The death took place in Meaford, on Jan. 12th of John S. McInnis, a native of Glenora, at the age of 73 years. He was the son of the late Mr. and Mrs. Angus McInnis and was a stone mason by trade.

A number of the young people of the Presbyterian Church, enjoyed a sleighride Monday evening to the home of Wm. Derby, Jr., Bentinck, where the time was spent in shooting croquet and disc. Refreshments were served at close. Miss Mabel Sharp and John Cutts were the prize-winners.

Special Meeting Called

A special meeting of all citizens of Durham, who are interested in the Red Cross Memorial Hospital, is called for Saturday, Jan. 26, at 3 p.m., in the Star Theatre. All interested in the work are requested to attend, as important business will be discussed.

Installed I.O.O.F. Officers

In the absence of D.D.G.M. Lee of Drayton, Past District Deputy Grand Master John Ritchie of Grey Lodge, with suite of five past grands and Gr. Marshal Jas. B. Duffield, ably installed the officers of Grey Lodge on Monday night for the ensuing term as follows: Noble Grand—Thos. Bell; Vice Grand—Chif. Ritchie; Rec. Sec'y—H. S. Dalgarno; Fin. Sec'y—Jasper Traynor; Treas.—Thos. Whitmore; Warden—Robt. Hughes; Conductors—H. Falkingham; R.S.N.G.—Geo. Jackson; L.S.N.G.—E. Schenk; Chaplain—Rev. E. Hayes; R.S.S.—C. Lauder; L.S.S.—J. F. Irwin; R.S.V.G.—N. Thompson; L.S.V.G.—Wm. McDonald; I.G.—Geo. Ledingham; O.G.—Norman Ritchie. Refreshments and a social hour followed the installation.

Held Opening Tea

The Executive of the Ladies' Aid Society of Knox Church held their opening meeting for 1930 in the schoolroom of the church, when they entertained the ladies of the congregation. Mrs. Stonehouse read wonderful minutes of a previous Ladies' Aid meeting, where all the members were full of suggestions and ideas for the improvement of church conditions. A drawing contest was also enjoyed, where the ladies present outlined the profile of their next sitting neighbor. Some profiles were pleasant to look upon and others not so pleasant, but all created much amusement. Mrs. J. A. Rowland received a small favor for the best outline of her neighbor, which proved to be Mrs. Bert Barber. Refreshments closed a pleasant afternoon.

Birthday Party

A pleasing function on Friday last took place at the home of her daughter, Mrs. Robt. Smith, when a family birthday party was given in honor of Mrs. J. W. Vickers, who celebrated her 80th birthday that day. Mrs. Vickers believes her age, in spite of health and spirits and able to enjoy the golden age to the fullest. Since the death of her husband 10 years ago, she has made her home with Mrs. Smith and one of her greatest pleasures is to keep in touch with her large family scattered throughout Canada. Of her eleven children, two are deceased. She has had 60 grandchildren, 52 living and 9 great grandchildren. The table on this occasion was set off by a birthday cake handsomely decorated and besides the birthday Smith family, the party was attended by Mrs. Ed. Hopkins and daughter Blossom of Hanover, and Mrs. Herb. Chittick and son Garfield of Lamsham. Mrs. Vickers received many mementoes of the day from her children and grandchildren.

South Grey Ag'l Society Hold Annual Meeting

While Durham citizens like to attend its Fall Fair each year, (and also criticize) there are far too few in proportion that will come to the Library once a year to show interest when the Annual Meeting is on and offer constructive criticism. We have no brief to speak for the Directors, but are confident that they would welcome practical suggestions or ideas that would make South Grey's Fair an outstanding fall event of the season. This year the numbers that attended were the same. The Directors found out that the weather has been poorer for the big day, it has also seen better, for the receipts were not up to those of 1928. The Society are facing a small deficit but providing they are favored with a good day for 1930 fair, hope to clear this off the books. What with Prov' and County grants, rate receipts and other sources, \$1190.82 was raised the past year. The feeling of the meeting is strong against allowing exhibitors who live outside the boundaries of South Grey and have no other interest in the Fair but to draw out the prize money. The Executive feel that raising the entry fee to these exhibitors, large enough to prohibit any desire to enter from outsiders, would help to combat this situation.

