## Which Stores Do You Like Best?

An Advertisement addressed to the Readers of this Newspaper

Isn't it true that stores which invite your custom oftenest, and which give you the most information about their offerings are those to which you go by preference?

Isn't it true that silent or dumb stores—stores which never tell you that your custom is wanted and valued, and which never send you information about their stocks and prices, are less favored by you than are stores which inform you, by advertisements in this newspaper, about themselves, their stocks, their prices?

Isn't it true that you want, before you go shopping, information about goods of desire, which are obtainable locally, and about where they can be obtained?

The fact is that advertisements are a form or kind of news, and careful buyers want the kind of news which sellers provide just as much as they want the news which it is the business of the newspaper to provide.

It is advantageous to you, regarded as a purchaser to be "advertisement conscious," meaning to be observant of advertisements and to be readers of them when seen in magazines, farm papers and in your local newspaper.

The reading of the advertisements appearing in this newspaper week by week not only will save you time, by telling you what and where to buy; but also they will direct you to "all alive" stores, providing goods which have been carefully selected and competitively priced.

#### A NEW GEOGRAPHICAL NAME TO LEARN IN ONTARIO

Moosonee Factory on James Bay, will henceforth be known as Moosonee. This fresh name for Ontario's only seaport is a new one for our school-children to learn and though we do not know the exact meaning of the name, it seems to be justified by the fact that it has been used by the Indians of the district for many years back. As everyone knows the T. & N. O. Railway was completed to the new port last autumn and it will be opened for tourist trade and general business next June. In preparation for the opening the railway management is erecting a small hotel of the bungalow type. A combination passenger and freight depot of a temporary character will also be built to serve the new town on a site which will not obstruct the erection of a permanent building as the development of business warrants. The management is to be congratulated upon restricting its building operations in keeping with the times. The prospect is that with the resumption of normal economic conditions a considerable tourist business to Moosonee will be developed. There is romance in the thought that Ontario is at last in touch by rail with Hudson Bay, that great inland sea, which for centuries has been nothing more than a large body of water on the map, identified in them all with the history of the historic Hudson's Bay Company.

#### YOUTHFUL NOTABLES

Foreign Minister Grandi, who made such a favorable impression during his stay in United States, has been a leading figure in Italy for several years, although he is now only 35. His youthful ability has been the subject of much comment, and has recalled notables of the past who attained great fame at an early age, a few of which may be mentioned: Alexander the Great had conquered virtually the entire known world before his death at 32.

William Pitt became Prime Minister of England at 24. Viscount James Bryce finished his great historical work "The Holy Roman Empire" before he was 24. Ruskin wrote "Modern Painters", at 24.

Michaelangelo did his statue of David at 28. Keats died at 25, Shelley at 30, and Byron at 36.

Newton was only 24 when he formulated the law of gravitation.

Hume shocked the Christian world with his writings before he was 28. Mendelssohn wrote the incidental music to "A Midsummer Night's

#### ALLAN PARK U. F. W. O.

The January meeting was held at the home of Mrs Geo. Reay, with 11 members and 2 visitors present. After opening ode and reading of the creed, the roll call was responded to by real good resolutions which go to show that all members take an interest in club work. The Sec'y, Mrs F. Torry, read several letters of thanks from those receiving Xmas boxes and cards. The Club decided to have a progressive euchre this month and prizes for winners. It will be held at home of Mrs Ben Coutts on Jan. 15th, for the members and their families. A program followed in charge of Mrs Wm McCulloch. Mrs Robt. Johnston gave a reading on Christmas. Mrs Fred Torry sang "The hat my father wore"; a reading by Mrs Wm McCulloch, "The song of the farm." A contest was given and prepared by Mrs McCulloch. The things our grandmothers missed. Mrs Geo. Reay served a dainty lunch at close, assisted by Mrs Chas Reay and Mrs Geo. Turnbull. The next meeting will be at home of Mrs Gracie Wise, Feb. 5th. All are welcome.

