Rebekahs hold Euchre
Lady Grey Rebekah Lodge were hostesses at a progressive euchre at Mr. and Mrs. H. Falkingham's home, Tuesday evening, when a large number of members and friends spent a pleasant evening. Mrs. D. McCallum and Mr. H. Frith won prizes for the highest number of games won. Lunch and dancing closed the evening's entertainment.

Rupert Johnston's Barn Destroyed
The lightning on Wednesday evening last set fire to a large barn owned by Rupert Johnston, 1 1/2 miles south of the Durham-Hanover highway. The barn contained a large quantity of hay, some oats and a set of sleighs. These were all destroyed. The fire had gained too much headway before help could arrive so that it was useless to try to fight the blaze. A large crowd of spectators witnessed the fire.

What Scotch Brew will do
A couple of local fishermen were up to Markdale the other day fishing with worms. They decided to soak the bait in a little Scotch brew they had along with them. At the first cast the rod bent double and a terrible battle ensued. When they finally landed their prize, they found the worm had grabbed a three pound trout by the neck and was strangling it to death.—Hanover P. St.

Bruce Peninsula Bear Shot
Mr. John Lobsinger, one of Walkerton's most ardent fishermen, and hunters, who spends a good deal of his time at his cottage in the Bruce Peninsula, near Barrow Bay, arrived home Saturday morning last with his prize of the season, a bear cub weighing about 75 pounds, which he captured Friday evening near his cottage. He also had a shot at the mother bear which looked to be over six feet long but the dusk hindered his sight and it scampered into the woods.

No Depression at Wasaga Beach
Wasaga Beach doesn't seem to have found this season a depression. A Collingwood despatch says: Town merchants who get out after the beach trade are agreed that last summer was the biggest season Wasaga Beach has ever known. A moderate estimate of money spent on erecting new cottages during the past season is \$15,000 so that the population of the beach is steadily increasing. Over Civic holiday week end it is estimated that 15,000 people were there.

H. McLean Hurt in Collision
When the taxi in which he was riding to go to their camp at Scarborough, was struck by a street car in Toronto on Monday, Hugh McLean, son of Mr. and Mrs. Duncan McLean, Glenelg, was seriously hurt. He received a gash above eye requiring eight stitches, had an arm injured and was bruised generally. He is employed with the Hydro and the street car, it is alleged, would not have crashed the taxi, had its motor man stopped it where he should. Hugh is now recuperating nicely at his uncle's, Mr. Dan McLean, Aberdeen, and hopes to be able to resume work in two or three weeks.

THE ROLL CALL

DONALD CAMERON

There died in Toronto on Sept. 18, after an illness extending over six months, at 25 Locust Ave., Mt. Dennis, near Toronto, Mr. Donald Cameron, in his 71st year. The trouble was of a dropsical nature. The late Mr. Cameron was a native of Glenelg Twp., lot 18 con 2, N.D.R., son of the late Allan and Catharine Cameron. One surviving sister is Mrs. Malcolm McMillan, Scotchtown. He is mourned by his wife and three daughters: Annie, Mrs. Reg. McDonald, Detroit; Ella, Mrs. Aiken, Toronto, and Miss Emily, at home. One son Clifford passed away a year ago. Deceased removed from Durham to Toronto about 17 years ago.

MRS. GEORGE MATTHEWS

Word was received here lately by the Matthews family, that Mrs. Geo. Matthews had passed away at her home at Portage la Prairie, Man. Mrs. Matthews was a native of York Co., born 76 years ago, but on her marriage to Mr. Matthews, made her home in No. 9 section, Glenelg, until 1903, when the family moved to Bagot, Man. and later to Portage la Prairie. They raised a family of eight children, all born in Glenelg. Three of them predeceased their mother—one son in infancy. Deceased is survived by her husband, three sons and two daughters: Milton, John and Fred, at Portage la Prairie; Elizabeth, Mrs. Thos. Stait, Winnipeg and May, Mrs. H. D. Van Meter at Moose Range, Sask.

HYMENEAL

BAYLY — LAMB

'Pinegrove Farm,' Aberdeen, was the scene of a pretty wedding on Saturday, Sept. 26th, at 12.30, when Mary Elizabeth (Maide), only daughter of Mr. and Mrs. David Lamb, became the bride of Mr. George H. Bayly, elder son of Mr. John and the late Mrs. Bayly of Blenheim.

Rev. H. E. Livingstone, former pastor of Guilds United Church, conducted the ceremony. To the strains of the wedding march, played by Mrs. John Hubbard, cousin of the groom, the bride who was given in marriage by her father, took her place under the verandah arch of virginia creeper, hung with white bells and banked by Autumn flowers. She was gowned in white georgette with satin trimmings, cape collar and long, flare skirt, her head dress being a wreath of orange blossoms. Her only ornament was a necklace of pearls and brilliants, the gift of the groom and she carried a bouquet of American Beauty Roses.

Miss Beryl Bell of London, in a dress of lemon-colored net, carrying a bouquet of pink roses and Mr. Jas. Bell, brother of the groom, were the attendants. During the signing of the register, Mr. Gordon Huffman of Blenheim, sang 'Because.'

