**NEW UNITED HYMNALS DIS-  
APPEARED IN TEESWATER**

The Teeswater News says the United Church there placed 50 Hymnals for general use of the congregation on Sunday morning, the first time of the use of the new books for service. To avoid the users being of the opinion that the books were theirs the church had the ownership pasted in conspicuous form on the cover. Some did not read the outside.

Just sang from the inside, or could not read the sign on account of the too bold effect, so took the books home with them. There were just four missing after the first service. The 50 books will last about 3 mos. at this rate of depreciation. Of course when all are supplied it will then be safe to put the books in the seats with a nice brass chain attached, or a squaker, made to give forth its squawk when the book finds itself outside of the church.

Mr Matt. Beckett, former license inspector for South Grey, is leaving the first week of June on his first return visit to his old home in Ireland, where he left as a lad of 12. While over there he will visit the grave in Flanders of his son Harry, a member of the Grey battalion, who fell in the Great War.

**METHUSELAH**

Methuselah ate what he found on his plate  
And never, as people do now,  
Did he note the amount of the calorie count—  
He ate because it was chow.  
He wasn't disturbed as at dinner he sat  
Destroying a roast or a pie.  
To think it was lacking in lime or in fat  
Or a couple of vitamins shy.  
He cheerfully chewed every species of food,  
Untroubled by worries or fears  
Lest his health might be hurt by some fancy dessert,  
And he lived over nine hundred years!

**THE ROLL CALL**

A recent issue of a Hillman, Mich. paper, records the death of an old Durham resident there:

"Joshia Wiggins died at his home in Jackson on Wednesday, April 29, after an illness of over a year's duration. Mr. Wiggins was one of the pioneers of Montgomery Co., coming here from Durham, Ont., in 1882 and residing here until 1901 when he moved to their present home in Jackson. Joshia Wiggins was born in 1860 and in 1884 was united in marriage to Janet MacQueen. He served two terms as sheriff of the county and was active in many early events of the township and county. Besides the widow he is survived by four children, Mrs Myrtle Clark and Miss Wiggins and Mr Arthur Wiggins, all of Jackson; Clifford Wiggins, Chicago, and one sister, Mrs J. J. Wilson, of Durham, Ont. He was a member of Hillman I.O.O.F. and the Masonic Lodge.

**20 CHILDREN LIVING WITHIN  
20 RODS IN UPPER TOWN**

The issue of the Review two weeks ago, quoted Durham's population as 1797 as taken by the Assessor this Spring. Were he to go the rounds again it would come to over the 1800 mark, for in the last two weeks on the Upper Durham Road in the town limits, from the Review Office corner west, the population of our town has been boosted by 21 citizens and citizens-to-be. In a short stretch,—say 20 rods west from this corner,—there are twenty children and adults if this can be repeated in any similar distance in town. The arrival in town of Mr Dewar, wife and seven children from Shallow Lake, living in the former Robert Scott home, makes the number swell up. Also in that distance live two of the famous Caswell triplets and upon entry of their fourth year of life in Durham, they are able to give a good account of themselves.

**KNOX CORNERS**

At our service Sunday our pastor spoke from the words found in the Book of Job: "Yea, all that a man hath will he give for his life" or in other words "The love of life" and we should value the life that God has given to each of us and live it for His honor and glory. Are we living for the few brief years of this life alone or for the endless years of eternity?  
Mr and Mrs Geo Graham from near Owen Sound, were visitors over the week end with Mr and Mrs D. Marshall and Mr and Mrs W Caldwell, and the Lothian family at Dromore.

Our W.M.S. met the past week at the home of Mrs J. M. Marshall, 22 ladies being present. Several of the members read of mission work in India and Mrs T. McAllister read an interesting letter from Mrs Chas. Robertson who with her husband are missionaries in India. The latter is a brother of Mrs McAllister. The roll call was answered by a verse on "Fear." Mrs Marshall served lunch at the close and a social hour was spent.  
Miss Margaret Marshall spent Sunday in Durham with her friend, Miss Saunders.

