Buying on the Instalment Plan

URCHASING commodities by paying "a dollar down and a dollar a week" has grown into great popularity. Often the object purchased is worn out before it is paid for, and the purchaser continues to pay. Buy yourself a fortune on the instalment plan by placing regular instalments of your earnings in a Bank of Commerce savings account. The money is always available for use if required and there is no depreciation, but accruing interest as time goes on.

THE CANADIAN BANK OF COMMERCE THE STANDARD BANK OF CANADA

Drugs Carefully Compounded

We fill all prescriptions carefully - this is the drug store of safety and service.

Your druggist is more than a merchant-upon the quality of the articles he handles to a very great extent, depends upon the unkeep of your health, We are long trained to do things

We also have the best cigars and candies.