#### ROCKY SAUGEEN

The U.F.W.O. held their monthly meeting at the home of Mrs Murray Ritchie, with a good attendance of members. The new President, Mrs. Neil McLean was in the chair and opened the meeting with singing, followed by the creed. Several items of business were dealt with and a splendid program enjoyed. The next meeting will be held at home of Mrs Robt Lawson, Feb. 12th.  
Mr and Mrs Malcolm McKechnie and daughter Joan, were recent visitors with Hanover friends.

#### LETTER FROM ALEX. SIM, BOYS' PARLIAMENT MEMBER

Holstein, Jan. 11, 1932  
Dear Boys of South-East Grey:  
I feel that at the beginning of a New Year, I should write to you for several reasons. First to thank you for the support you gave our movement throughout 1931 in our camp, conference, election campaign and group activities. I am pleased to say that through your co-operation we have now 12 groups in this Riding compared to four one year ago. We have now four in Durham, two in Plesherton, one in Hanover, one in Dromore and three in Holstein. May we strive to make even greater progress in 1932.  
Then I want to tell you very briefly some of our experiences at the eleventh Older Boys' Parliament, West. Wright, Hanover, represented the northern part of Western Ontario as a Trail Ranger representative and gave a fine speech on the debate to the speech from the throne.  
We ate and slept at Burwash Hall and we held our meetings, caucus and sessions in Trinity College (Anglican) which is very beautiful. We gathered on Saturday, Dec. 26. About 100 of the lads went to a professional hockey game and some went to see Al Plunkett's "Dumbbells." On Sunday morning we had a most impressive service in Knox Chapel, after which the 121 members signed "The Oath of Allegiance to the King of Kings." We went in small parties after dinner to the various Sunday Schools. I went with three other boys to Victoria Pres. Church where they have an average attendance of over 800. We then toured Hart House, had supper and spent the evening in the Music Room.  
The House had four sessions. Every moment was packed full of activities, committees and groups. Each morning we were inspired by Rev Crossley Hunter's spirited messages. We heard three lectures in three afternoons: Spencer Clark on "Co-operation in Industry"; Lt. Col Drew on "Disarmament" and Rev. Fry on "A new Christian Social Order." Comment on the value of these messages is unnecessary.  
The actual legislation of the Parliament is not I think as important as the high fellowship and the great inspiration for Christian service. Last year a measure was passed which stated that no boy who used tobacco or alcoholics could run for Parliament. Leaders noted a great improvement in the membership. A new clause was added this year to define more clearly the spiritual qualities of the members. The amendment re cadet training caused a heated debate and brought out fine arguments on both sides. A resolution which I helped to bring in was one concerning a Leadership Training course for rural boys in winter months. I would be glad to receive enquiries from anyone interested. The finance bill was passed. The board is in serious straits and the bond selling campaign must go over or we will lose either Charlie Plewman or Gordon Lapp and Ontario cannot afford to lose either one.  
The opening session was impressive and colorful. We had a full gallery. His Honor, Lt. Gov. G. Russell Dingham opened the 11th with all the pomp and ceremony of a British Parliament and Premier G S Henry gave us a thought provoking speech of welcome.  
Premier John A. Hunter, Peterboro, filled his position with dispatch. Lors Carlson of Noranda gave some real spirited opposition and Paul Moore of Oxford Co. filled the same position as last year—Minister of Organization. Though he was the defeated candidate for Premiership, he interpreted the true spirit of Tuxis by sitting beside the Premier and becoming his chief counsellor.  
Judging the success of the Parliament from the serious-mindedness of the members, the high inspiration of the discussions and the effectiveness and usefulness of the legislation: it is safe to say that the 11th Older Boys' Parliament has reached a high water mark in Boys' work.  
 Hoping that this year will see a great advance in our work, I remain,  
Yours fraternally,  
R. ALEX SIM
