A. O. T. S. Class
 The A.O.T.S. Class of Queen St. Church, held an open meeting in the church parlor on June 2. The scripture lesson from 2 Cor. chap 8: 1-5, was read by Myrtle Lawrence. The Dev. talk was taken by Miss Gertrude Glass and current events by Mr Bailey. Miss Margaret Lawrence delighted the audience with a pleasing solo. Rev Mr Hayes of the Anglican Church, gave an interesting talk on "War, its cause and prevention." One of our former members, Mrs C. Smith of Conn (nee Sadie Holmes), was then called to the front and presented with a case of silverware by Mrs G. R. Padfield, on behalf of the Young Ladies Auxiliary and A.O.T.S. Class. Miss Etta Twamley read the address. Mrs Smith made a short reply, thanking the girls for the lovely gift.

King's Birthday loyally Celebrated
 The annual Birthday Tea of Can. Greys' Chapter, I.O.D.E, was held on King George's birthday, June 3, but the subjects of our worthy King evidently prefer to go out of town to celebrate for the attendance was smaller than that of other years. The Town Hall was beautifully decorated with the popular lilac and the tea table was enhanced by a large bouquet of mauve iris, supported on either side by the nodding tulip. Mrs Spaulding, regent, and Miss Weir, B.A., Treasurer, poured tea, and the several members were the assistants. Musical numbers were a piano duet by Mrs Padfield and Mrs H. Kress; piano numbers by Mrs Stauffer, Mrs Harding, Misses M. Hunter, Elsie Kearney, Elizabeth Harding; solos by Misses W. Blyth and E. Harding, and a duet by Vera Lauder and Jean Town. \$20 were the door receipts.

Birthday Social
 Mrs J. J. Wilson celebrated her eighty-fifth birthday at her home at Mr and Mrs Wm. Bourne's on Saturday when a number of her old friends and neighbors gathered around, the afternoon being spent in social chat. The dining-room was tastefully decorated for the occasion. The table was decorated with lilacs and tulips, and Mrs Wilson's two granddaughters, Marjorie Middleton and Mary E. Bourne each carried in a pretty birthday cake, one being given by her grand-daughter, Mrs. Isaac Hooper. After candles were blown out, Esther Bourne read a verse on "grandmother." After lunch was served, Mrs. Rev. Smith sang Mrs. Wilson's favorite hymn "O God our Help in ages past." Mrs Robt. Dargavel moved, seconded by Mrs Robt. Ledingham, a hearty vote of thanks to Mr and Mrs Bourne. Mrs Wilson received many lovely birthday gifts and says she enjoyed every minute of the time.

Rural Youth Banquet and Dance at Markdale

Leading Speaker of Evening William Irvine, M. P., of Alberta

By the arrangement of the Rural Youth Association a banquet and dance was held in the Armouries, at Markdale, on Friday, May 29. It is but rarely over five hundred rural young people sit down at table together. The grim building was transformed by gaiety: many flowers, streamers, balloons and paper balls, carrying out the color scheme of yellow, mauve and green, which made it really beautiful. The exuberant spirit of youth kept things lively throughout the dinner, Alex Sim of Egremont, leading the community singing and Alf. Hinks the yell.

F. R. Oliver, M.P.P., was an efficient toast master. After the health of the King had been drunk, Mr. Haas proposed the toast to "Agriculture", which was responded to by Miss Winnie Binnie. "Youth" was remembered in a toast proposed by Mr Shackleton of Priceville and responded to by Olive Quinton of Massie. Miss Mary Beaton and the Holstein quartette entertained with songs and the Goheen girls of Proton, with dancing. D. J. Taylor, M.P.P., North Grey, extended his good wishes in a graceful speech. Agnes Macphail, in characteristic informal style, introduced the guest speaker, Mr William Irvine, M. P., Wetaskiwin, Alberta. Mr Irvine gave a thought-provoking address on "Living in the Now." He advocated sane living, not excesses, but stressed throughout the deadness of the past and the uncertainty of the future. The future will be what the sum total of 'nows' make it. Some people are so thrifty, he said, that they save their laughter for to-morrow, which policy leaves them incapable of mirth when to-morrow comes. He urged youth to live adventurously, gladly, only for life's own sake: wealth, learning, honor, desirable as these might be, should be the by-products of happy and fair living.

