HYMENEAL
HASTIE — McKECHNIE
A marriage of much interest was solemnized Saturday, Nov. 7th, at the home of Rev. B. B. and Mrs. Weatherall, Los Angeles, California, of Miss Mary Campbell McKechnie, daughter of Mrs. John McKechnie, of Durham, and Mr. John Gordon Hastie, of Watsonville, California, son of Mr. and Mrs. Walter Hastie, Holstein, Ont. The ceremony was performed by Rev. B. B. Weatherall, uncle of the bride. The winsome bride was attired in silver-blue taffeta, floor length, with slippers and long silk mittens of shell pink and carried a nosegay of pink sweetheart roses. A profusion of chrysanthemums and

Autumn flowers were used to decorate the house and refreshments were served from a charmingly arranged luncheon table. The bride was given in marriage by her cousin, Mr. Jack Engel, Hanover. Mr. Campbell Weatherall sang the wedding music, accompanied by his mother, Mrs. B. B. Weatherall. The young couple left for Palm Springs Winter Resort, the bride wearing a fur trimmed suit of Spanish tulle shade, with harmonizing accessories.

WE CAN BEAT BRITAIN
(Stratford Beacon-Herald)

In the British House there are 615 members, and the strange thing is that in the House itself there is but seating accommodation for slightly more than 400. Britain has the one central government; there is nothing which compares to our provincial system of rule and although 615 appears to be a fairly formidable number of parliamentarians it is not so great as the number which we have in Canada. Counting the federal and provincial bodies in Canada we find this result:

| | |
|----------------------|-----|
| Ottawa | 245 |
| Alberta | 63 |
| British Columbia | 48 |
| Manitoba | 55 |
| New Brunswick | 48 |
| Nova Scotia | 41 |
| Ontario | 112 |
| Prince Edward Island | 30 |
| Quebec | 109 |
| Saskatchewan | 63 |
| Total | 814 |

So Canada with its ten million population has 199 more governing members than Britain with its population of 47,000,000.

FREE ONCE MORE

After three trials at Supreme Court sittings, the two McNeil brothers, charged with bank robbery at Brussels over a year ago, have been declared released from the toils of the law and they once more are free men. The trials cost Huron Co. over \$5000. At each trial the jury disagreed. There is something rotten in the state of Denmark when no jury could reach a unanimous decision. Several witnesses had identified them as the guilty parties, but other evidence prevented the several juries reaching a verdict. Perhaps it will never be known who robbed the Brussels bank, still suspicion will rest upon the McNeil brothers.

Boys' Conference
(Continued from Page 1.)

singing which was worth 50¢ itself, not to mention "The meeting of the Nuts." Stunts were put on by the different towns, including a model Trail Ranger meeting by the Holstein group. Mr. Ed. Devitt of the Y.M.C.A. gave a fine address on camps, Christian social order for boys—its place in church life.

On Sunday the boys attended the services with their hosts. A mass meeting was held in the Baptist Church in the afternoon. A real challenge was thrown out to the boys to live the Jesus way—to be unselfish, kind and considerate at home at school and at play. Mr. Plewman gave a stirring message and it is felt that life will be different for most of the boys who were at that meeting.

After the evening church services, another mass meeting was held in the Presbyterian church at 8.30. Mr. Plewman made a plea for undivided Christian service. He told how loyal the youth of Russia and Italy were to Communism and Fascism and he called upon the boys to be similarly enthused over the Christian way. A touching closing ceremony was conducted with a circle of boys extending completely around the church and with joined hands sang "Abide with me." Between verses each boy prayed in turn for the boy on the left and on the right. And thus the Conference broke up.

A special tribute should be paid to the local com. for its untiring efforts in making the Conference a success. Bill Bailey had no snap as registrar and deserves credit for the efficiency and shrewdness that he showed. 84 boys registered and it is a conservative estimate to say that at least 125 attended various and thus benefitted. Unfortunately there is a deficit of about \$6.

When one thinks of the fine spirit of the Conference one is reminded years ago that the disciples told the Master, "There is a lad here" and by means of the lad he fed the multitude. So today there is a lad here and another there and these lads are burning with a desire for service will do great things for the Master.

Children Left Alone

In a little house in a back street two children are awaiting Mother's and Dad's return. They are being helped by a friendly organization but there can be no home for them until their parents come back.

Where are the parents? For many months they have been struggling for lost health and strength in the Toronto Hospital for Consumptives. They have benefited greatly, as so many hundreds do, from the quietness, fresh air, kindly nursing and medical attention.

"Abie to walk to the dining-room for two meals a day now" is the proud boast of the only boy from father. But a short time ago he could not be moved from his bed. A few months from now, who knows, he may be back again taking up the burden of the home.

Such work as this has great economic value to the community as well as opening the only way from misery and despair to hundreds of the consumptive poor. The hospital greatly needs your help. Will you please send a gift to Mr. A. E. Ames, 212 Colborne St., Toronto.

Western Medico Sends His Thanks for Bale

(The letter below received by Mrs. C. M. McIntyre, Dornoch, is evidence of the appreciation of the donors of the bale of clothing which was sent in October last by the members of the Women's Missionary Society of Knox United Church, Durham. The Dornoch members of this church were also contributors to the bale.)

