Mr Herb. Kelsey, who has been conducting a photographic establishment in Warton, has purchased a property in Hanover and has removed there with his family.

Rev. E. E. Annand, recently the Presbyterian pastor at Dundalk, has received a call to Port Perry and will begin his active ministry there on May 25th.

Markdale has gone over to horse-shoe pitching and many leading business men of the town hold down an office in an organization meeting held there recently.

On account of the Anniversary in the Presbyterian Church on Sunday next, May 18, the Baptists are withdrawing their evening service in order to attend.

The women of Durham and vicinity are asked to bear in mind the meeting to be held in the Star Theatre, on Wednesday, May 21, at 2.30 p.m., to be addressed by Mrs Wm G. Towiss of Athens, Ont. on "Putting unity into the community."

Rev. B. D. Armstrong and Gordon Geddes attended Presbyterian meeting at Holstein Tuesday. Rev. G. Graham, Holstein, succeeds Rev Mr. Cree in the Moderatorship, as Rev. Mr. Cree is leaving the Presbytery.

Knox Church was graced on Sunday with two beautiful sword ferns on the pedestals at pulpit front, and which were donated by Miss Berta Milne of Winona, who was a visitor at the parental home recently.

No Longer an Exhibitor
The name Mrs H. Maurer, so well known to exhibitors at South Grey's annual Fair, will not appear in future, for she passed away at her home in Hanover last week.

Canadian Greys' Chapter I.O.D.E. held one of their popular dances on Tuesday of this week in the Town Hall. It proved to be a wet night and was not conducive to swelling the crowd. Blu Bell orchestra supplied peppy music and those that did attend had a good time. \$65 was taken at the door.

Mrs J. S. McIlraith was the lucky winner of the handsome Congoleum rug in Mr Ed. Kress' window the past couple of weeks, for having the closest guess to the correct number cancelled in the rug. The correct number in the rug was 864 and Mrs McIlraith's guess was 857. The limit to guess was 5000. Mr Roy Campbell came a close second with a guess of 855.

To Re-organize N. H. L.
A meeting has been called in Harrison next Wednesday to effect a re-organization of the Northern Hockey League. "Conquest of Europe" which for improvement in the way the League manages its affairs, and some new blood among its officials may assist in building up the organization to give it greater prestige. It is altogether likely that Durham will be represented at the meeting.

Spring Flit Among Rat Colony
While returning home from the Grey Presbyterian meeting in Hanover Thursday night last, the occupants of Miss Winnie Blyth's car saw an unusual sight. As a rule a night drive is void of incident but this particular case gave Mrs A H Jackson, Miss Margaret McGillivray, Myrtle Ketch and Winnie Blyth something to remember. Approaching the farm of Mr Herb. Hunt, the road in front of car was black with rats moving their habitation from N. D. R. to S. D. R. It is claimed there must have been 30 to 40 of them crossing en masse and while the car finished a few, the great majority live today to haunt the cellars and basements of South Bentinck residents. Evidently northern residents have given them poor board.

Presbyterian W. M. S.
The above organization met for their monthly meeting at the home of Mrs Andrew Derby on Thursday last, Mrs S. Patterson presiding. Devotional exercises and singing opened the meeting and the roll call was responded to by a verse on "Prayer." Minutes of last meeting were read and business relative to the Society disposed of. The gathering sang in unison that lovely hymn "God calling yet". Miss Mary Calder had the top of the "Conquest of Europe" which told of carrying the gospel into different countries. Mrs J. F. Grant gave an interesting report of the Provincial meeting held at Calvin church in Toronto. Several ladies led in prayer for missionaries home and abroad. Hymn 547 was sung and the Lord's Prayer in unison closed the meeting.

Rocky U.F.Y.P.O. Entertained by Mt. Forest Branch

Tuesday evening about 25 of the members and friends of Rocky Saugseon U.F.Y.P.O. spent a most enjoyable social time with the members of Mt Forest U.F.Y.P.O., at the home of Mr and Mrs Frank Holiday, two miles west of that town.

An interesting program was given, featured by a debate between the Clubs "Resolved that Canada's form of Government is preferable to that of United States." Rocky had the affirmative and were given a close decision. Misses Norma Kelsey and Blanche McKechnie represented the Rocky, Miss Kathleen Firth preparing the material. Mr Stephens, Miss Ruth Ketch and a young lady from the home Club, were the judges. An excellent public speaking contest also took place, in which three teachers competed on different subjects. These were Miss A. Butler (south of Mt Forest), Miss Ruth Wright of South Bend and Mr Stephens of No. 3, Normandy. Mr Peter Ramage as judge, awarded the decision to Miss Wright. Addresses were given by Mr Harold McKechnie and Mr Holiday, also readings and musical numbers by home talent.

Wellington Club is a live organization of fifty members and fifty one of the young people of the district were present. The Rocky Club much appreciated the hospitality shown.

J. A. DAVIDSON, PORT MCNICOLL, GREATLY BEREAVED
The Review wishes to warmly sympathize with Mr J. Archibald Davidson, C.P.R. Agent at Port McNicoll, in the great loss he has suffered in the death of his wife on Tuesday of this week in Toronto. His new honors from the C.P.R. will count as naught in this recent bereavement.

Will Shortly Enter Canada's Frontier Land

Oscar Bell leaves Kirkland Lake on a prospecting expedition. Spending a few days first at his Glenelg home.

(Written by Harold Ramage, Editor of "Northern News", Kirkland Lake.)

