VISIT THE LAND OF SUNSHINE.
Some people travel extensively—ocean cruises to far countries, Europe etc. Why not spend a few months this winter in California—the land of sunshine and play, where climatic conditions are unexcelled the year round? A fascinating country of much charm, mountain scenery of great grandeur, colorful deserts, splendid cities and beautiful beaches where bathing is the universal pastime. Golf, tennis and polo are also very popular, while yachting, fishing and hunting can be enjoyed to the full. Dancing in the warm moonlit nights for those who choose. When visiting California, travel one or both ways via the Canadian Rockies and stop over at Vancouver and Victoria. Superb hotels, fine golf courses and magnificent scenery enroute make this well worth while.
Full information, literature, etc., will be gladly supplied by any Canadian Pacific Agent.

FURTHER PROOF OF LEADERSHIP
For two consecutive years the Weller Business College, Orangeville, produced the Canadian Champion.
The Weller Business College won both the National and International championship contests in 1929 with two different students.
The Weller Business College holds both the National and International record for speed.

...growing older we will look back on these years of conquest and achievement and we will remember our brave teacher who led us to victory.
But it is not only as a winner of prizes that we will remember you, but as a teacher of the different school subjects. The brightness of your manner has often taken off the drudgery of our work and we believe that you have always remembered that the pupil is of more account than the subject taught.
We wish you success in your future work and trust that your memories of this school may always be pleasant. We would ask you to accept this gift as a token of our esteem and trust that in the years to come, you may not forget the boys and girls of No. 12 Egremont.
Signed on behalf of the pupils:
Jas. Hargrave, Ray Adams, Norman Wells, Goldwin Nelson.
We understand that Miss Emily Hunt of Durham, is likely to be the new teacher at No. 12.
S.S. No. 13 Xmas concert, dated for the 20th, had to be postponed, on account of the stormy night but was held Monday evening of this week. As it was held in Russel Hall we leave it to the correspondent there to give the write-up.
