A WORD IN SEASON FOR THE EARLY CHRISTMAS SHOPPER

In other years the admonition to 'Do your Christmas shopping early' had the laudable purpose to relieve the strain upon those who serve the retail trade.

HON. HOWARD FERGUSON

Premier of Ontario, who has been offered the Canadian High Commissionership and at present is holding party caucuses as to the wisdom of accepting same.

LETTERS TO THE EDITOR

CONCERNING DURHAM'S PROPOSED WATERWORKS

Dear Sir: Durham should have a plentiful supply of good water. The proposed source of supply is from a well near the south end of town.

HAVE WE HARD TIMES?

Hard times? When Ontario has 122 liquor stores; 105 brewery warehouses and 52 wineries When Ontario has 416,185 resident liquor permit holders? Almost one for every four second home?

Hard times when the total income of the Ontario Gov't for 1930 will be approximately \$58,000,000 or just a little more than the gross income of the Ontario Liquor Commission?

Hard times? When the nation multiplies Ontario's liquor bill in every province but one, in direct proportion to its population?

Hard times? When the people can afford not only the \$56,000,000 for liquor, but the added cost of combating the steadily mounting crime wave, of increased jail accommodation, of the increasing numbers of abandoned and illegitimate children, of the relief of poverty, of the destruction of property, and, most appalling of all, the wanton cutting off of human life at the hands of drunken drivers?

Truly, Premier Ferguson has spoken well in his text book authorized for use in the public schools of Ontario; it is surely foolish in the extreme to have anything to do with alcohol.

PIECE OF GIGANTIC GALL IS HON. H. FERGUSON TAKING THE HIGH COMMISSIONERSHIP OF CANADA

The Review was of the opinion that editor Bradford of Clifford was a supporter of Premier Ferguson, but the following editorial from the Clifford Express does not read that way:

The daily newspapers have carried the announcement that Hon. G. Howard Ferguson, premier of Ontario, has been selected for the office of Canadian High Commissioner at London, Eng., succeeding the late Hon. P. C. Larkin.

The despatches in the daily newspapers reported that Premier Ferguson was quite willing to accept the position but one thing stood in the way and that was the salary. The office at present pays \$50,000 per year, but the bumper high month of Ontario wants \$100,000 per year.

Who does this man Ferguson think he is? Only a few years ago he was a struggling country lawyer in the village of Kemptville and by certain manipulations squeezed his way into the Ontario Legislature as representative for Grenville Co. When he performed the squeeze act he forced a decent old Tory member out of the Grenville representation.

Now he wants \$100,000 per year to represent the Canadian people at London, England, a salary 99 times larger than he ever earned any year while practicing law in Kemptville. Rot, rot, rot, we say.

On the eve of going overseas at the time of the Imperial Conference, Premier Ferguson broadcasted that he was not going over as a delegate to the Conference but while abroad he might do some peaking through the conference keyhole. He has evidently been doing some peaking—for his own benefit.

The world has already heard of What-a-man-Shires; now let it hear of What-a-man-Ferguson. Men, women and children all over Canada, at least 97 per cent of the population are wondering where their next meal is coming from. And while they are in the act of praying for food and raiment, comes the information that What-a-man-Ferguson has no hesitation in asking for an increase in their taxes to the extent of another \$50,000—a sum he never earned in any one year of his life, and a sum he is not capable of earning. What-a-man-Ferguson certainly has a gigantic gall. Our only wish is that his eyes may fall on this contribution for right and justice: it may be a means of suggesting to him that he draw in his chest and stomach. In doing this he

MUST PAY FOR PAPER

In giving judgment against a delinquent subscriber, recently, Judge O'Reilly of Cornwall made the statement that newspaper publishers had a hard enough time financing their business without being done out of subscriptions.

If a person wanted to stop a newspaper, the proper way was for him to pay all arrears and get a receipt, or, if he was paid up, refuse to take the paper at the Post Office and have a record made of his refusal. A man who owed for a newspaper could not stop taking a newspaper and expect the publisher to go without his pay.

It may be added that no publisher wishes to force his newspapers on anyone and any subscriber wishing his paper discontinued will have no trouble if he does so in an honest and business-like way.

may then be able to place his feet on the sand where he honestly and religiously belongs. To the Rt. Hon. R. B. Bennett, Prime Minister of Canada, we have one suggestion to make and it is this: The people of Canada are passing through a strenuous and heart-breaking period and if he should in any way be a party to appointing What-a-man-Ferguson to the Canadian High Commissionership at a salary of \$100,000 per year, he can with his government retire from office. The people of Canada did not elect Mr Bennett and his Conservative party to office for the purpose of financial sky-diving and if they think they did, they are sadly mistaken, and are only catering to a notice to quit. And quit they will, for the Canadian intelligent electorate will soon tell them.