It was decided to enter the Field Crop competition in Wheat. This will be judged sometime in August. The officers remain the same as last year, with the exception of a change in the Directors:

President, John McGirr
1st Vice Pres., Arch. Park; 2nd Vice, J. W. McKechnie
Secretary (pro tem) Jas. Mather
Directors, Bentinck: Will Mather, A. Herd.

Egremont: Cecil Barber, N. Schenk
Glenelg: John Hamilton, J. Crutchley
Normanby: Cecil Blyth, Jas. Picken
Durham: Allan Bell, Dr. Wolfe, Will Macdonald, Arthur McDonald, T. Petty, Mrs. McIlraith, Mrs. W. Clark, Mrs. Davis, Mrs. Wolfe.

Township Lady Directors: Mrs. John McGirr (Bent.); Mrs. C. McAlister (Norby); Mrs. J. W. McKechnie (Bent.); Mrs. Ed. Lindsay (Eg't). Mrs. McIlraith was appointed delegate to the Fall Fairs Convention, with J. W. McKechnie as alternate.

Discuss Better C.N.R. Service

A denutation from Durham Board of Trade, comprising Messrs P. Garg, T. M. McFadden, J. F. Irwin and Peavy A. Bell, were in Palmerston Thursday last conferring with leading officials of the Canadian National Railways regarding the local train service. The officials meeting there were W. S. Wilson, Supt. of Transportation; W. J. Moffat, Ass't General Passenger Agent and W. E. Weegar, Div. Supt. The only definite concession made to the deputations was the promise that the noon mixed train, whose irregularity of arrival was the main cause of complaint would arrive at 1 p. m. as regularly as possible. There is a possibility that a noon passenger train only will be in operation later, but nothing has yet been arranged, and no change, if any will be made before a new time table is issued.

Rocky U.F.Y.P.O. Re-organized.

The Rocky Saugeen U.F.Y.P.O. held an enjoyable sleigh-ride party last Thursday night on the Rocky hill followed by lunch in the schoolhouse. Afterwards the Society was reorganized for the present year as follows: President—Alex. Lawson; Vice-Pres.—Chif. Young; Sec'y.—Treas.—Islay McKechnie.

Deceased is survived by her husband and sons and daughters, one of whom is Rev. Chas. Farquharson of Windsor. The married life of this venerable couple was long and happy, having pledged their vows in Aberdeen, Scotland in 1873.

Hutton, Elmer Hutton, Thos. Tucker, Robert Hughes.

Well known Auctioneer Receives Last Call

Dougald Macphail passes away early Friday Morning Last

So Dougald Macphail is dead. It seems hard to realize but we must accept the verdict. His was such a living vitality and his presence in days of health registered the feeling that he was the mark of the full vigor that man might attain to. The fact that he wound up the interests and estates in the way of auction sales for many a farmer in South Grey, is significant, for even as men need to ease off from strenuous farm labors, so in time did this auctioneer and farmer. It was as an auctioneer that Dougald Macphail was best known. His knowledge of values; his quick weighing of men; his understanding of human nature, and his ready wit made him an outstanding auctioneer. He sold his first sale in 1877, and in the following twenty-eight years, conducted 1162 sales in Grey Co. His success in this line, more than anything else, may be attributed to his integrity and honor. He never went back on a farmer and we carry in mind some of the stormiest days of past winters. A sale would be billed for one day in Normanby Township; the following day in Artemesia and through drifted roads and rough weather, he was there. It was the exception when February and March each winter of his activity, would not be fully taken up and the 'Review' made the dates for him. At that time it was a common remark how any man, even if Mr. Macphail's vigor and rigor stood it so well. His passing marks another link from a well known family of Preton Township, who helped to do their share in the tilling of her lands and a unit in adding to Canada's prosperity.

It is hard to speak of Mr. Macphail in the past tense. He was 65 years of age and while not old in years we regard years to-day, had lived a full life in service to mankind. His personality was vivid and attractive, and though quick to anger, he was also quick to forgive. His outlook was broad, his insight keen, which made him a good counsellor to those who sought his advice, and always he was a good neighbor.

