Rita plans her vacation in a hurry

Evening rates on "Anyone" (station-to-station) calls begin at 7 p.m. (local time). Just give "Long Distance" the number you want - it speaks up the service. If you don't know the distant number, "Information" will look it up for you.

Rita had to arrange her vacation trip in a hurry. A sudden turn of events at the office made it a matter of now or never... and Rita chose "now". After seven o'clock that evening (when evening rates over Long Distance were in force) she called her old school chum Helen to ask her suggestion as to the best place to go. "Wonderful", said the happy voice at the other end of the line after she had explained everything. "We are all going to Seabach for two weeks tomorrow. Now you will be able to come with us." And so Rita spent the most enjoyable vacation she ever had, thanks to her call over Long Distance. And the cost of that call was less than the tip she gave to the colored porter.

KNOX CORNERS

At our service Sunday, our pastor spoke from the text "but He could not be hid." Jesus had left His own country and went away into strange and new parts, that He might rest, but the people following Him there, just the same, seeking healing for their bodies, as well as for their souls. He could not be hid, and if He lives in our hearts, His influence will shine forth in our lives. In his remarks our pastor gave a splendid testimony from his own experience, for the old-time religion and the joy and fellowship in the service of the Master.

Holstein Won Opening Game

HOLSTEIN 2 — AYTON 1

Holstein won the opening game of their group by defeating Ayton 2-1, in Ayton on Friday evening, June 5, in a hard-fought struggle. Ayton won the toss and chose to play up the field with a slight breeze and the advantage of the sun. Play ranged from end to end with Holstein having the greater share of the play. Ayton scored first when I. Schenk scored from a free kick from outside the penalty area. This livened up the play with the Ayton goal having some narrow escapes. Yandt made some fine stops, especially on a long shot by M. Ross which was labelled for the upper left corner of the goal. On a combination play by Ayton, Seim shot over the goal and the first period ended with Ayton 1 up. Playing against the grade, the Holstein forward line was functioning much better and were closing in on ten only the good work of the Ayton fullbacks saved them from scoring. Play was more even in this half with Pinder having a number of stops, which he handled with ease. Ayton had 2 corner kicks but failed to tally. White evened up the score on a pass from centre. Gibson shot two hot ones but missed by a foot. With a few minutes to play Gibson shot again, scoring when the ball carooned off Schenk to give Holstein the lead for the first time. In the dying minutes Ayton had another corner kick but failed to score. The ball was in play in centre field when game was called for full time. Holstein this year present a smooth, working forward line with every member a dangerous shot. The two outside wings scored the two goals. E. Patrick in centre and his brother Norman are great playmakers and add greatly to the strength of the forward line. Cargill, an unknown quantity, play in Holstein, this Wednesday, June 10 with our old rivals Midway here on Tuesday, June 16.

Chas Wendt of Midway handled the game to the satisfaction of both teams. Line up: AYTON—Goal, Yandt; Backs—D. Schenk, Lumsden; Half backs—Yandt, I. Schenk, Brown; Forwards, M. Schenk, Connell, Seim.

Isebach, Pinkerton. HOLSTEIN: goal—Pinder; Backs, Eccles, Aitken; Half backs, M. Ross, John Calder, Jas Calder; Forwards, Gibson, Haas, G. Patrick, Nor. Patrick, White.

In the great reformation, Jesus was evident and instilled confidence and courage in man. The fact is needed to be remembered by all that He cannot be hid to obtain peace, joy and loveliness. (Mr H. had the pleasure of his old seat in the choir, joining again in the anthem Dology of many years ago, Mrs Honeyman and Mr Alex Henderson joined the choir for the day in honor of the occasion. The great good-heartedness of Rev R. J. Stewart, conveyed him thither on Saturday night. Practice of the choir was held on Monday evening, at the home of the organist, Mrs Alex Milne while in the neighborhood, as a friendly token to Mr Ramage.

TUXIS' BOYS COLUMN

Camp Saugeen for boys from 12 up, at Holstein from July 17 to 24. The situation is ideal: the beautiful Park now undergoing improvements, the Athletic field and an ample body of water, as well as large areas of bush lands adjacent to it. All lend themselves to the situation to help make it a big success.

The full quota of 60 boys is expected. July 24 is set aside for visitors: a field day is being arranged and all are welcome that afternoon. If any of our readers know the origin and the meaning of the word "Saugeen" we would appreciate being put wise.

Holstein 'Eagles' played the Dro-more boys in Dro-more Thursday evening. Though the Eagles won 18-10, the game was well-balanced and the Dro-more team have a good line-up. The exceptionally good pitching of Brown Irvin helped to turn the tide.

Wednesday evening the 4H Trail Rangers played the Argonaut T. R. Holstein. Again the pitcher won the game, the score being 22-5 in favor of the 4H. The Argonauts showed good sportsmanship and took the defeat like men.

The question has been asked, "What is a Tuxis Square or a Trail Ranger Camp?" Trail Rangers are boys from 12 to 15, the Tuxis Boys are from 15 up. Their activities

closely resemble those of the Boy Scouts, except that in most cases the group is linked with some church. Most of the groups have a meeting during the week and they meet. Mentor or leader is usually an older man who acts as councillor and guide to the boys in and out of the groups. The program is too long to outline but it seeks to bring about the fourfold boyhood development: Socially, Spiritually, Mentally and Physically. Four steps up and on. Along the trail every day.

LETTERS TO THE EDITOR

Editor of Review Leader,

I was pleased to see in your valuable paper in last week's issue, a reply to my letter of the week before, from W. H. Hunter, Reeve of Egremont. I was disappointed in the manner and tone of his letter by which he seemed to be more hurt than amused. I had no desire to hurt his feelings and the little criticism I offered on County Road Committee actions was only a little jab in passing. The whole theme of my letter, as any person reading it will know, was lower taxation. But perhaps his mind is so set on building the 16th con, this year that he cannot see the signs of distress prevailing in a thousand homes in the County of Grey. I said nothing whatever about the changing of the Co. Roads from the 12th to 16th con, in my letter, and why should he bring in something I said Nomination Day and misspily it in order to make out I was not sincere in my plea for economy? I said Nomination Day that Mr. Hunter did an injury to the Tp. when he stopped the work on the County Road in Egremont, the first year he was Reeve, tried ever since to change it and succeeded in doing so, thereby depriving his own Township of 2 1/2 miles of County Road. For two years there was no construction work done in Egremont, although the usual amount of money was spent in other parts of the County. So I asked him if he would try to get the work started again in 1931 if he were elected? He said "No", as the general feeling at the Nov. session was that very little money should be expended on the Co. Roads next year and when Egremont was not getting any construction done he approved of that. My answer to that was, "See that you stay with that Billy." So much for Nomination Day.

Mr Hunter is entirely mistaken when he says the county council does not control the actions of the County Roads Committee. The County Council at the request of our Reeve and Deputy Reeve stopped the work on the Co. Roads in Egremont, not the County Roads Com. And he is just as far astray when he says the Highway Dept will cut down the mileage if there is no construction done. Who cut the 2 1/2 miles off the Co. Road in Egremont? Was it the Highway Dept? No. It

I hope that all residents of Grey Co. who may read this, will impress upon their representatives the need of lowering taxes this year. I am not writing these articles for Mr Hunter's amusement and I hope he will look into this matter more seriously. J. A. Ferguson