Oungre, Sask., Nov. 5, 1931

Mrs. Collin McIntyre, Dornoch, Ont.
Dear Mrs. McIntyre:

One of your bales was opened by us here and we are glad of the opportunity to write and thank your Society for the efforts they are putting forward to relieve the people in this drought-stricken area. We are in Rural Municipality No. 7—40 miles west of Estevan, in the extreme south of the Province. Ordinarily we produce in this municipality over a million bushels of grain. This year, nothing—no feed hay, or vegetables either. This added to a poor crop last year with prices below production costs, has put a population (in this rural municipality) of 2500 in desperate straits. There are over a hundred municipalities in like straits and another hundred in lesser degree.

Mrs. Brown and myself are distributing from our house. The door is open to all—and we try to help all, no line is drawn. Could you see how pleased and grateful these people are for this clothing, you would feel amply repaid. And yours too—the blessing that comes to those who give.

Please extend to your organization our heartfelt thanks and appreciation and the assurance that your efforts are doing much to ward off the fears of the severe winter we are likely to have.

Sincerely yours,
James Brown, M. D.

The Temperance question was discussed by Mrs. W. Derby, Mrs. T. E. Brown, Mrs. N. Perdue, Mrs. B. Stonehouse, Mrs. C. Mortley. The topic in the study book was taken by Mrs. D. B. Jamieson. Plans were made for the Thankoffering meeting on Sunday morning, Nov. 22, when Miss Effie Jamieson, Gen. Secy of the Dominion Board, will be present and take up the morning service. Mrs. W. R. ENCOURAGING CHURCH ATTENDANCE IN THE YOUTH

The Sunday School officials of Knox United Church have started something which may lead them to see larger numbers of children attending church each Sabbath. They believe that once a child gets the habit, it will stay fixed, and the manning of the church for the next generation solved.

In the vestibule of the church now hangs a wall board with brass hangers screwed there to the number of 99. In the school-room of the church on another chart are the names of each scholar of the Sunday School and their number following. Their number on chart corresponds with number on wall-board in vestibule. Below the wall-board is a slot-box affair and on each of these brass hangers is a wooden button; with their respective numbers.

As they enter the church, each child slips his or her button off the hook and drops it in the slot. He or she has thus registered his or her attendance at church that Sunday. This is checked up on the chart in the school-room and a perfect attendance means several stars to their credit. Mr. Bert Stonehouse was the artist who made the wall board and buttons and the scheme will be watched with much interest. If successful it may be given a try-out with their parents!

HAMPDEN

Arrived too late for last week. 'Tho' late in the season, the weather man dished up some extra special sunny, mild weather from somewhere, for the Anniversary Services, held in the United Church, Nov. 8th, when Rev. Mr. Almack, Durham, delivered an interesting sermon to many listeners from other parts. Visitors attended from Edge Hill, Priceville, Durham, Varney, Knox and Hanover and tho' the gathering did not overflow as in years gone by, every old time listener was made welcome. The choir had made special preparation and with the assistance of the Misses Priest of Durham, rendered excellent music for the occasion.

Miss Jessie Bailey, Lamlash, who was assisting her aunt, Mrs. Sharpe, Sr. the past week or two, returned home last Thursday.

Mr and Mrs E. O. Hickling visited with Moorefield friends recently.

Community Party a Big Success in Every Way

I.O.D.E. Realize over \$100 which is being applied to Town Hall Fund.

Community party! Ant it was! Possibly the biggest shake-up of townspiece ever in Durham Hall, was that of Thursday evening last, when Canadian Greys, I.O.D.E. staged a Community party. It was such a success that others will certainly follow next winter. The affair was well named for it certainly represented the community and took more of the nature of an Old Boys' Reunion.

The first stage of evening's entertainment was held in various homes in town, the hostesses being members of the Chapter, where bridge and euchre were played till 11 o'clock. All the possible players who could be thought of, were jotted on paper slips; the hostesses drew from a hat their guests. The ladies giving their homes were Mrs. Harding, Miss Annie Kearney, Mrs. Guy Kearney, Mrs. R. C. Town, Mrs. J. A. Rowland, Mrs. R. M. Sparling, Mrs. E. L. Knight, Mrs. Thos. Henderson, Miss Alma Hughes, Mrs. W. C. Pickering, Mrs. G. C. Webster and Mrs. Lauder at former's home and Miss Marion Calder and Mrs. W. R. Alder, also at former's home.

At 11 p.m. all adjourned to the Hall, where lunch was to be served and prizes handed out. Bridge honors went to Miss Julia Weir and Mrs. C. H. Darling, Messrs A. L. Baldwin and W. C. McLachlan. The euchre prizes went to Harvey Volsin, 1st.

The second was a play-off between Messrs A. McFarlane, C. Elvidge and Mr. Chateau, of Durham Creamery, the latter winning out. The first for ladies was won by Mrs. J. Teeter, and the second was a play-off by Miss Margaret McAuliffe, Mrs. A. Bell, Mrs. M. Kearns, Miss Blanche Boyce and Mrs. C. B. Lawrence. It was won by Miss McAuliffe.

After refreshments—served in both upper and lower halls, dancing was enjoyed for a couple of hours. For the square dancing, Mr and Mrs J. Teeter supplied the music and for the round, Miss Elizabeth Harding and Mr. J. D. McAuliffe.

There was in all 67 tables in play, one home accommodating 15 of them. Over \$100 was realized which will be applied to the Town Hall Improvement Fund.