Dougald Macphail was born in 1864 in the township of Preton three and a-half miles west of Hopeville, and was the eldest of the family of eleven children of Alexander Macphail and his wife, Jean Jack. They were born in Scotland and the deceased inherited all their Scottish characteristics. This love for the land of his forebears was implanted in his children, for it was the desire of his daughter, Miss Agnes, when overseas the summer of 1929. However this was not possible as his illness hurried her home.

A little over twenty-five years ago Mr. Macphail moved to a farm at the six corners near Ceylon, where he farmed successfully, four years ago moving to the Village of Ceylon, where he has since resided. He has been in failing health for the past year or more, his eyes giving him considerable trouble and lately an infection in his foot which necessitated the amputation of one of his toes. Through his illness he has had the tender care of his wife and daughter, Agnes C.

Forty one years ago he was married to Henrietta Campbell, also one of a pioneer Preton family, who with three daughters to-day, mourn his passing. They are Agnes C. Macphail, M. P., at home; Mrs. W. M. Reany, Toronto and Mrs. Hugh Bailey, Shrigley, near Dundalk. He also leaves three brothers, Ainsworth and Malcolm on the old homestead in Preton and Alexander of Sedro Wooley, Wash. and five sisters, Mrs. Alex. McEachnie and Mrs. Thos. Spence of both of Hopeville; Mrs. Jas. Henderson, Holstein; Mrs. Robt. McHardy of Toronto and Miss Tena Macphail on the old homestead with her brothers.

The late Mr. Macphail was a member of Priceville Presbyterian Church and the service was held in McKinnon Hall there on Sunday last, Rev. Mr. Stewart officiating, interment taking place to McNeill's cemetery, Priceville. The day was one of the coldest and stormiest, yet a large number of old neighbors and friends gathered at home and Hall, to pay their last tribute of respect to deceased and his family.

There were many beautiful floral offerings on casket and as well as individual remembrances, they came from South East Grey Political Association, Rocky U.F.O. Clubs, Allan Park Club, Onward Club, Fishermen Club, Markdale Club; Co-Operative Co., Toronto; Live Stock Dept., Toronto; United Farmers' Head Office. Messages of sympathy came for

the family from Premier McKenzie King and several of the cabinet ministers; Peace organizations, Chautauqua Co's and others. J. J. Morrison, Sec'y of the U.F.O., Toronto; Mr. Preston Elliott, ex M.P. for Dundas, were present from a distance at the funeral.

Walkerton vs. Durham; Big Game Thursday Night

In Durham Rink this Thursday night at 8 p. m. sharp, will commence the important game which decides the district Championship in Senior Northern League. A single schedule between Durham and Walkerton is being played and the first game in Walkerton two weeks ago resulted in 2-2 tie. With an expert coach and the addition of Paisley players, Walkerton has been sweeping all before the m in O. H. A., winning three games of double schedule with Palmerston-Listowel combines, by 4-1, 8-1 and 4-3. The last was in Palmerston Tuesday night, Walkerton scoring the winning goal in 10 min. overtime. Durham however will make a strong effort to crimp Walkerton's winning streak Thursday and even a 1 goal lead here, will put Walkerton out of the running in Northern. Match is called at 8 sharp, to allow Walkerton players and supporters, also any Hanover fans, to return on night train, which will be held at Rink till after close of game. Cully Recker, Listowel, referee. Don't miss it.

OWEN SOUND HERE MONDAY

Another 'crucial' battle will take place in Durham Rink next Monday night, when Owen Sound will play the final scheduled game here, which decides the leadership of this O. H. A. district. This should result in a Durham victory, in which event the locals will play off with Walkerton, who are already champs of 'B' section of this district. This makes two great matches for Durham fans, and successes will bring some exciting semi-final contests next month.

DURHAM 3, MARKDALE 1

Markdale fans witnessed a good game Monday night, when Durham completed their double schedule with that team, and won a closely-played contest there by a 3-1 score. McGirr Wilson and Elvidge tallied the three Durham goals, 1 in each period, while Markdale got their lone counter, a long lift from centre ice, in the 3rd. Buschlen of the regular local line-up, did not make the trip. Murph Mercer, Markdale, refereed satisfactorily.

