Over Fifty Men for the Job.

No fewer than fifty applications for the vacant position of constable in Meaford were received. The Express thinks that "the long list to applicants is probably the outcome of the continued unemployment prevalent." The Council will not be unemployed as it picks out the right man.

Small of Oshawa will preach in the Presbyterian and Baptist Churches next Sunday and Mrs. Priest will sing "The Ninety and Nine" by Campion at the evening service.

Mr and Mrs Wesley Roseborough opened their home on Tuesday evening to about seventy five friends on the occasion of the recent marriage of their son Clifford to Miss Merida Havens. The evening was given over to dancing, music being supplied on violin and guitar by Messrs Hepburn, Tester, Moon and Brigham. Many beautiful gifts were received by the young couple, one of them much admired being a 97 piece dinner set the gift of some friends. A splendid lunch was served about midnight.

Returns to Manitoba

Rev. John Bell, wife and two children, left Wednesday for Toronto for a few days, previous to returning to their home at Rivers, Manitoba. The past four Sundays Rev. Mr. Bell has occupied the pulpits of Knox and Queen St. Churches in Durham, and Hampden and Zion with much acceptance. Large congregations greeted him at each service and at each time did they receive the gospel message translated into the needs of the modern day with a clarity and force that should leave abiding results.

Queen St. W. M. S.

The August meeting of the Queen St. Church W.M.S., met at the home of Mrs. M. Knechtel, Aug. 21. Mrs. H. McCrae, the vice president, was in charge of meeting in absence of Mrs. Groves. Hymn 236 opened the meeting, followed by prayer by Mrs. Wolfe. Mrs. McCrae read the 35th Psalm. The topic of the meeting was "Music" and what it meant singing the beautiful Hymns to the non-Christian. Though not a large crowd it was very instructive to those present. Mrs. Knechtel read the Devotional leaflet and the meeting closed by singing "Abide with me" and prayer by Mrs. Spaulding.

THE ROLL CALL

THOS. GREENWOOD

Another pioneer of old Glenelg Township, passed to his reward early Wednesday morning, Aug. 27th, in the person of Thomas Greenwood, at the home of his daughter Winnie in Fairgrove, Mich. For some months back he has been in failing health, but has been up and around much of the time. Four weeks ago Thursday, he accompanied his son, Rev. J.W. and daughter, Mrs. Campbell back to the latter's home at Fairgrove by motor and the long trip was evidently too much for him for he grew weaker there and on Monday last suffered a stroke, surviving scarcely two days afterwards.

The deceased was 78 years of age, the son of the late Mr and Mrs Wm Greenwood and was born on the old home farm, lot 37 on con 2, Glenelg, at Edge Hill. Here he lived his whole life, except for a short time on a nearby farm, until fourteen years ago, he bought the Allan McKinnon home and small farm just east of Upper Town, Durham and there spent his closing years.

Almost 53 years ago he was wedded to Margaret Edwards, who passed away only two years ago, after a full and useful life. She was an ideal helpmate and her loss was sorely felt by her bereaved husband. After her death, their second son Ernest, sold his farm at Edge Hill and came with his family to reside with his father.

Eight children were born of this happy union, two dying in infancy. The three sons and three daughters surviving are Herb, opposite present home; Ernest, at home; Rev. J. W. at Grayling, Mich.; Mrs. Donald Campbell (Annie) of Rugby, N. Dakota; Mrs. Donald Campbell (Winnie), of Fairgrove, Mich., and Miss Ethel, teacher in Haliburton Co. Two sisters of deceased survive him: Mrs. John Davis of Lethbridge and Mrs. Alb. Hooper of South Glenelg.

Ever a kindly and considerate father, Mr Greenwood will be deeply missed in the family circle and the neighborhood as well, where he was most widely known and esteemed. He was a man of the strictest honor and integrity, who took a decided stand on behalf of any movement for the moral welfare of the community. In politics he was a Conservative until the U.F.O. movement began and has since adhered to that party. He was a life-long Methodist and when in health, was always regular in church attendance.

The funeral service will be held at two p. m., Friday afternoon, at his late residence, conducted by his pastor, Rev. H.S. Fiddes. Interment will be made in the family plot at Zion cemetery.