It will doubtless be recorded in your columns this week that Oscar Bell of Kirkland Lake, visited at his home east of town. The writer was very pleased to renew friendship with him again before he left this town where he has spent the past seven months. He will not likely mention that he was remembered by his mates in the Engineering Dept of the Teek Hughes gold mine last Friday evening. At an informal gathering some of the fellows told what they thought of Oscar and ended their verbal epithets with the presentation of a fountain pen. It was my tough luck that he had to be leaving here, just when I was getting my bearings and when he might have put me wise to a lot about mineralogy. There is very little about Durham to interest one in the mining game but Oscar is quite taken up with it and a keen student of this great industry and has acquired considerable technical knowledge of it, from practical experience in a number of the leading camps of Ontario.

He leaves this week on an experience, not unusual to him but to many would be the event of a lifetime. With a lone companion he will set out from Pagwa, a station on the C.N.R. Transcontinental, about due north of the Sault, for Patricia District. They will travel by canoe for nearly 250 miles until the English River is reached. Here they will prospect for new mineral fields for the well-known mining concern. Thus, with the exception of a few groups of Indians and prospecting groups the boys may chance across, as well as the odd forestry plane, they will be out of civilization until around the first of October next.

I fully realize that I am writing out of my turn in saying this, but it will interest many of your readers. Southern Ontario folks do not and cannot realize the great work that such men as he are doing to open up this vast hinterland. The whole of Ontario is the better off as a result of the work of past prospectors who have added millions in wealth to the country and gave it the reputation as the world's greatest mining area. Here's hoping he makes a real stake.

Mothers Paid Honor in Town Churches Sunday

The local churches were well attended on Sunday morning last in the observance of Mother's Day and the subject of "Mother" gave inspiration for the morning topic.

Musical programs for the morning church services were likewise selected to fit the theme nearest and dear est to those whose thoughts were especially directed Sunday to consider ation for the mother who still blesses sea life with her presence, or to remembrance of one whose passing has made her gentle care and thoughtful guidance a tender memory. The achievements of every famous man, the products of genius, those qualities of character that make for stability and strength, all take their rise in some degree in the mother. What she did and even more largely what she was, largely determines what the women and men of the next generation shall be. The mother is sometimes obscured by the greatness of those she has fitted for the world's stage. A day like this however, takes us back to the source.

In the Presbyterian Church in the morning Mr Grant McCumb contributed a beautiful solo, "My Mother's Prayer" and the choir an anthem suitable to the occasion.

At Knox United Church, as well as the anthem, a quartette comprising Messrs Thos. Bell and C. Buschlen and Misses Alice Ramage and Winnie Blyth contributed an appropriate number.

Mothers' Day at the Baptist church was observed by a special union service of Church and Sunday School, when Sup't, Mr Anthony Holmes told a story in his own interesting way, entitled "The Search for the Beautiful." The pastor gave a cartoon chalk talk on "The Carpatian." The choir sang "Faith of our Mothers." In the evening the pastor's sermon was on the "Message of Mary, His Mother" from the text John 11: 5, "Whatever He saith unto you, do it." In the song service, Mrs Priest sang a solo with choruses in which the choir and congregation joined, entitled "The songs my Mother sang in the Long Ago." Both services were well attended and many expressed their appreciation.

Now C.P.R. Agent at Port McNicoll

Archib Davidson, a native of Durham, succeeds the late J. L. Simpson, in that position.

Announcement has been made by the Canadian Pacific Railway of the appointment of J. A. Davidson as terminal agent at Port McNicoll, succeeding the late John L. Simpson. Mr Davidson was acting agent for several months and recently on Mr. Simpson's death was made a permanent one.

Mr Davidson is a well known Durham boy, one of the late Archibald Davidson, one of the first and prominent residents of Durham. Archie started with the C.P.R. as a young man 23 years ago in the Owen Sound freight office. When the steamship headquarters were transferred to Port McNicoll, Mr Davidson removed there and has made steady advance in the company's service. Prior to his appointment he was chief clerk in the freight office.

KNOX Y.W.A. STUDY MEETING

The regular monthly study meeting of Knox Y.W.A. was held on Monday evening, March 12, in the schoolroom of the church. The president, Miss Margaret Lennox was in the chair.

Hymn 381 opened the meeting, after which the President led in prayer. The roll call was answered by a verse of scripture on "Praise." Various items of business were brought up and discussed. It was decided to hold a bazaar in the Fall. A detailed report of the meeting of the Presbyterial in Hanover last Thursday was given by Miss Winnie Blyth. A splendid review of Chap. 4 of the study book "The Glorious Company" was given by Miss Mary Company. The meeting closed by Hymn 374 "Jesus shall reign where'er the Sun" and repeating the Lord's Prayer in unison.

Small Division Court

Division Court on Tuesday last had present only Judge Owens of Walkerton, Clerk and Bailiff and two lawyers, Mr Henry, Markdale and Mr Moon of Mt. Forest, so that interest in the local operations were at a low ebb for some time.

The case of Fred Cook vs. Mrs R. Vollet was dismissed with costs, seeing that neither plaintiff nor defendant were present.

The suit of Gun vs. Symons, was taken up by Mr Henry, counsel for Plaintiff. This was a claim for \$150 for rent which Def't. disputed, one reason being that Plaintiff had taken possession. His Honor viewed it seriously and found for the plaintiff for both claim and costs and a counsel fee of \$15, to be paid in 14 days.