HONORS TO PREMIER HOWARD FERGUSON

The Premier is home from his Old Country trip and is holding the news for a few days till he confers with his colleagues, about the proposal to appoint him High Commissioner from Canada to Great Britain. Canadian papers are almost sure of the honor coming to him and that he will accept.

He has been so long and so popular as premier, at least among his friends, that to quit the position must cause a pang of regret. He has been a most successful leader and a problem of no small importance will be to select his successor.

It goes without saying that he will honor the high position. He has ability and courage and a warm-hearted loyalty to the Empire and Canada, that is fitting to the position.

The position has hitherto carried a salary of \$50,000 and rumor has it that the premier wants it to be \$100,000. Let us hope this is only rumor.

We have not however, heard of any attempt, says the Walkerton Herald Times, being made to prevent outsiders from spending their money in Toronto.

OBITUARY

DAVID GILMOUR

A death we regret to record, took place at Burgessville, Oxford Co., on Wednesday, Nov. 19th, when David Gilmour, at 59 years of age, answered the higher call, after a lingering illness, from hardening of the arteries.

He has been bedfast since August last, a short time being spent in Brantford hospital.

The late Mr Gilmour was a native of the 16th con. Normanby Tp., the son of the late Mr and Mrs Allan Gilmour. Up to the time of his removal to Oxford Co. eight yrs ago, he was a continuous resident of Normanby. He was a public spirited citizen and universally respected as neighbor and friend.

Hamden-United Church suffered the loss of one of their best workers on his removal.

Twenty five years ago he wedded Agnes Hunter of Egremont Tp. and with his widow there mourned five children, Misses Marie, Eleanor and Islay, Gordon and Allan, all at home. One brother and two sisters survive: Allen, principal of Elora High School, Miss Maggie, who made her home with deceased and Grace, Mrs Sam Allen of Chesley.

The funeral took place Saturday last from his residence at Burgessville, the relatives attending from Hunter, daughter Edith and two sons, Egremont: Mr and Mrs Jas Mather and Miss Mary, Durham; Mr Chas. McAllister, Normanby.

The service was conducted by Rev. by Rev. J. Elwood Mitchell of Burgessville United Church, of which deceased was a member. He spoke very feelingly of the high place deceased held in the hearts of the people of the community, by his sincere loving disposition and beautiful Christian spirit, in addition to his keen interest in church activities.

During the service two beautiful Morley quartette and a duet by Frank Griffin and John Fletcher. Beautiful floral offerings adorned the casket.

MRS (REV.) ROBERT PATON

Many friends of Rev. Robert Paton, formerly of Artemesia and Fleisherton, as well as some time student pastor at Hopewille, will share with him in the sorrow, occasioned by the passing of his wife last week end at her home near Goderich. On Sunday, Nov. 16th, a child (stillborn) came into their home and on Friday the wife and mother breathed her last. This young couple were married two years ago in August and since August last he had the pastoral charge of Roseneath United Church.

Last week's items Our pastor gave a good sermon on Sunday on the 'Simplicity of Jesus'; His humble birth in a manger, and buried in a borrowed tomb, no home of His own, no money or position, no church of His own, but attended the Jewish places of worship, until they put him out, when He went out and gave the gospel message by the lake-side, or wherever the crowd gathered.

And then at the close of His ministry He suffered the shameful death on the cross and splendor. He would have had multitudes of followers, but He came to minister to others and so must we be, if we would be His disciples.

Mr and Mrs D Marshall had a short visit with their daughter at Allsa Craig this week.

Mrs W. Caldwell returned Wednesday after a week spent with Owen Sound friends.

(This week's budget) At the service Sunday, Rev Mr Honeyman spoke on Missions and gave an interesting account of his own experiences in the many years he spent in mission work in the West.

Money spent in mission work is not wasted but will yield us a real dividend in souls saved. Jesus' command 'Go ye into all the world' is for us today, as well as the disciples of old. He will hold us responsible. The Thank offering for the W.M.S. was taken up at this service.

Mr and Mrs T. McAllister and Mr. and Mrs W. Caldwell spent Thursday with Desboro friends.

The Y.W.A. and Mission Band will meet at the church Saturday afternoon, Nov. 29th.

Miss T. E. Byers spent Monday with Mrs W. Backus of Hampden.

HAMPDEN