JEAN BROWN

A wave of sorrow swept over No. 9 School Section on Saturday with the news that Jean, youngest daughter of Mr and Mrs James Brown, had passed away in Durham Hospital after only a few days of serious illness. Muriel Jean was eight years of age and the youngest of a family of four, a bright cheerful little girl, who will be very much missed by her parents, her brother Cecil and Charles and sister Margaret. Her playmates and all the citizens in the section were interested in her welfare, particularly this past year since it was found she was afflicted with diabetes. She was able to attend school a portion of the time and take her share in study and play.

Among the many beautiful flowers surrounding the little sleeper was a spray from No. 9 School Section. Others were from the family, Mr and Mrs Zuefekt and Mr and Mrs J. Lyons, Wm Brown's family, Leith family, Cameron family, Miss Anderson, Moore family, Mr and Mrs C. McDonald, Newell children, Miss Kathleen Firth, Mr and Mrs Mather, Mr and Mrs W. Glass, Mr and Mrs A. Saunders and Mrs J. Whitmore.

The flowers were carried by several little girls, cousins and school comrades and the casket was carried by four boys, Roy Hargreave, Borden Brown, Gordon Leith, Freddie Arnett, Rev. H.S. Fiddes, pastor of the family, was present and gave a comforting message. The remains were laid to rest in Durham cemetery.

DURHAM LADIES HOME

FROM EUROPEAN TRIP

The three Durham ladies who have spent over two months overseas, under the Robins' Student Tour management, Misses J. Weir and M. L. Hunter and Mrs A. W. Lauder, returned to Durham this Wednesday. They will be able to sing "The Maple Leaf" with much fervor in future.

Keep Date Open for South Grey's Fair

Tuesday and Wednesday, Sept. 16th and 17th

While the dates for Durham and South Grey's annual Fair have been brought forward a little earlier than usual, it is no guarantee of fine weather. But in their bones and sinews the Directors feel that the dates are fair weather dates and this assured, a successful day is bound to follow.

There is no organization that commands the sympathy and support of the people as that of an Agricultural Society. We are in an agricultural community and therefore the backbone of our existence. Once an exhibitor shows the products of farm, garden and house, he is alive to the merits of the exhibition, for in this, we have the value of friendly competition. It has been a dry season this year but then South Grey has not anything of the drought of the southern section of Ontario and many worthy specimens of farm and garden are waiting for a chance to show themselves on the long display tables.

The Prize Lists for the Fair are in the hands of Secretary Alex Aljoe, who will be pleased to forward a copy to anyone desiring same.

As a special feature and inducement for the mothers, a baby contest open to "the best developed baby boy or girl, date of birth not preceding Jan. 1, 1930, open to members of the Fair only. Special by P. F. McArthur, 1st, \$4.00; 2nd, \$2.50."

Automobile Driving Contest

For the best driving of an automobile, 1st 2nd and 3rd special by Imperial Oil Co., 1st, 5 gal. oil, value \$6; 2nd, 1 gal. oil, value \$2; 3rd, 1 gal. oil, value \$1.50.

Men's Horseshoe Pitching Contest

Open to residents of South Grey, best pair, \$3, \$2 \$1.

Official Opening of New Bank of Commerce

Wednesday afternoon and evening Manager Webster and staff of the local Bank of Commerce, with Mrs. Webster, were hosts and hostesses to two of the head office officials, several of the surrounding local managers and their wives, and to the public, in their beautiful new building.

The ladies of the I.O.D.E. served refreshments and tea to many guests all of whom were loud in admiration of the bright and spacious new banking quarters, so tastefully decorated. In conversation with the Review, Mr. Runsey of Toronto, Assistant General Manager, expressed his pride in the new building, stating its furnishing and equipment embodied the latest ideas gained from many sources. Eight other banks, he informs us, have in past years been absorbed into the Commerce, which with its own steady growth, makes it the third banking institution in Canada, and the first in some respects.

The new local branch with its 18 foot ceiling is more imposing in its appearance inside than out, and the three large south windows provide an abundance of light. Much more space is available, both for customers and staff, than in the former bank destroyed last fall. The Manager's office in the front is also larger and luxuriously furnished. No better bank quarters than Durham Branch now exist outside the city.

Manager Webster and staff will move this Thursday morning into their new home and be ready for business at 10 a. m. and will welcome an increasing volume of it.

