

Won and Lost in Box Lacrosse

Durham 10, Walkerton 6
In Walkerton last Friday the same number of goals were scored as here earlier in the week, Durham getting 1 less and Walkerton 1 more. After an inauspicious start, being behind 3-0 for a time, Durham made a strong finish, scored 10 to 3 for the balance of the game. Shearer of Walkerton was referee.

Elora 7, Durham 6
Durham again came from behind to make a battling finish in the game with Elora here on Monday night, but fell 1 goal short of tying the score 6-7. It was a strenuous game on a hot evening and a good workout to gain experience for future contests.

Elora has been playing the new game for some time, having sturdy, experienced players and are one of a strong group in that locality. They show more system to their team-play than the locals as yet, and are more accurate in placing the ball in passes, otherwise they have nothing on Durham. The visitors are a clean, gentlemanly bunch and did no deliberate maiming of their opponents. There was only one minor casualty, Ken Wilson getting struck on end of nose by the ball just off an opponent's stick, but he came back into the game later without any facial injury.

Durham secured the first goal on a neat Murdoch to McDonald play, then Elora followed with 3, before end of 1st period. Elora scored the only counter of 2nd, making it 4-1, then made it 5-1 at opening of 3rd, when Mortimer ran in on nets unchecked; meanwhile an old lacrosse warrior, Mack Saunders had got into harness and he teamed up with McDonald to score Durham's 2nd before the period ended.

In last frame Bob Saunders who was refereeing, also hankered for action, so he broke into the Durham line-up, stick in hand while Martin Lauder handled the whistle for the period. Durham pressed the play, scoring 4 to 2 for their opponents, but could not get the equalizer before time was called.

Table with columns for Goals scored, First Period, Second Period, Third Period, Fourth Period, Penalties, and names of players.

Life of Durham Hospital at Stake

(Continued from Page 1.)
to discuss and promote our viewpoints.
Yours sincerely,
Alexandra Hospital Trust
F. N. NORTON, Sec'y
Copy of Resolution sent by Mr. Norton

Whereas our hospital has been notified by the Inspector of Training Schools, Department of Health, that a student nurse beginning training after June 1, 1929, will be eligible for the examination for the qualification "Registered Nurse" in the Province of Ontario unless such nurse is a graduate of an approved training school.

And Whereas a copy of the Regulations for the conduct of training schools pursuant to the Registration of Nurses Act 1922 has been received by our hospital and complied with.

And Whereas our Hospital Board prefer to continue to conduct the hospital as a training school for nurses instead of employing a staff of graduate nurses, believing the former method to best serve the interests of our community.

Be it therefore Resolved that this Hospital Board seriously and earnestly oppose any legislation or regulations which will restrict or prohibit the continuance of conducting our hospital as an approved training school for nurses and that a copy of this Resolution be forwarded to the Department of Health for the Province of Ontario.

is easily seen how Durham in future will fare.
The town of Kincardine which had their hospital building, site and equipment supplied free gratis, and a grant of between \$3000 and \$4000 annually from Bruce Co., have closed its doors. Their Board tried out this new scheme of employing only qualified nurses with the result of such high mounting expenses that it could no longer function.

Mrs James Booth, Aytton, Crosses the Bar

It is with peculiar sorrow that we record the death of the above lady at her home in Aytton, on Sunday evening last, 20th September at 7.30. Deceased was Miss Mildred Leeson, daughter of the late Mr and Mrs H. W. Leeson, well known in South Grey, especially around Varney. Almost three years ago she was married to Mr James Booth of Aytton, a happy union, so soon to be severed by death. Besides her husband, who mourns deeply, five brothers and three sisters also mourn. These are: Frank and Theodore in Western Canada; Rev. Charles, Indiana; Dr. Ernest, Chicago; Dr. Fred, Beloit, Wisconsin; one sister Edith, Mrs W. Wilder at Rose Lawn, Ind.; Eleanor, Mrs A. Hooper, Mt Forest, and May, Mrs Albert McClinton at North Battleford, Sask.

The writer in his teaching days, learned to appreciate deceased as a pupil and in after days was a constant admirer of her development as a young woman of ability in the teaching profession. She passed her Canadian examinations brilliantly and taught with success in a number of Ontario schools and for a few years in the States. It was while teaching near Aytton she attracted Mr Booth, which ripened into marriage and a wedding trip was enjoyed by both of them which extended to the Pacific coast, returning by Southern and Eastern States. This will be to him a hallowed memory now.

Mrs Booth was a lover of nature and no insect was too small to miss her attention or tender plant her interest. She had collected from the four corners of the earth a wonderful treasure house of curios, which were the admiration of whoever saw them. She was a lover of her pupils and took delight in imparting her information. About ten years ago she broadened her outlook on life by a trip to Europe, which she enjoyed and gave enjoyment to others by relating matters of interest that her observant nature had made her own.

