parents, tions, sisters, Mrs Bertha McDougall, Toronto and the Misses Vina and Ethel health. The Lane home is lot 27 con 17 Eg-

Arthur Lane was about 25 years of age, born and grew up here, well thought of by all who knew him. This morning in high spirits he started out with 6 brothers a nephew and other friends for a rabbit shoot. bout 11.30 they were coming out of the swamp on lot 2 con 15 Proton,

walking just 10 or 12 feet ahead of nis nephew, Elwood McDougall. Elwood tripped, the gun was discharged the charge entering Arthur's back on the right side. He only spoke a few words and was gone. The family were all invited home for Thanksgiving and all were there except Wm and Mrs McDougall also an uncle from Georgetown. The dinner was waiting cut could not be eaten. Truly in the midst of life we are in death. The news spread quickly by telephone and many Thanksiving parties were saddened as almost every home had sons or daughters or other friends home for the week end. Never, think, were there so many guns out in this locality, the work being well done up this fall. All were bent on a day of sport but few went out in the afternoon. All feel very deeply for those who mourn, especially for father and mother, this being the first break in so large a family. At time of writing funeral arrangements are not made. We will often think of Art Lane as he was a general favorite with young and old. He was a member of LOL 1136 Swinton Park. We have heard that Mrs Bert Martin receeived by phone the sad message of another shooting accident at Vandeleur, which took place while putting guns in an automobile and her cousin, a man by the name of Hutchinson, was killed. With Mrs. Martin also we wish to sympathize. Doth all this trouble come because we have turned a holy day into a holiday and have forgotten the pur-