These at the head table were Mr. and Mrs F. R. Oliver; Mr Irvine, M.P.; Mr Taylor, M.P.P.; Mr Alf. Hinks, President; H. J. Turner, Vice President; Howard Graham, Treasurer; Miss Islay McKechnie, Secy; Mr and Mrs Frank Davis and Miss Agnes Macphail, M.P.

The Bob Dory orchestra supplied excellent music for the dance and the catering was done by the James Restaurant people of Owen Sound.

Death Calls Former Priceville Pastor

REV. J. A. MATHESON

With many others in this vicinity and Priceville, the Review mourns the death of a good friend in Rev. J. A. Matheson, of Groulx, Quebec, who passed to his eternal rest, on Tuesday night in Western Hospital, Toronto. Two weeks ago, he came with his faithful wife to the home of his daughter, Miss E. S. Grant, New Toronto, and last week end was removed to Western Hospital. For some years his health has been undermined and recent strokes of paralysis have hastened the end. He was in his 70th year.

Sixteen years ago the late Rev. gentleman left Priceville, after a paroxysm of twenty one years and here he will be buried this Thursday beside his two sons, Donald and Kenneth, who have passed on before him. He is survived by his widow and one daughter, Mrs Grant.

After leaving Priceville, deceased became pastor at Mono Mills, later at Fenelon Falls and Gould, Quebec. He had suffered two strokes before his last illness and for the past six months has not done pastoral work or preached. The death of son Donald in 1913 and Kenneth in 1920, were great griefs to the Mathesons.

To speak of Mr Matheson is but to reiterate the virtues of the Christian gentleman he was. There will be no more sincere mourners over his passing than his former parishioners at Priceville and Sinton Park.

The remains are being brought by motor hearse from Toronto this Thursday, where interment will take place at 2 p.m. in McNeill's cemetery. Here his two sons are buried.

"To live in hearts of those they leave behind is not to die."

The Review extends condolence to his widow and daughter in their dark hour.

DR DONALD MCGILLIVRAY

The death of this well-known missionary of the United Church, took place recently in England, and was shortly to pass through Canada en route to Shanghai, China, where his years of service have been spent. Through his parents, he is well known to an older colony of South Grey people, and their distinguished son has brought honor to them and his church. His long years of service in the Orient, had made him of inestimable value in the translation of the Chinese language. Dr McGillivray's latest task as translator had to do with St. John's gospel, Kagawa's Japanese writings and a dictionary of Christ and the gospels. He was honored by the degree of Doctor of Laws by the University of Toronto on his visit home in 1919.

MRS JOSEPH YOUNG

Mrs Jos. Young, aged 74, a highly respected resident of Glenelg, passed away at midnight last Wednesday, at the home of her son George near Townsend Lake. The late Mrs Young was the last of the family of Mr and Mrs Duncan Henderson and was brought up near the locality where all her married life has been spent. Surviving her are 3 sons, Jos. of Wilder's Lake; Geo. on the homestead, and David on 10th con, Glenelg. Mrs Jno Laughlin (Sadie), Glenelg; Mrs Fred Dillon (Mary), Toronto and Mrs Alex. Aubrey (Marion), Toronto and Mrs Wilson, (Annie) Lookout, Sask. are the daughters.

MISS MARGARET MCARTHUR

Mr John A. Graham was called to Toronto this week to attend the burial of his only surviving aunt, Miss Margaret McArthur, who passed away at Western Hospital, Toronto, on Monday evening. Deceased was the daughter of the late John and Mrs. McArthur. Another daughter was Mr Graham's mother. For many years deceased has made her home at 114 Dovercourt Rd., Toronto, and last fall was removed to hospital for further attention. She is the last of her family and was in her 78th year. The remains are being interred in her early home, 7th con, Vaughan Tp., to-day, Wednesday.

No Stronger Powered Street Lights at Present

Town Council decides on Economy; Will License Fish Dealers.

At a session a few months ago, the Town Council proposed to secure higher powered lights along business part of main street for more brilliant illumination. Coun. Whitmore brought in a report Monday regarding cost. The town now pays \$16 each year for 100 watt globes; cost will be \$8 more or \$24 a year each for 250 watt. As 24 lights would be required, this meant \$192 a year extra for brighter street lighting. In view of the need for economy in these difficult times, Council decided to forego this luxury at present.

