Australian butter in Canada for less than 32c a lb had been made. He had done a good deal to improve the quality of live-stock. During the 9 months he had been Minister, Mr. Weir said every possible effort had been made to obtain information on processing and packing plants with a view to instituting experimental plants. The Minister pointed out that Canada's losing by not having a central control over the quality of butter put upon the export market. Mr. Weir had met the prairie Premiers in Winnipeg and had made arrangements with them to meet the agricultural crisis—that is see farmers had seed grain and oil—but certain terms of the agreement were kept secret in the public interest, which possibly means that the Premiers thought it best not to make known the amount of help that would be given, lest they be swamped with requests. The Minister stated that he had invited co-operation from agricultural members all over the House and had been met by a splendid response from the independent groups. The independent farmers in the House voted against the Brown resolution and in favor of the Gov't, on the grounds that the Gov't must be given a chance to bring down its policy before it was condemned. In 1922, Arthur Meighen, then leader of the Opposition, moved a vote of want of confidence in the Gov't before it had been in session a week. On that occasion we voted for the Gov't. Any Gov't must be given an opportunity to do what it has said it will do. An attack of flu prevented me being in the House for the vote on the Brown resolution.

THE ALLAN PARK U.F.W.O.
The May meeting of the Allan Park U.F.W.O. was held at the home of Mrs. James Turnbull, with eleven members and eleven visitors present. The meeting was opened in the usual manner by singing opening ode and repeating creed. It was decided to discontinue the social evenings during the summer months. A program in charge of Mrs Geo. Alexander and Miss Mary Hopkins consisted of the following numbers: a song "My Old Kentucky Home", reading of the study book by Mrs Geo. Turnbull, a reading by Gladys Mighton "When pa puts the ashes out", a speech by Mary Hopkins; a song "My darling Clementine"; a reading by Mrs Robt Johnston; a solo by Mrs Fred Torry "Black sheep lad"; a humorous reading by Annie Turnbull; a recitation by Gladys Alexander; and several contests, after which the National Anthem closed the meeting. The hostess served a dainty lunch, assisted by her daughter Miss Annie and Mrs. Geo. Turnbull. The members of the Club and their families held a progressive euchre social at the home of Mr Jas Hopkins on April 17th. There were eight tables and eight games played. Miss Annie Turnbull and Mr Harvey Smith were winners of first prizes, while Miss Gladys Alexander and Mr John Emerson received the consolation prizes. At midnight lunch was served dancing followed. The roll call for next month is to be answered by "Dont's for the kitchen". The June meeting is to be held at the home of Mrs Wm. Fulton on June 5th. Everyone welcome.

desks were removed. The Prince and Princess received with the Speakers and their wives. The Princess made a particularly happy impression on everyone: she is a beautiful girl. They shook hands with each of us, which I understand is not the usual custom. It must be most interesting to go leisurely around the world as they are doing. Sir Ronald Lindsay, the British Ambassador to Washington, visited Ottawa. The Prime Minister entertained at lunch all the members of Parliament and Senators. The lunch took place in the Parliamentary restaurant, which was filled to capacity. A rare thing. Sir Ronald and the Prime Minister received us at the entrance to the dining room. Sir Ronald is a large man, towering above the Prime Minister. The luncheon was distinguished principally by the excellence of the meal, culminating in great glasses of silver trays, each ice an exact replica of Windsor Castle, even to the crown on the top, and by the brevity and non-committal character of Sir Ronald's speech.

Mr and Mrs Jos Brown and family, were visitors with Mrs Wm Hargrave. Mr and Mrs Geo Collinson spent over the week end with Hamilton friends. U. F. W. O. CLUB
The monthly meeting of the Rocky Saugeen U.F.W.O. Club met at the home of Mrs Thos Turnbull. It being a nice day, most of the members were present and a few visitors. The president, Mrs Joe Crutchley, was in the chair and the roll call was answered by a cure for the blues. The program consisted of something on "Mother's Day". Mrs Lawson gave a splendid reading on "Mother" and Mrs D. Clark and Mrs Murray Ritchie rendered a pleasing duet. It was decided at this meeting to entertain the Varney and Amos ladies clubs at Mrs Joe Crutchley's in July. Mrs Arthur Edge was appointed delegate to attend the Convention in June at Flesherton. The three convenors then gave their report on "Citizenship, Marketing and Legislation" which questions were well discussed. The questioner was the next item on the program. Some humorous and some educational questions were asked. The general feeling of the meeting was a move to have cheaper rates on the rural telephone lines, while the farmers are receiving so little for their produce. The next meeting will be at Mrs Thos Milligan's, the roll call to be answered by a favorite author.

