

Holstein Wins Two Games on Home Field

HOLSTEIN 6, CARGILL 1
Holstein defeated Cargill at Athletic Grounds, Holstein, June 10, by the score of 6-1. The game was by a few minutes old when Holstein opened the scoring, Geo Patrick taking a pass from Haas. Two minutes later Norman Patrick scored on a pass from White. Play ranged from end to end with considerable play in centre field. The Holstein forwards were going in for a shot on goal on every rush but Bailey was making them look easy. Gibson missed a sure goal when he kicked high when well in. N. Patrick scored halfway through the first period but it also was called back for a foul. Donnelly scored for Cargill from a free kick. Half time ended with the score 2-1 for the home team. Cargill tired badly in the last period and the defence were unable to keep the Holstein forwards from scoring chances with the result that White scored one. N. Patrick one and Geo Patrick two Bailey in goal was the pick of the Cargill team with the Holstein forwards as a whole, the stars of the

home team.
HOLSTEIN 2, MILDMAY 0
Holstein had to play their cleverest football to defeat Mildmay here on Tuesday, by the score of 2-0. Mildmay won the toss and chose to kick with the breeze and the advantage of the sun. Mildmay started off strong and the first 15 min. pressed the play and only strong defensive play prevented the score. Pinder having several shots to handle but made them look easy. Holstein broke away and went in for several shots. Finally Geo Patrick scored when he tricked past the Mildmay defense and gave the goalie no chance. A few minutes later the same player scored again from a scrimmage to almost clinch the game. During the final 5 min. of the first half, Mildmay made a strong offensive but were unable to locate an open space in the goal.
The second half was marred by an accident when Scheffer, an old timer, who played with Mildmay for years, and a prominent player in the struggle between these two teams a few years ago, had his foot broken above the ankle. This happened half way through the last period and put a damper on the play and enthusiasm of the crowd. A benefit collection of

THE ROLL CALL

ALEXANDER FERGUSON
Word was received the latter part of last week by John A Ferguson, Egremont, that his brother Alexander, had passed away from this life on the 4th day of June, at Drayton hospital, North Dakota. The news came as a shock to his relatives in these parts, who did not know of his sickness. He leaves a wife and family of twelve children (nine girls and three boys) to mourn the loss of a loving husband and father. His family—eight of whom are married, were all present at funeral, which took place on the 6th June.
He was the oldest of a family of fourteen, eleven boys and girls, and a son of the late Daniel Ferguson, a well known preacher of the gospel in the Tp. of Proton in pioneer days. His mother, Mrs Lydia Ferguson, living on Durham St., Mount Forest, at the age of 86 years, now mourns the death of her first born. Four brothers and two sisters survive him: Archie, Beatty, Sask. (who was at his bedside in his last hours) and Daniel, also of Beatty; Charles and John A. of Egremont; Sarah Jane, Mrs Parquhar McKinnon, Pricieville, and Catherine, Mrs Thos Watson, of Egremont.
Born in 1863, he received the most of his education at the public school at Swinton Park, Proton Tp. Like many young men of his day, he thought there was better places in the world than around home, so at the age of 19, he went to California where he remained for five years. Going from there to North Dakota, success attending his efforts. He built a comfortable home and became one of the most successful farmers in Walsh Co. In politics he was a staunch Democrat and represented North Dakota in the Legislative Assembly for two terms, also a magistrate for many years. In religion he was a Disciple, highly respected and honored as a Christian and honest citizen.
Taking a deep interest in public matters affecting the great masses of the common people, he filled many important positions in welfare and social work in his county, extending over a number of years and will be missed as a model citizen and a doer of good works.

MRS WM LONG

Reference was made in last issue to the death of Mrs Wm Long, of Varney, who passed away Wednesday last, after a long and trying illness. She is now laid to rest in Maplewood cemetery and fond memories only remain of a loving wife and sister. Deceased was formerly Jennie Irene Gordon, daughter of the late James Gordon, and was born 53 years ago in Egremont Tp. Twenty eight years has she been wedded to Wm. Long and beyond a short time on the 16th con. Egremont, their married life has been spent at Varney. With the sorrowing husband there mourn four sisters and three brothers: Susan, Mrs Robt Eden; Mary Ann, Mrs A. McCabe; Cassie, Mrs. Thos Moore and Katie, Mrs David Long and David, Thomas and Wm. Gordon. Mrs Long was a member of Varney United Church and will be missed from its ranks.
The funeral on Friday, was conducted by her pastor, Rev R. F. Mercer, Holstein. Many beautiful floral tokens surrounded the sleeper, and her remains were conveyed to their last resting place by Messrs Wm., David and Thos Gordon, A. McCabe, Thos Moore and David Long.

