Manitulan id. sold out of Bible. Judge A. B. The Islanders must be a law unto themselves and set out their own statutes and standards of living.

First Knox Cong. Social was a Big Success. The Ladies' Aid Society of Knox Church decided at a recent meeting to present two Congregational socials. While these were open to the whole membership to attend, it was to be divided into two sections, "West Garafra" and "East Garafra" for the talent, refreshments and any other arrangements. On Monday evening last the first of the two was given, when "Garafra West" were responsible for the night.

The school-room was an animated scene as a contest of wits was on. At intervals throughout the school-room the months of the year were placed and it was the duty of all present to reply to the whole membership to attend, it was to be divided into two sections, "West Garafra" and "East Garafra" for the talent, refreshments and any other arrangements. On Monday evening last the first of the two was given, when "Garafra West" were responsible for the night.

Rev. W. H. Smith, presided over an interesting program. The audience opened with "O Canada," followed by a solo by Chas. Lang "The Songs my Mother used to Sing," a trio singing these songs from behind the scenes. Other solos were given by Mr C. E. Graff in "Little Mother of Mine" and Mr P. Ramage in "The Ragged Vagabond"; quartette, "Kingdom Coming," by Messrs Lang and C. Buschlen. Mesdames W. H. Smith and B. Stonehouse; duet, "When the Bonnie Bonnie Heather is Blooming," Miss A. Ramage. Mr C. E. Graff: Male chorus "Heroes and Gentlemen," violin duet, Mr James and Miss Helen Milligan; piano solo, Mary Town: Readings, Mrs R. M. Sparling and Mrs Wm Derby, the latter a Nellie McClung number, "We all have our limitations." Mrs D. C. Town was accompanist of the evening.

A debate, "Resolved that the styles of 50 years ago are better than those of the present day" brought out the laughs. While the judges, Mrs. W. R. Alder, Mrs J. A. Rowland, Mrs. Mortimer, gave the verdict in favor of the negative, many good points still rest in the back of the heads of the audience present in favor of the styles of 50 years ago! The affirmative was upheld by Mrs Jas. Mather and Mrs Thos Henderson, while the negative was championed by Messrs Peter Ramage and Harold McKechnie.

An excellent lunch closed an excellent evening and in due time the "Go-arafra East" section will hold forth.

Honored their Parent's on Golden Wedding Anniversary

Mr and Mrs E. W. Limin Pleasantly Surprised and Surrounded by their Family of Six Daughters on Sunday.

To have attained fifty years of life together in fair health, endowed with all their faculties and all of their family around them; also to hold the good will, respect and esteem of the people of Durham and district, is the happy lot of Mr and Mrs E. W. Limin, who on Sunday last celebrated fifty years of married life. True, the path has not always been strewn with the roses, but the thistles and thorns were kept in check by the spirit, zeal and co-operation they put into their life work of making a happy home. Now they can add with the poet:

"Grow old along with me,
The best is yet to be,
The last of life for which the first
Was made."

At Hawthorne Dean Farm, Glenelg, the home of Mr and Mrs Jabez Banks on Feb. 14, 1882, was an interesting event solemnized when their second daughter, Mary Dorothy, and Edwin W. Limin, son of Mr and Mrs Chas. Limin, Hanover, were pronounced man and wife, by Rev. J. C. Dunlop, then pastor of Durham Baptist Ch.

Most of the married life has been spent in Durham, where the groom carried on for many years a splendid butchering business, also keeping a stock farm for a number of years.

The family of six daughters born to this couple, while now scattered throughout Ontario, arrived home together Saturday as a complete surprise to their parents. In fact Sunday was for them a day of surprises. As a family they all attended Trinity Church together in the morning and on returning home, the bride couple found a wedding dinner awaiting them, centred by a handsome wedding cake, the work of Coles' of Toronto, on which was the golden inscription, "Wedding Anniversary, 1882-1932".

Spring floral bloom filled the living and dining rooms. After the festive meal together, another surprise awaited them in the form of a beautifully couched address read by their eldest daughter, Mrs. John Morris of Woodstock. Accompanying was a gold framed tinted picture of the bride and groom and a gold mesh bag presented to Mrs Limin, containing a sum of money for them both.

