Mr and Mrs Billy Nichol and family purpose moving in the Spring to Mount Zion.

The funeral of the late Jas Vause, was held Saturday p.m. from Proton to Evergreen cemetery on the South Line. He leaves to mourn his loss his wife, one son Robert and three brothers, Jack, of Stayner; George in West and Robert on O. D. Road. Sympathy is extended to the sorely bereft wife and son and relatives.

On Monday night the first practice was held at J. McMeekin's for a short play "Striking for higher wages", to be given at the Valentine social in Hall. The characters are Mr. and Mrs. John McMeekin, Mrs Wilfrid Watson, Mrs Boice, Mrs. Dan Campbell, Miss Olive McMeekin, Mr. Bradbury Irwin.

A fine meeting of the Y.P.S. was held Tuesday evening, Jan. 26, when Mr F. Oliver, M.P.P., gave a fine address descriptive of parliamentary procedure, the opening of parliament, Speech from the Throne, appointment of Speaker, committees on a proportionate ratio, the appointment and duties of the "whip", the changing of the seats, resulting in better accusations.

SWINTON PARK

In the Park, as well as all over Proton Township there is sorrow this morning caused by the death of the well known R. D. Armstrong, of Hopeville, who has been Treasurer of Township for many years. We in the Park wish to express sympathy with the bereaved.

Strange, is it not, that the few days cold and stormy were enjoyed by everyone, as we feared we were to be disappointed by the weather man. And more snow is longed for as there is work to be done with sledges. Cars are still running and trucks off to Toronto this morning with livestock—a very unusual thing in Proton in February.

Mr and Mrs Henry Hamilton, Conn, are visitors at George Haw's at present.

Mr Jas Sturrock is engaged with John McMillan in the bush these days: Garfield Anthony is assisting Ed Haw getting out wood for two weeks. Neil D Clark is superintendent of a wood cutting bee for the church on Wednesday, a piece of bush purchased from J. Corbett: John Lane is at present helping Wm Stewart get out saw logs and they were looking for more snow. We never missed the snow until we wished to use the sleigh.

McKay boys are busy putting in the wood at the school and have to take small loads.

The Salem artists purpose giving their play, "The path across the hills", in St. Columba Church, Priceville, on Wednesday, of this week.

The Orange At Home held in the Hall here, on Friday, 22nd Jan., was all that could be wished for in the way of entertainment and pleasant time. The play put on by the Salem people, the music between acts furnished by Joseph Whyte family, then the lunch, followed by the dance, all for 25c, brought out all the Scotch. The hall was too small to accommodate the crowd, which goes to show there are yet a good many people living between Durham and Dundalk and they all turned out.

The Oxford and Cambridge teams of skiers from the Old Country picked Canada and the Laurentians this year as the scene of their exploits, in places of Switzerland during the Christmas-New Year vacation, as part of the all-British programme of spending within the Empire.

They had enough snow at Christmas to justify their venture and the success of the trip was placed beyond doubt by the heavy snowfall of January 2.

PRICEVILLE AND VICINITY**Grey County Council Cuts All Salaries**

(Continued from Page 1)

Board of the Old Age Pensions and Mothers' Allowances, addressed the Council on his work along these lines.

A motion by Reeve Lemcke and Sullivan, that the council ask the Provincial Government to refrain from any construction work on provincial highways in 1932 was passed by a large majority.

County Clerk Fred H. Rutherford, Reeve John Heighes of Holland, Reeve Howard McCauley of Flesherton, Reeve Colin Spence of Sydenham and Reeve A. D. McColeman, Chatsworth, were chosen by the council to the 1932 Old Age Pensions Board for the County of Grey.

The annual grants to Agricultural Societies in Grey Co. in 1932 will be \$125 each, reduced from \$150.

The grant to the Dept. of Agriculture and Fund, Durham high school will get a grant of over \$1400 and its application forms were the only ones sent back for correction. Inspector Burgess, of North Grey recommended that the Truancy Act be not enforced during the war to allow of help on farms, so many men having enlisted.