Bringing the family Home
Tonight is the family re-union. It has been a weekly event ever since the young folk scattered to various towns, each to make his or her own way in the world.
It started when Dick left to work in a neighboring city. Dick was full of enthusiasm, but apt to be just a little bit wild. So Dad started the habit of calling him once a week just to keep him under the parental influence.
Then Helen was married and moved away, and mother must needs make weekly voice visits with her.
And now Betty has taken a position in another town. Her voice comes home each week too.
Dad and mother gather all the news and pass it on to the others. It keeps the family together—and the cost of the three evening calls is less than a dollar.
Evening rates on "Anyone" (station-to-station) calls begin at 7 p.m. (local time). Just give "Long Distance" the number you want—it speeds up the service. If you don't know the distant number, "Information" will look it up for you.

Bank of Montreal Statement Discloses Exceptional Strength
Outstanding Feature of Half-Yearly Report is Increase in Holdings of Government and Municipal Securities—Excess of Assets over Liabilities to Public is \$76,171,269.
An increase of over \$30,000,000 in its holdings of Dominion Government and other high-grade securities is one of the outstanding features of the semi-annual statement of the Bank of Montreal recently forwarded to shareholders.
As a result of this strengthening of the Bank's holdings in this attractive form of investment, the total holdings in this department now stand at \$216,329,624.
The opportunity to further strengthen its position has evidently been due in part to the lessened demand for accommodation for general business and to a marked contraction in call loans in Canada and abroad.
The statement, which is for the six months to April 30, shows total assets to be \$786,897,706, compared with \$526,969,537 at the end of the fiscal year to Oct 31st last. Of this total, liquid assets amount to \$396,026,901, equal to 55.72 per cent of total liabilities to the public. Included in them are cash holdings, equal to 11.16 per cent of public liabilities, represented by gold and subsidiary coin of \$29,785,989, Dominion notes of \$44,526,109, and deposit in Central Gold Reserves of \$5,000,000.
The total assets of \$786,897,706 are available to meet total liabilities to the public of \$710,726,437, leaving an excess of assets over liabilities to the public of \$76,171,269.
The largest holdings in liquid assets are in Dominion and Provincial Gov't securities, which stand at \$149,229,626, as compared with \$131,107,484 at the end of the fiscal year; and Canadian municipal securities and British, foreign and colonial public securities of \$58,858,208, up from \$46,447,441. The total increase in the holdings of these high-grade securities in the six months amounted to over \$30,000,000.
The general contraction in business activity throughout the country is reflected by current loans, which now stand at \$278,698,066, down from \$290,872,423. At the same time, call and short loans in Canada have declined to \$11,347,487 from \$17,840,690 and call and short loans outside of Canada are down to \$34,049,765 from \$60,921,712.
Due to general conditions that have prevailed, total deposits show a decrease and stand at \$665,850,090 as compared with \$697,395,742 as of Oct. 31st last.
Profit and Loss Account
The profit and loss account shows a substantial falling off in earnings as compared with the corresponding period last year. This is probably due to a larger proportion of the Bank's reserves being represented in its holdings of high-grade securities and a lower rate of interest earned on its foreign reserves. The profits for the six months were \$2,771,753, equal to 3.69 per cent on the combined capital stock, rest and balance of profits. This compares with \$3,543,917 in the first six months of the previous year. The profits provided for the payments of two dividends disbursed during period and after allowances for taxes and bank premises, permitted of a further addition to profit and loss account.
Profits for the six months were applied as follows: dividends \$2,160,000; provision for taxes Dominion Government \$280,000 and reserve for bank premises \$290,000, leaving an amount of \$131,753 to be added to the sum of \$947,047 brought forward at the end of the bank's fiscal year.

TUXIS' BOYS COLUMN
The folders of Camp Saugeen are on the press and they will be distributed this week. Attached is the application form which the boys should send in at an early date. We asked last week what the word "Saugeen" meant—still waiting.
This ad appeared in a local paper: "WANTED: a boy to gather eggs 14 years old. A few boys like this might be a real asset to the camp and help to the cook.
Did you know?
That First Aid will be taught by Dr G. Brown of Holstein at Camp Saugeen?
That Camp Saugeen is at Holstein in her beautiful Park, from July 17 to 24?
A joint meeting of the Sir Galahad and Eagle Tuxis Squares will be held Monday evening, June 22. The next important business is to appoint a Com. to arrange for Camp.
By the way what do the ants do all winter when there are no picnics to attend?
