Topcliffe School is holding its annual Entertainment on Dec. 23rd. Admission 25c and 15c.

To-day, Monday is much milder and we are hoping for some good weather. The W.M.S. and Willing Workers will meet on Dec. 13 in the Hall, for their annual meeting. Roll call to be answered by 'Faith'. Lunch com. are Mrs. D. Sinclair, Mrs. Jno. Nichol, Mrs. Dan Stewart, Mrs. J. McMeekin. Will those who have sunshine bags or missionary envelopes, please bring them along.

Mrs. Dan Campbell returned home from Toronto, having spent the past week there as a delegate to the U.F. O. Convention from the Halford club. We congratulate our new reeve, Mr. Herb Corbett.

Miss Lily Campbell has gone to Toronto for the winter months. Mr. and Mrs. Ray McLean spent a week with Toronto friends recently. Mr. Sangster Hemphill, Ceylon, has put a litter carrier in for Mr. Dan Campbell.

Miss Anna Mary McLean has returned home after a couple of weeks in Toronto. Mrs. Tom McInfee and babe returned to Buffalo, after a month spent with her parents, Mr and Mrs. Geo. Campbell.

Messrs Alf and Clifford Hinks of Holstein and Egrement spent the week end at their home. A number from here are planning to meet Santa Claus in Flesherton on Sat. Dec. 14th.

Mr McKay student of Knox College preached Sunday in the Hall. Mr Hector McLean was in Owen Sound on business Thursday. Mr and Mrs Allie McLean visited Sunday with the former's parents. We are glad to see Mrs McLean able to be out of church again after her recent operation.

Keep in mind the Xmas concerts in the United Church on Dec. 20th and in the Hall Dec 18th. for they are both going to be good. We are glad to know that Mrs Earl McInfee is improving tho' still very weak. The nurse left Wednesday but Mrs Houston of Peterboro is yet home.

The U.F.W.O. Club meeting will be held at Mrs W A Beaton's this Dec. 11th, when an exchange of Xmas gifts will take place.

Mr Neil McInnon, Jr. Toronto, is visiting at his parental home. Sorry to report that Mr Peter McDonald is not very well and his many friends hope for him a speedy recovery.

Mr and Mrs Wm Ramage visited recently with their daughter, Mrs S. Williams, Dromore.

At the United Church services Sunday, the pastor spoke on the words, 'My Task', in which he stated that the task of the Christian world today, was to remake men and nations. He stressed the fact that the influx of foreigners created a problem that needs to be handled by our Christian church. 50 per cent of S. S. Scholars are not Anglo Saxon in some parts of New Ont. where not a word of English is spoken. It behooves us to be up and doing, with over 2,000,000 foreign population who know not the gospel that brings prosperity and peace here in America, while Asia and Africa are all quoted as being in turmoil. The vast resources of the United Church in preaching stations and missions were being pitted against the serious situation existing in our own land. This fact constituted a strong appeal to all for assistance.

Mr Angus McCormick with his young bride, formerly Miss Gertrude Baycroft, arrived home Saturday evening from their wedding trip. We extend a cordial greeting to the young couple.

The old kerosene lamps came in handy Sunday night when the bell slipped off at the Hydro power plant, or a monkey wrench got among the machinery, causing us to have no lights for church service.

The storms of the past week have blocked the roads here as well as elsewhere, preventing the mail man from getting around.

A double funeral on Friday by W. G. Watson of a Mr John Bell of the West, a son of Duncan Bell once of Dromore, and Mrs McMullin of Flesherton. At the latter funeral, the hearse had to be left there on account of the depth of snow encountered.

Rev. F. Sullivan gave a fine address 'Christianity in the home in modern times' at the Y.P.S. on Tuesday. He cited cases contributing to its delinquency, such as the radio with its jazz on Sundays, the use of the cars, and a greater disregard for Sabbath observance generally, all so lack of family worship.

Mr W. G. Watson left on Thursday to visit his uncle George in Toronto, who had taken sick at the home of his daughter there.