It is with sadness that we write of the death of Dr G. M. Leeson, which took place at his home at Varney on Thursday last. The community have lost a kind neighbor and many have lost a real friend. The very large attendance at his funeral was a token of the esteem in which he was held. Our sympathy goes out to all who will feel his passing, especially to Miss Margaret who will sorely miss his companionship.  
Mrs Porter visited last week with her brother, Robt Lawrence and family, Glengie.

Miss Maud Thompson came home from Toronto last week to spend a couple of weeks' vacation at her home here. She returns to hospital duties June.

Congratulations to Miss Margaret Webber and Mr Donald Elder, who are being married Wednesday of this week at Manse, Dromore. The bride was our next neighbor before her parents moved to Egremond a year ago and they both have been members of Knox choir. We wish for them many years of happiness.

**HAMPDEN**

It may be Blossom Week in the Niagara Peninsula but Grey County residents don't need to travel that distance to take in the beauties of the landscape and take the risk of becoming mixed up in the traffic. Right now we have any amount of blossom. The fruit trees are doing their utmost to outdo their neighbors in the line of color—some white, some pink with the background of green. The shade trees and woods have sprung out in leaf too just recently. The pastures are picking up with the recent rains.

Miss Audrey Byers motored to Lucknow with friends and spent a day recently.

The young people are advocating a softball team for the coming season and are holding a meeting shortly. A few from this part attended the funeral on Monday, of the late Geo. M. Leeson, ex M.P.P., Varney.

Mr and Mrs And. Fulton and family, visited with Mrs Wm Fulton, of Mulock, recently.  
M. W. Byers and family motored to Elora recently and spent the day among the rocks on the river bank. Grippe or flu has been quite prevalent in this neighborhood. Some have been under the Dr's care but we are glad to say are getting better. Congratulations are extended to Mr and Mrs John Becker, on the arrival of a baby boy.

The W.M.S. met in the basement of the church and packed a good-sized bale for the needy last Wednesday afternoon.

**SO SAY WE**

Chesley Enterprise: There is considerable force in the contention of these Western members of the House of Commons that the two big railway companies of Canada have spent too much on palatial hotels and charged too high freight rates to keep in touch with popular public opinion. And we learn these big hotels have not been paying investments in these days of financial depression despite the high charges. A tired person should sleep just as comfortably in a bed at \$2 a night at the Ford hotel as in an \$8 to \$10 a night bedroom at the Royal York.

**To the Holders of  
WAR LOAN AND  
VICTORY BONDS**

*A Statement by the Minister of Finance*

IN THE dark days of the War, Canadians loaned to the Government of the Dominion many hundred millions of dollars to enable the operations of the Allies to be carried to a successful conclusion.

When Canadians loaned their money to the Government, they received bonds which were promises to repay them the sum loaned with interest at the rate of 5% or 5½% per annum. On the 1st of October next, \$53,000,000 of these bonds become due; on the 1st of November, 1932, the maturity will be \$73,000,000; on the 1st of November, 1933, \$446,000,000; and, in 1934, \$511,000,000 must be provided for.

It would not be prudent, either in the interest of the security holders or the country itself, to wait until these loans become due before providing for their payment or conversion. Action must be taken well in advance of the due dates to protect the credit of the country. The Government believes this an opportune time to afford Canadians the opportunity to exchange the bonds, which they own maturing in the next few years, for new bonds of the Dominion of Canada carrying interest at the rate of 4½% per annum, which is a very attractive return. Prior to the maturity date of the present bonds, those who accept this offer will, of course, continue to be paid interest at the rate as provided by the bonds they exchange.

Canadians who have always shown confidence in their country are earnestly invited to exchange the bonds they now own for bonds of the new issue. By so doing, they will render less difficult the task of providing for the future finances of the country, will enhance its credit and will greatly assist the Government in the present period of worldwide readjustments.

No money will be asked for and no new bonds will be sold at this time. It is proposed to limit the present conversion to \$250,000,000, but the Government has the right at its discretion to increase the amount if Canadians indicate a general desire to continue their investments in the securities of their Dominion. The subscription books will close on the 23rd of May.

I earnestly seek the active support of my fellow Canadians in making this conversion, which is one of the largest financial operations our country has undertaken in recent years, creditable alike to Canada and its citizens.

*R. B. Bennett*

Minister of Finance.