A member of a large family, three have preceded her: Maria, Mrs McClintock; Alba, who died at age of 17, and her oldest brother, Dr. George Mansfield who died in May 1931. Mrs Booth will be mourned by many outside of her own family.

Towards end of June last, she accompanied her sister, Mrs McClinton to Chicago, and while took medical advice for neuritis. The removal of her tonsils was advised and she spent two weeks in hospital after having these removed. It is thought that a cold developing led to septic poisoning from which disease she died.

HOLSTEIN LEADER

LOCAL AND PERSONAL

Don't forget Holstein Show, Sept. 29 and 30. Also the concert put on by the Holstein Dramatic Club under the leadership of Bert Brebner, entitled "The Absent Minded Bridegroom". The players say this is the funniest play they have yet staged. The play will be put on Monday, Sept. 28, and Wed., 30th (Fair night).

Monday night the front three seats will be reserved for children at greatly reduced prices. Part of the proceeds of the play will be given to the Dramatic Club, to help pay the Athletic Field; the remainder to the Agricultural Society. Both worthy causes.

Mr Barbour and daughter, Mrs Adams Hamilton and Mr Fursman of Hanover, were week end visitors with the Smith family. Miss Elsie Andrews who has been in the telephone office, returned to her home at Hornings Mills Monday.

Mr Pinkerton and Elsie, accompanied by Mr Clarence Fenton motored to Toronto Tuesday. While there, they visited Miss Alice Pinkerton, who has been in Toronto for some time. Misses Stella and Mary Woodyard left by motor last week for Agincourt, where they have accepted positions.

Misses Laura Bailey and Margaret Arnill, accompanied by Messrs E. and W. Leckie, Toronto, spent the week end with the Arnill family. Mr and Mrs Rife and Irma, visited Niagara friends the first of the week.

We are pleased to see Mrs Tuck home again after having spent almost three months with friends in Saskatchewan and Manitoba. She reports an enjoyable visit. Mrs R. B. Long and children, Phyllis and Joyce, left Monday to spend a few days in Durham before they take a house to be near her husband. Mr Long is improving but expects to be there some time yet.

Mr and Mrs Wm McKenzie, Mr. Eirik, Arthur Irvin, Lewis Woodyard and Jack McKenzie and J. Duke, went to Toronto Saturday. Mr Wm McKenzie is in Toronto Gen. Hospital, where he underwent a serious operation. The men came home Tuesday but there has yet been no report on Wm's condition.

Mr and Mrs Wm Kennedy and family, visited Barrie friends the first of the week. Miss Ada Morrison, who has a position in Toronto, is spending a few days with her grandparents, Mr and Mrs Wm Brown.

Miss Elsie Davidson, teacher at Wroxeter, visited friends in the village last week. Miss Matilda Christie, R. N., visited with Mr and Mrs Merton Reid at Seaforth last week. She will return to duties in Toronto Friday.

Grey and Bruce Villages Gain and Lose in Population

Census returns for 1931 of Ontario villages in many cases show a lesser population than ten years ago. In Grey Co., Dundalk dropped 1 only—from 675 to 674. Markdale shows a gain of 4, having 882 residents in 1921 and 886 now. Fleesherton has made a nice gain from 422 to 484 now, Neustadt increased from 422 to 454, so from an even start 10 years ago, it scarcely kept pace with Fleesherton. Chatsworth has dropped from 332 to 264 and Shallow Lake from 362 and 325.

In Bruce Co. almost all villages have fewer inhabitants. Paisley has lost 39, from 760 to 721 at present. Lions Head had 425 then, now 406. Tara has slumped from 545 to 459: Hepworth from 317 to 314; Teeswater from 620 to 594, Clifford from 460 to 435, and Creemore from 653 to 591. Fergus shows a big gain—from 1796 to 2590 and Elora a small one—from 1136 to 1198.

In other neighboring counties, Shelburne has gained 3, having now 1075 citizens. Arthur dropped 83—from 1104 to 1021. Grand Valley dropped from 620 to 594, Clifford from 460 to 435, and Creemore from 653 to 591. Fergus shows a big gain—from 1796 to 2590 and Elora a small one—from 1136 to 1198.

NORTH EGREMONT

Mr and Mrs Thos Falconer of Toronto, spent over the week end with Mrs Joe Moore. Mrs Burton Duke, also her father, Mr John Robson, Toronto, are visiting this week with Mrs J M Allan. Myrtle Daly, daughter of Mr and Mrs Thos Daly, had the misfortune to fall off the couch last Thursday, breaking her arm.