Mrs. A. McVicar since returning from the Royal Winter Fair, has been under the Dr's care but is improving. Mail couriers on Routes 1 and 2 now go in the mornings, and bank closes at 2.00 instead of 3.00 o'clock, all due to the journeying south of the sun.

Mr D. G. McLean is, we are glad to hear, recovering from a slight indisposition.

(Intended for last week) Mr Angus McCormick, the popular young man of the 5th pic., Glenelg, has decided to desert the ranks of the bachelors, and was married on Wednesday, Dec. 4th, in Toronto, to Miss Gertrude Baycroft, whose people live in the noted town of Beechville. The happy couple came home

Congratulations are extended to Mr and Mrs Milford Hopkins (formerly Effie McDonald) on their recent marriage and wish for them much happiness and prosperity. We are sorry to lose Effie from our immediate neighborhood.

Mrs McTaggart Sr. has almost recovered from an attack of pleurisy. For a woman of her age, she has a wonderful constitution. Just a little over a year ago she fell and broke her hip bone and after a long struggle of suffering, she rallied round and was able to walk again. From our pioneers we can learn many a lesson of courage and perseverance.

Mr Robt. Stewart opened his hall last Friday evening by giving a public dance. Owing to weather conditions the attendance was very small and it had to be postponed.

The United W.M.S. meet Thursday of this week at the home of Mrs Jas. DeW.

On local Sunday Schools are beginning to make preparation for their annual Christmas concerts.

Mr D. S. McDonald has been under the Dr's care. Pleas'd to hear he is now getting better.

Mrs John Sinclair returned Tuesday from a pleasant visit with relatives near Tavistock.

Old man Winter sure did give us a severe jolt over the week end. Sunday church had no service, the other a very slim attendance. It was a real old Scotch Sabbath as far as visiting was concerned. Every one was home mending their own affairs, but I had ma' doubts as to how many were memorizing the Psalms and paraphrases. It would be a most profitable day if spent in that way.

Mrs Wm. Dingwall and Mrs Wm. Jack attended the Provincial Institute convention in Toronto last week.

**SWINTON PARK**

We still think of the good old summer time but are trying to enjoy the winter, also knowing that it too will pass away. The snow is deep in the Park, but we can still see the tall trees. While James is laughing in his sleep, at the stunt he pulled off, let him be thinking what other use he could make of said sleeve if he plays that game again.

Colds are quite in order at present and some flu.

The different schools have been preparing for Xmas entertainments. We are sorry that Miss Martin of Swamp College after a great deal of time and energy has been compelled to indefinitely postpone their entertainment owing to chicken pox—just when it was not wanted. But we hope the girls and boys will not be disappointed for Santa Claus never gets sick at Christmas.

Miss Smith of Hillside Academy and pupils, purpose entertaining on the afternoon of the 20th.

The Saugen Euchre Club is functioning very strong at present. A number of the would be young people attended the opening dance in Stewart's new home in Hopeville on the 6th.

Delbert Haw and Richard Hardy have each found suitable employment in the city for the winter. Miss Marjorie McLeod is also employed in the city.

Miss Victoria Haw is home from Toronto and making glad her mother and father over the holidays.

another cause of "LINE'S BUSY" —business lost

WHEN a call comes for a man at the far end of the office the line is tied up for useless minutes until he reaches the telephone. Anyone else trying to call is told: "Line's Busy", but in reality the line is idle.

An office with only one telephone when it needs two or three, or an office in which telephones are poorly located, is a sure cause of unnecessary "Line's Busy", a sure time-waster, a sure business loser.

"Line's Busy" is the chief cause of the million telephone calls a day in Ontario and Quebec which fail to get through. They mean two million minutes a day wasted — congestion of traffic — constant irritation — a handicap to all business.

We are making every effort to provide the best possible telephone service. But it takes three people to complete a call. Only through public co-operation can we reach maximum efficiency.

We would be glad at any time to have our experts survey your telephone facilities and submit a report. It will save time — yours and other people's — and it will get business for you which you are now losing through "Line's Busy."

New telephone plant and service improvements will mean an outlay for 1929 alone, of more than \$2,000,000.