Accounts totalling \$792.36 were passed, also \$100 salary to Assessor Town Clerk Rose for a post office box for \$282.43 final estimate for laying mains to W. B. Russell Co. and \$510.40 to R. A. Blyth, for payment on pump house.

Board of Health report showed conditions of town slaughter houses, fair to very bad. The Secy was authorized to write the several meat vendors giving conditions and instructions to have premises more sanitary very shortly.

A satisfactory title having been given, \$150 was authorized to be paid Lucas & Henry for Morton Estate, for property for reservoir.

The dust-laying question on unpaved streets was brought up. Coun. Whitmore stated the dust blinding street, and either oil or calcium chloride should be secured for it and secured. Albert St. should also be sprinkled as it had heavy traffic, but if the rest would do so, he would expense. Council was undecided just where to draw the line on streets to be treated, and Coun. Kress' suggestion of securing prices will be acted upon, and no dust-laying on side streets will be done in immediate future, at least.

More stop signs, leading into the Prov. Highway were required. The two at main corner will be repaired and repainted and a few new ones ordered.

Coun. Kress brought up the matter of cars being parked too close to intersections in town. Highway Act says no cars are to be parked within 20 feet from corner. Suggestion was made to have pavement marked to show this, and to have white strips painted across the pavement for guidance of pedestrians crossing.

Miles Wilson asked to have fish dealers licensed, as outsiders were encroaching on his established business here. A by-law is to be prepared and passed at next meeting, fixing a \$5 or \$10 license fee.

Thos. Bell and Chas Lang were a deputation from Knox choir asking a debate on hall rent paid for concert rehearsals. As rates are fixed by by-law and paid by other organizations Council could grant no rebate.

Trinity Church Laymen's Ass'n was granted use of Lambton St. pavement between Elgin and Albert Sts, for a street dance on June 19. This block will be closed to traffic from 3 p.m. that day until daylight.

Treasurer Ramage reported taxes arrears coming in very slowly and Council authorized him to hold a tax sale on properties in arrears 3 years or over and take legal action where necessary and advisable against those in arrears.

CHILD DIES IN GLENELG FROM SEVERE SCALD

One of the saddest deaths for some time, occurred in Glenelg Tp., at the home of Miles Darcy, 8 con, early Monday morning, when little Doreen Jane Mitchell, aged 3 years, was so badly scalded that she died a few hours after, enduring terrible suffering. With her parents, Mr and Mrs Earl Mitchell and some friends from Toronto, they had come north to visit at the Darcy home over the week end. On Sunday evening a pot of flax seed, which had been boiling on the stove, was removed to floor for a moment, while a pail could be procured in which to empty it. The little girl attempting to open the door, stumbled backwards into the pot.

The heart-broken parents returned to the city Monday, accompanied by Messrs Darcy, Dryan and Sweeney.

LILACS GIVE OF THEIR AROMA AT "LILAC TEA"

The annual "Lilac Tea" of Knox United Church, has become more than a mere tea,—it has become an institution. Lilacs and Maytime are synonymous in import and the beautiful flowers and their left arrangement in the schoolroom of church on Friday last, makes remembrance still linger. The day was beautiful and warm and many ladies of all congregations "came, saw and conquered", over the beauty of the scene. Music at the piano was supplied during the afternoon by Misses M. L. Hunter, Ethel Derby, Kathleen Milne, Mrs Stauffer, Mrs H. Kress, while old time southern songs were sung by a ladies' choir of Knox; solo by Miss W. Blyth; duets by D'Arcy; Ward 4, Robt Mortley; Ward Mesdames T. Bell and B. Stonehouse, 5, Frank Dunbar.

and Mrs Shirley McIntyre and Miss Alice Ramage, Little Jean Town and Vera Lauder captured the audience with a rendition of "I don't want to play in your yard". Tea was served from a well arranged table, the workmanship of Mrs D. B. Jamieson and at each end pouring tea throughout the afternoon were Mrs R. Ledingham, Mrs N. Perdue and Mrs T. E. Brown, while the assistants were young ladies and matrons in the congregation. \$45 was made at this tea.

Enumerators for Gt. Gt. Tp. The census enumerators for Glenelg Tp. and who have begun duties are: Ward 1, Robt McFadden; Ward 2, Anna Shortreed; Ward 3, Frank solo by Miss W. Blyth; duets by D'Arcy; Ward 4, Robt Mortley; Ward Mesdames T. Bell and B. Stonehouse, 5, Frank Dunbar.