Needless to say, Mr and Mrs Limin were overcome with these testimonies of good will and affection from children and grandchildren, who number ten, but gratefully responded. Two son-in-laws, Messrs Alex. McLaughlin and Nelson Harding motored from London that morning to share in the festivities and returned later same day. Many other gifts and telegrams of good wishes have come to this couple, among them from Mrs Chas McKinnon of Pasadena, Cal. and Mrs. Thomas, North Bay, sisters of Mrs. Limin.

The family are: Mrs (Rev.) John Morris, Woodstock, (Ethel); Mrs A. McLaughlin, London (Flo); Mrs H. S. Jackson, Ottawa, (Ada); Mrs G. R. Pearce, Toronto (Edna); Mrs N. Harding, London, (Minnie); Mrs Arthur McGowan, Durham (Otilie).

The Review wishes the honored couple many more years of companionship together.

LAST INSTALMENT ON TOWN HALL PAID

Can Greys' Chapter, I.O.G.E. are glad to be free of their indebtedness to the town, the share as promised to the Town Hall Improvement Scheme. Last week, the treasurer, Miss J. M. Weir, B. A., paid over the last \$25 of the Chapter's liability and while they have not been scry they cooperated with the Town Council in the scheme, are glad to have the mortgage lifted. It is true the Chapter has given little time for literary, patriotic or educational pursuits the past two years while this debt was on their hands. But now this is off their minds, they will devote their time and energies to other interests that have been calling.

It is wonderful to ponder where the money came from. It is difficult to realize that about \$2340.00 of the Chapter's money has been sunk in the Town Hall but such is the case. The Treasurer's books show the apportionments this way:

Scenery	\$206.00
Lighting of stage	75.00
Building stage	300.00
Other work, stage	100.00
Plastering	73.00
Flooring	365.00
Matting	2.50
Change of steps	15.77
Portico	190.00
Outside work	1010.00
As well the Chapter has donated to Monument Grounds \$560.00 and to Charity (pure) \$223.00.	

Durham Won 2-1; Tied Round with Warton

After a stern 60 minute battle Tuesday night, Durham's Int. O.H.A. hockey team managed to gain a 2-1 decision over Warton, in their second play-off. As Warton won the first encounter in Owen Sound by a similar score, the teams are tied 3-3 on the round, and a sudden death play-off in the Owen Sound on Friday night, will decide which team travels on.

As a big crowd here to view the clash, many motoring from surrounding towns. The game however, due largely to lack of practice, was not of championship calibre and either side will have to show more goal-getting ability to proceed further in the play-offs. A splendid sheet of ice greeted the hockeyists, but the close checking of both teams prevented team work to any extent. While not thrilling, the match was enough to provide excitement, and from a Durham viewpoint the outlook was decidedly blue until the final period. Warton, with a 1 goal lead to start, made it 2 when they got the only goal of the first period and they coasted through second, still keeping Durham off the score-sheet. Elvidge broke through the rugged Warton defence in the 3rd for 2 goals—just enough to win, and tie up the round, but after that neither team could notch the winning counter.

In actual play the first period was even, Durham had a margin in 2nd, and a wide one at start of 3rd till Williams, Warton's goalie, was hurt. After his return it was even up till closing minutes when the Redmen, with 6, to 4 Durhams on the ice for 2 min. had all the best of it but couldn't score.

In actual direct shots on goal Durham was superior throughout. In first period Williams blocked 9 and McDonald 7, in second Williams stopped 8 and McDonald 4 and in 3rd, Williams 7 and McDonald 5. Only a few were difficult saves, however and the play proved that either team had to work close in to count. Both goalies handled the long shots easily.

Warton's veteran defence, Gildner and A. Ashley was the local main stumbling block. Both these former stars displayed great form, Gildner making several dangerous rushes while McDonald and Totten, two other veterans, were also good.

McDonald in Durham nets was in his old-time form, while Elvidge and Dean were most prominent out on the ice. Elvidge and R. McGill displayed some classy stick handling, the latter working in close on two occasions. C. McGill, McIlraith, S. Rowe and Murdoch did some effective checking and their full share in holding down the opposing count, but lacked the scoring punch themselves. K. Wilson on defence, blocked the rushes without fear or favor but has a tendency to draw penalties for charging. Dean is the human dynamo and his rushes always carried steam behind them.

Warton's goal came 13 min. after play opened when Gildner rushed and shot. McDonald cleared but Crane swooped on the rebound and netted the disc.