Visitors at the opening were: R. A. Runsey, Assistant General Manager; J. P. Bell, Manager in Chief, as well as several managers with their wives, from other Bank of Commerce branches in Ontario: Mr and Mrs F. S. Kent, Chesley; Mr and Mrs T. W. Henry, Dundalk; Mr and Mrs John Kelly, Durham; Mr and Mrs E. A. Preston, Flesherton; Mr and Mrs A. Sutherland, Neustadt; Mr and Mrs W. D. Elliott, Owen Sound; Mr and Mrs W. A. Sawtelle, Teeswater; Mr and Mrs J. H. McClocklin, Trenton; Mr and Mrs L. G. Crozier, Walkerton; Mr A. M. Smith, Windsor.

Durham Scotch Doubles Bowling Tournament is on today, Thursday.

Going home from the street dance last Thursday night, Thos. Lauder, bank manager at Elmwood, with two other young men of that place, collided with Melville Johnston's car when the latter was turning in. None were hurt but the three Elmwood men were thrown out when door was broken off and the car disabled.

HYMENEAL

SMITH — MANARY

A quiet wedding was solemnized at Stratford, Toronto, by Rev. Edgar Freeman, pastor of Morning-side Presbyterian Church, on Wednesday August 20th, at 2 p.m. when Donald Pearl, daughter of Mr and Mrs. John Manary, Holstein, became the bride of George Samuel Smith, of Durham, son of the late Mr and Mrs. Charter Smith.

The bride chose a navy blue suit, with shoes and hat to match and carried a fox fur, the gift of the groom. Her flowers were Columbia roses and baby's breath. Miss Alma Elizabeth Bunston was her only attendant who wore an ensemble of black chiffon velvet and carried roses and sweet peas.

Following the wedding ceremony the happy married couple left for a honeymoon trip through Muskoka and Northern Ontario. On their return they will reside on Queen St., Durham, where both are known to a large circle of friends, who will extend congratulations and best wishes.

The groom has been the Ford automobile dealer at Durham for the past twelve years. All the Review can add is to the effect that if the groom is as successful in his married life (and we predict he will be) as he is in selling Ford cars, the young couple will sail life's seas smoothly.

Showed Future Bride

About fifty friends from Rocky Saugeen section of Miss Kathleen Firth, a bride-to-be of this week, gathered at her home on Wednesday night and tendered her a miscellaneous shower of lovely gifts. There were two decorated wagon loads of them, drawn in by a little girl and boy attired as bride and groom while Mrs. J. Crutchley played the wedding march.

Miss Esther McLean opened the parcels and handed them to Miss Firth, while Miss Islay McKeechie read the verses. The shower and its merriment over, the rest of the evening was spent in games and dancing, lunch being served near the close.

Meet Cousin 1200 Miles from Home

Misses Mary, Alie and Edith Edge, all teachers, decided to do the Maritime Provinces this July and August. Commencing around the middle of last month, in company with their Ford, they started off. To Halifax it is estimated is 1200 miles and that they came through this trip with one blow out only, commends them as good pilots. They took many side trips, among them to the Laurentians and Prince Edward Island. While strolling through the Park surrounding the Parliament Buildings in Charlottetown, P.E.I., they received the surprise of their life when they bumped against their own first cousin, Thos. Binnie of Toronto, who was also doing the sea provinces. The surprise was mutual, each not knowing the whereabouts of the other. Thus Canada's distances, which were once considered large, are being annihilated in these days of motor travel and other fast modes of communication.

Dr. Joseph and Mrs Snell of Saskatchewan, are on a visit to their early home at Dromore and also his sister, Mrs Geo. Binnie and brother, Mr J. Snell of town. The Dr. has been one of Saskatchewan's foremost educationalists and purposes in the future to take his work a little less strenuous. They will find the residents that made Dromore and district of thirty or more years ago, are in many cases 'gone before' and many newcomers on the lands. However there are yet several who welcome them to old haunts and scenes.

Mrs J. C. Nichol and son Walter were in Port Elgin Friday last attending the annual Scotch picnic, and were the guests of her cousin, Dr and Mrs McKillop.

Mr and Mrs Arch McLehlan left Monday to visit Toronto friends and take in the 'Ex'.