DURHAM 14, MARKDALE 0

Last Thursday's Markdale-Durham O.H.A. contest here was rather one-sided to stir up interest or any excitement. On hard, keen ice, the Durham boys were whirlwinds and easily out-manoeuvred the less experienced visiting team, almost all of whom are eligible to play Junior hockey. The final score was Durham 14, Markdale 0; no overtime, and the goals were divided as evenly as possible, 4th in first, 5 in second and 5 in third period. The crowd was small, as the result was anticipated, though none looked for as high a total. It was the highest of any game played that evening in the Province.

Singleton was Markdale's best prospect and looks a comer. He has speed and stick ability and though "Single" in name, was unable to accomplish much single-handed. R. L. Saunders handled the game well imposing only 3 or 4 penalties, mostly to Durham players. The biggest thrill of the night was when constable Allen fell from the side, from a short space where rail guard had been broken away and dropped six or seven feet onto the ice. The players came to his aid and picked him up unhurt except for bruises, which stiffened him up for a day or two.

Not in Durham's class

Reporting the O. Sound—Markdale hockey game in Markdale recently, the 'Standard' says: "The ice was good and the game was fast. The fans were pleased with showing made by the youngsters and feel satisfied Markdale has the makings of a real hockey team. The Owen Sound team is hardly to be compared to the smooth playing Durham bunch, who are speedier and better stick handlers."

OBITUARY

MRS. FRANK STEWART

On Friday morning last at Niagara Falls Memorial Hospital, N. Y., the vital spark departed from the young life of Mrs. Frank Stewart (nee Irene Hirt), elder daughter of Mr and Mrs. Frank Hind of Owen Sound, but formerly of Durham. Deceased has been ill for about a month, peritonitis setting in after an operation for abscess and this was followed by pneumonia. Her mother and sister Lizzie have been by her bedside for the past couple of weeks. Deceased was born and raised in Durham and in 1922 was married to Frank Stewart of Mt. Forest, who survives with two children. She was 25 years of age. With two sons, two sisters, Lizzie, Violet and three brothers, George, Victor and Cecil, will also mourn.

The remains were brought to Durham Monday for interment in Durham cemetery, Rev. W. H. Smith having charge of services.

Baptist Congregation Have Good Year

The Baptist congregation of town, are to be congratulated on going 'over the top' in their finances. They also have that brotherly spirit of cooperation and good will to one another that has enabled them to erect a handsome Parsonage for their pastor. The annual statement from the pastor Rev. Mr. Priest goes on to say: "One of the fondest dreams of the church has become a handsome reality. All glory to God who has inspired us to do our best. He has been trying us out and has found us ready to trust Him and to sacrifice for Him. He has yet greater things in store for there is great promise of an ingathering in the coming months and spiritual advancements in all departments of our church work."

The Treasurer's statement shows that through envelopes and contributions the church raised \$1089.54 and total receipts for the year amounted to \$1895.62. This is indeed gratifying, as the members are also shouldering the financing of the new \$4,000 parsonage. Rev. Mr. Priest was chairman over the business meeting; Mr. Thos. McNeice spoke on behalf of the deacons, and Mrs. Geo. Thompson for the Mission Circle and Ladies' Aid. The burning of the Parsonage mortgage is the strong objective before the people and all are gratified that such progress has been made. Refreshments were served at the close and to quote from the pastor's statement again: "The future is as bright as the promises of God."

A splendid time was enjoyed by about a hundred young people of the town at a progressive euchre at the rectory on Tuesday evening. The ladies' prize was won by Mrs. George McKechnie, and the men's by Leonard Vollett. The proceeds were over \$25.

In reporting the deer captured in Bentinck last week, the Review stated Mr. Thos. Milligan "took after it" when crossing his farm. This, Tom advises us, is incorrect. He merely watched it.

"MEL" BUILT FOR RUNNING

"Mel" Greig Calder, former druggist of Walkerton, who has been in business in Durham, since his step-father passed away, has certainly demonstrated that he is built for running. At the municipal election in Durham, among aspiring councillors, he headed the polls. Mel made great use of his long legs. Such a canvas as he made, especially among the ladies, is something new over there. Mel's many friends will watch with interest the effort some say he is to make, to put across some entirely new legislation in the interests of the fair sex.—Walkerton Telescope.