Mr Geo. Harbottle recently resigned his position as secretary of the National Portland Cement Co., and with

Mrs H. and children left Tuesday to reside in Sault Ste Marie where he has taken a position in the Steel Works.

In Durham rink on Thursday of next week, a hockey match between Hanover recruits of the 248 Battalion and Durham recruits will be staged.

Durham Red Cross Society thankfully acknowledges receipt of contribution of \$125.00, which was half the proceeds of Rocky Sausage box social.

The annual congregational meeting of the Presbyterian Church held on Monday, was one of the most successful of recent years. Not only were all current claims met but an indebtedness of \$225 incurred at close of previous year, was disposed of,

and a balance of \$57 on the right side remains. The total givings for all purposes were reported about \$4600, an increase of \$300 over the previous year.

Miss Edith McKenzie has left for Toronto where she is doing patriotic service for her country in working at munitions.

Holstein: After a prominent part in the business and social life of the district, Mr. R. M. Tribe removed from Holstein Monday to make his home henceforth in Peerless, Alta.

25 YEARS AGO

From Review file Jan. 31, 1907

We were pleased to note in a late issue of the Detroit Journal, a fine portrait of Miss Maggie McFarlane, with accompanying statement: "A graduate class of but two members received nurses' diplomas at the annual commencement of Boulevard Sanitarium. The young women who will carry the honor of being the first two nurses graduating from the institution are Miss Maggie McFarlane and Miss Marion L. Sweet."

Died, at Farewell, Mich., on 25th of January, Mrs. Angus McLeod, sister of Mr. John A. Black.

Mr. Jno. A. Campbell of Duluth, or near it, and formerly of Review staff, is visiting at the parental home at Swinton Park. He is looking well and has done well out West.

We are glad to hear of the success of J. S. Backus who went out West recently and secured a school at over \$700.

Mr and Mrs John Cameron moved to Toronto last week for the rest of the winter. Mr Cameron may go to Florida on a business trip.

Mr Rob Pettigrew hauled coal from Mt Forest for Mr Wm McClemon, to take West with him. Will

not intend to lack fuel amid the prairie blizzards.

Mr Geo. P. Graham, M. P. P. of Brockville, was selected by his

colleagues in the Legislature as Leader of the Opposition until at least a convention is called.

Detroit is convinced that it harbors the two meanest men in the nation. They are Edward Mushro and Wm. Wicher. Charles Williams, aged 35, unemployed, said he had gone to the hospital to give a transfusion of blood, for which he received \$35. When he left the hospital, he became weak and asked the two men to help him home. Once in their car they used a gun and took the \$35 from Williams. It was the first money he had earned in months.

Coming Events

The Tuxis and Trail Rangers are planning on having a night for the parents and followers of the work the boys are doing. They are going to put on two hours or more of plays, stunts, songs, etc. Watch for further particulars. They are also going to have a Father and Son banquet in the near future.

Watch the Tuxis Boys' hockey team this year. If we ever get any ice!

Rob Roy Tuxis Boys

The Rob Roy Tuxis square met in Queen St. Church on Feb. 1st at 7.30.

The meeting opened with Gordon Grant, the pastor in the chair, and it was presided over by M. H. Bailey, mentor. All repeated the opening hymn and prayer. The devotional followed, after which Mr. Alcock led a discussion on "Good sportsmanship".

The business period followed in which the boys planned to visit the Tuxis group in Holstein and Hanover. Then best of all the fun period. The meeting was closed by all repeating the Omaha Tribal Prayer.

Children Left Alone

In a little house in a back street two children are awaiting Mother and Father's return. They are being helped by a friend's organization but there can be no home for them when their parents come back.

What are the odds? For many

months they have been in the

front door for health and strength in the

front door for consumption.

They have benefited greatly, as

many hundreds do from the quiet

kindly nursing and

medical attention.

Able to walk to the dining-room for a meal or two a day now is the

proud boast of the boy and his

father. But a short time ago he

had to move from his bed.

A few months ago, who who

he may be back again taking

such work as this the great econ-

omic value to the community.

With opening the only way from

the consuming poverty and

greatly needs your help. Will you

make a gift to Mr. A. E. Ames, 222 College St., Toronto.