Rev. Hayes Addresses I.O.D.E. at High School
On Thursday night last in the High School, the popular rector of Trinity Church, Rev. E. Hayes, addressed the I.O.D.E. and any others who cared to attend, on a topic not seldom dwelt upon, "The Relationship of Peace and War to each other." It was a great pity that more did not avail themselves of this privilege. The blessings that arise from war are outnumbered by the curses of the world and the elements at work today to preserve peace, such as the League of Nations should receive every consideration and sympathy. Before permanent peace may be gained, international integrity must rule: if every citizen of every country stated they were not for war, a different outlook would ensue. To abolish war forever there will have to be political unity in the world: nationality would have to go and the interests of the world should be as of one family. It was a mistake to educate citizens to extol the empire at the expense of other nations. Rather we should develop and educate ourselves to the idea of a brotherhood of nations and the golden rule, "Do unto others," etc be applied. At the close, a vote of thanks by Miss Hunter and seconded by Mrs. Kearney, was extended Mr Hayes, for his war and peace lecture. The Regent, Mrs Sparing, presided.

ROCKY SAUGEEN
We are having fine growing weather and everything is looking nice and green. The farmers are pretty well on with the seeding. Miss Susie Bell, Durham, was a week end visitor with Miss Glenna Lawrence. Mr and Mrs Neil McLean were visitors this week with Mr and Mrs. Arch McArthur, Aberdeens. Mr and Mrs Ed Simpson and baby Myrtle, spent a day the first of the week with Mr and Mrs Joe Noble, Aberdeens. Rev Mr Wilson, Paisley, will occupy the pulpit here next Sunday. Pleased to hear Alister Lawrence is able to be around again after being in a motor accident last week. Mr and Mrs Doug Clark and family, were recent visitors with Mr and Mrs Jack McKechnie, Glenora. Mr and Mrs Jas Miller and family were visitors this week with Mr and Mrs Andy Hastie, Crawford. Miss Islay McKechnie, Flesherton, was a week end visitor at her home. Rocky Saugeen W. M. S. The May meeting of the W.M.S. of Rocky Saugeen church, was held at the home of Mrs J. McKechnie, with an attendance of 22 members and visitors. The Pres. conducted the meeting and after devotional exercises, splendid papers were given by Mae Bell on "Mother's Day", while Mrs Allan Boyd gave a well-prepared paper on "Work in our Auxiliary." Mrs McQuarrie's paper was on "Character Building" and Mrs G. Boyd, "Hiding from God." The Glenora ladies sang "Will you answer Mother's Prayer to-night" and was enjoyed by all. Mrs D.C. McKechnie gave the closing prayer. The June meeting will be held at the home of Miss M. Fletcher on the 4th prox. All ladies invited.

I.O.O.F. and Rebekahs
(Continued from Page 1)
The choir rendered the anthem, "O God our help in ages past" and a male quartette also supplied a number. After returning to lodge rooms, hearty votes of thanks were tendered the pastor, choir, church officials and marshal for their contributions to the service and also to the visiting Rebekahs. The Bible from beginning to end is a record of links—linking men together and linking men to God. Christ dwelt among us that He might link man to God—He became the Great Link. The supreme thing in human life is to bind men to God. Naomi's love transformed Ruth: it linked her to the fellowship of God. "The challenge the Lord flings to you and me is to be links—to link the man outside to brotherhood, to link the man who is down to something higher." the pastor exhorted in closing. "When linked to Jesus Christ, we find ourselves linked to everyone of like mind. Our challenge is to link every brother to Jesus