Egremont Ploughmen's Association intend holding a Ploughing Match on Oct. 21st on Mr Fleming Reid's farm, con 14. Mr and Mrs W G Wilson are visiting with Buffalo friends this week. The patrons of the beef ring had to do without beef this week, owing to the beast being condemned for tuberculosis. Mr Vernon Nott, who has been selling lightning rods around Toronto the last four months, visited in this vicinity the first of the week. Pleased to have a call from Vern.

YEOVIL

We are sorry to hear this morning that Miss Rosie Lamont has not been so well the last few days—but we hope for better news soon. Mr A. McGillivray, Sr., and Mrs Chas McGillivray, Misses Annie and Flo Sinclair spent a day in Toronto at the Exhibition. Miss Flo Sinclair after an enjoyable holiday returns to-day to Guelph. Mr and Mrs Robt Nicholson were recent guests of her brother, Mr Jno Munn, Minto. Elgin Schenk, Paris, recently visited the home folk.

Mr and Mrs D. Long entertained Mrs Swanson and Miss Estelle, Miss Jennie Calder, Messrs Neil Calder and Art McDougall one evening recently. Holstein Trail Rangers enjoyed a corn roast at Rob Haas' last Thursday evening. A number around here enjoyed the fall fairs at Durham and Mount Forest and are now looking forward to Holstein.

Dundalk Town Bell cracked

The bell in the Town Hall tower, Dundalk, which has served as a town time signal, church bell and fire alarm for years is cracked, and for the past day or so a church bell has been in use. The council has under consideration the purchase of a new bell or clock. It has been suggested that part of the surplus of the Dundalk Reunion be spent in this manner. Could it be that the town father's deliberations were not in tune with the tones of the bell and something had to give way ?!

Here and There

Total number of poultry on farms at end of 1930 in the Dominion was estimated at 60,795,000, of which 55,247,000 were hens and chickens. Value of this poultry was placed at \$54,852,000. Radio is to be used to aid in forest fire protection in Northern Saskatchewan. The provincial forestry department has decided to establish a system of look-out towers equipped with short wave radio sending and receiving sets.

A catch of 244 salmon by three anglers in nine days has been reported recently from the Cain's River, New Brunswick, by G. W. Scott, of Keene, New Hampshire, who was one of the party, and himself netted 111 of the fish. More United States branch factories are established in Canada than in any other country outside of the United States itself, the beginning of last year over 500 such factories were in the Dominion, representing investments of \$540,590,000.

Shipping of all kinds entering and leaving Canadian ports has increased 60 per cent in the last ten years. Total net tonnage, exclusive of coasting, for year to March 31, 1930, was \$9,458,789 tons. To this must be added net tonnage of 87,734,773 tons for vessels entered and cleared coastwise. A gold-headed cane was presented by the Montreal Harbor Commission to Captain A. Freer, master of Canadian Pacific Steamship Duchess of Richmond, on the occasion of the first arrival of the season at Montreal of a trans-Atlantic liner. The Duchess of Richmond reached port April 19.

Increased tourist traffic to Canada from the United States is foreshadowed by reports from Canadian Pacific passenger agents in the U.S., which show a much larger number of enquiries from would-be travellers than in former years. C. B. Foster, passenger traffic manager of the railway, stated recently in an interview at Saint John. Canada said au revoir but not good-bye to Their Majesties the King and Queen of Siam at the border station of Fortal, Saskatchewan, whether they had travelled by Canadian Pacific or their journey to New York. They were passengers by the Empress of Japan on that ship's record-breaking passage from Yokohama to Vancouver.

"It's not so much the captain as the chief engineer who makes speed records possible at sea," Captain Samuel Robinson, of the Canadian Pacific liner Empress of Japan, told the Vancouver Board of Trade recently, at a luncheon in his honor, after his ship had clipped another speed record across the Pacific. She had averaged 22.27 knots over the 4800-mile course from Yokohama to Victoria, a speed hitherto unheard of.

HOLSTEIN CHOPPING MILL

Gives Name to Rockies Pass

naming a pass in the mountains after him. Gibbon Pass has hitherto been anonymous and lies between Shadow Lake and the Twin Lakes, below Ball and Storm mountains in the valley of the Bow, midway between Banff and Lake Louise. Not far from travelled routes in the Rockies and located in one of their most picturesque sections, Gibbon Pass was actually discovered by Mr. Gibbon when he was planning the route to be taken by Trail Riders last summer and himself hiked over the trail between the two lakes. The name was conferred recently by the Geographic Board of Canada in honor of Mr. Gibbon's work as poet, novelist, promoter of musical and folkloric festivals and founder of the Order of Trail Riders of the Canadian Rockies which numbers members from all parts of this continent, Europe and Australia and which has done inestimable work in bringing the glories of Canada to the knowledge of the world.

Recognition of the years of devoted labor by J. Murray Gibbon, general publicity agent of the Canadian Pacific Railway, in recognizing the name of the pass.