Three min. after start of last period, C. McGill rushed and poked the puck past the two defencemen. They stepped him but Elvidge slipped past and coralled the puck. He was checked in front of the nets and fell, but scooped puck in falling for Durham's first score. Two minutes later Elvidge stick-handled in from the wing to again bulge the nets. It was pretty work. Durham had the visitors on the run, when Williams, Warton's goalie, stopped a flying puck with his throat, knocking him out. The game was called for 15 min. till he recovered, but Durham's punch was then gone. Near the close, Dean was penalized for boarding and K. Wilson with him for back talk to referee. For 2 minutes McDonald and the three Durham forwards stalled off a determined attack, but the old game and round were almost gone before they came back and relieved the pressure.

Burrows of Harrison refereed, impartially, but missed several offenses on both sides. At that he handed out 6 Warton and 4 Durham penalties, mainly for tripping and boarding.

Durham: Goal—McDonald; defence—Dean, K. Wilson; centre—Murdoch; Wings—Rowe, McIlraith; subs—Elvidge, C. McGill, R. McGill, W. Wilson.

Warton: Goal—Williams; defence—Gildner, Ashley; centre: Totten; wings—Crane, McDonald; subs—O. and A. Schwarz, Smith, Sadler.

LOST: In Egremont Tp., female dog, black and white, brown neck. Reward. Phone 381W. Kitchener.

THE ROLL CALL

MRS. CHARLES BROWN

A death, heard of with regret by her friends in Durham, was that of Mrs Charles Brown, who died on Tuesday of this week, at the home of her daughter Nettie, Mrs Herbert Ball, Winnipeg. Her youngest daughter, Bessie, Mrs Geo. Stinson, of Indian Head, Sask., has also been with her mother in her last illness. The heart action has been weak the last month and this with other complications, was too much for the human frame to withstand.

Her late husband died on Feb. 2, 1928, and the summer of that year she returned to Winnipeg with her daughter, where her declining years have been spent. Through the medium of letters from loyal and dear friends in Durham and vicinity, she has kept in touch with activities of the town and movements of her friends. Six years ago the golden wedding of this couple was celebrated. Mrs Brown was 78 years of age.

Deceased was formerly Miss Sarah Ferguson of a well-known Protca family, brother of the late John Ferguson, recently deceased at Swinton Park. Mourning her death are a step son, James A. Brown of Gravel Road, Winnipeg; Bessie, Mrs Stinson, of Indian Head; Ada, Mrs Will Harding of Hamilton.

Mrs Brown was a devoted member of Durham Baptist Church and during the years of her residence here, her seat was seldom vacant. She was the possessor of a beautiful Christian character, which showed in her every act and speech.

The remains are being brought to Durham for interment, and will reach here Friday, from where interment will be made in Durham cemetery, beside that of her husband.

MRS WILLIAM TORRY

Early last Friday morning, at the home of her sister, Mrs D. Hopkins, near Hanover, there died Mrs Jane Torry, widow of the late William Torry, aged 65 years. For the past two years she has been ill with a heart affection and up to January, lived with her son George on the home place. Two years ago her husband passed away and since that time she has been tenderly cared by her family and sisters. Previous to her marriage she was well and favorably known as Jane Reay, daughter of the late Henry Reay of the Gravel Road. Her children are Lina, Mrs Andrew Park; Nellie, Mrs Robt Crippen, Hanover; George Henry, on the home farm.

Brothers and sisters are Mrs D. Hopkins, Mrs Jos Edmonds, Mrs Jack Murdoch, Lamash; Mrs Thos Wilson, of Durham; John, Christie, Harry, Joe, all of Hanover and Bentinck. The remains were interred Monday in Durham cemetery, services conducted by Rev. W. H. Smith, B. A.

Hon. E. A. Drury has received a check for nearly \$9000 as the remainder of his salary coming to him as premier. There are arrears due us but we have to do more than ask for it.

More than Doubled Objective. The Bond-selling campaign just closed, conducted by the Tuxis and Trail Ranger groups to secure funds to carry on Boys' work in Ontario, was a marked success in South Grey. The allotment in this Riding was \$110, and the boys have sold bonds totalling more than double this amount in Durham, Holstein and Hanover, with Markdale, Flesherton and Drumore still to hear from. Durham boys sold \$91.75 worth of bonds, Holstein \$31.00 and Hanover over \$110.00. Clyde McCallum of Durham, sold most bonds in Durham and wins the award of half expenses paid at the boys' summer camp, if not the big award of all expenses paid, which goes to the boy selling most in S. Grey.