Following the ceremony the wedding breakfast was served in the dining room, which was a mass of color with dahlias and gladioli.

Later, Mr. and Mrs. Bayly left by motor for points north and east, the bride travelling in blue flowered chiffon, blue picture hat and shoes and hose to match.

On their return, they will reside on the groom's farm, near Blenheim.

DEVENNY — GILMOUR

A pretty wedding was solemnized in First United Church, Waterloo, on Saturday, Sept. 26, at 3 p. m. when Miss Marie Agnes Gilmour, daughter of Mrs. Gilmour and the late David Gilmour, Burgessville, was united in marriage to James Percy Devenny, son of Mrs. Devenny, Kitchener. Rev. Finlay Matheson, pastor, and a former pastor of Chatsworth and Dornoch Presbyterian congregations, conducted the ceremony. The bride was given away by her brother Gordon, while at the close of service, her brother Allan rendered the wedding solo 'Because.' The young couple were attended by bridesmaid and groomsmen. The bride dress was of white satin, with the traditional bridal veil and she carried a sheaf of pink roses and ferns.

After the ceremony, the wedding party journeyed to Westmount Club House, Waterloo, where a buffet luncheon was served 50 or 60 guests. Rev. Mr. Matheson proposed a toast to the health of the bride to which the groom responded. The young couple later left for Montreal, where the honeymoon will be spent. They will take up housekeeping on their return, in Waterloo, where the groom holds an executive position with the Mutual Life Insurance Co.

Best wishes are extended to the happy couple.

Col. Hunter to Speak in Durham, Oct. 6th

Served in Great War on Ten Different Fronts. — 33 Years in the British Army. —
Don't throw up this Opportunity of hearing Col. Hunter on "Present World Conditions."

Durham and district are to be favoured next Tuesday evening, Oct. 6th, when they will turn out to hear a native son, Col. F. Fraser Hunter, D. S. O. Colonel Hunter also holds the honors of 'Military Order of the Dragon', 'French Croix de Guerre', 'Persian Medal of Valor' and altogether has more medals to his credit than any other officer of his rank. As well as a military leader of repute, he carries splendid platform ability and his address on Tuesday, on "Present World Conditions," will carry much authority. No son of Durham has served the Motherland in so many countries as Col. Hunter, and his international outlook is as wide as the earth's surface.

Col. Hunter was born in Durham, the youngest son of the late James H. Hunter, ex M.P.P. His mother is yet a resident of Durham. He received his public schooling in Upperville and further education in Upper Canada College and Royal Military College, Kingston. His first commission was as Commander of Indian Cavalry in India, then known as Indian Staff Company; served in Boxer War 1899-1901 (Relief of Pekin); adjutant of Indian Cavalry at King; Edward's Coronation in 1901; served on Lord Curzon's staff in Foreign Office in India, in charge of surveys in Himalayas and Southern India; served in Great War on ten different fronts, including Afghanistan, North West frontier of India: whole of Persia; Chief of staff to British forces in Persia and commanded a brigade; Western front of Russia, serving with Cossack cavalry. On collapse of Czar's army and Koresnik government, he was present at Petrograd during establishment of Bolshevik regime; rescued British secret service cyphers from Embassy in Petrograd. Capt. Crombie, who remained behind in an effort to save archives, was killed by Bolsheviks. Col. Hunter served as first British Provost Marshal of United States and afterwards on Western front in Belgium and France with British forces and was loaned to A. E. F. as Assistant Chief of Staff of American Army Air Service. He was twice decorated by French Government over air combats against Germany over Verdun.

On conclusion of Great War, he was ordered to Afghanistan and subsequently with British forces in Mesopotamia during Arab and Kurdish revolts in 1921; appointed Advisory to Persian Minister of War and served through campaign of 1921 and 1922 in Gilian on Caspian, against Bolshevik armies, receiving Persian Medal of Valor in gold. Subsequently he was appointed to command Persian forces. He returned to India and was appointed Director of Surveys and retired from Army Aug. 7, 1931, after 33 years of service in all parts of the world.

This in brief are the military accomplishments of Durham's distinguished military son and a record of action, we are not afraid to say, unsurpassed by any other officer.

His story on Tuesday, should be of interest to every citizen of the town, so do your share in seeing that the Town Hall is filled to the door.

Col. Hunter is also an author, publishing "Hunter's Map of Arabia and Persian Gulf" and this is still the classic map of that part of the world.

Alton Park School Again Won out in Beninck

At Beninck School Fair, held at Lamlash Tuesday of this week, Alton Park school, (Oscar Moon, teacher), again captured first place for marching parade, drill, etc. There was only one other school competing—Habermehl. It was regrettable that more did not enter, as this is the colorful feature of the fairs. The judges informed Mr. Moon, that his school, which won first at the County fair last year, again ranked high, and in the fairs already judged, he would have only two serious competitors from the other townships.

Several of the Township schools were prominent with exhibits and the singing, speaking, etc. was keenly contested. The crowd was bigger than ever, and it was a difficult matter squeezing through the school to view exhibits.

Notice: All accounts due us must be settled by Oct. 20th. After that date they will be placed in other hands for collection.
