

RESOURCES

Each of the more than 600 branches of the BANK OF MONTREAL, no matter where it is located, has behind it the full resources of the whole organization, which has Capital and Reserves of over \$74,000,000, and Assets exceeding \$750,000,000.

No account is too small and none too large for the BANK OF MONTREAL to handle with efficiency and courteous attention to the customer's individual requirements.

BANK OF MONTREAL

Established 1817

Total Assets in excess of \$750,000,000

Holstein Branch: M. B. RIXEN, Manager.

VARNEY

Congratulations to Mrs Thos Allen, Varney, who celebrated her 84th birthday on St Valentine's Day, Feb. 14. Her own family are all at a distance and unable to be present, but sent remembrances. Her son James, who preaches in the Salvation Army, at Winnipeg, packed a box of raw fruits and good things to eat, which she was to have on her birthday dinner table. To help her enjoy the hot dinner which she prepared herself, were the Eden and McCabe families of Varney. We are pleased to know that Mrs Allen is in better health again, after being confined to her bed a few weeks with la grippe.

The Varney Wide Awake Club Community Club met at the home of Mr. Ronald Smith, Tuesday, Feb. 9, with a fair attendance. Mr. Ronald Smith presided. The opening number was "Carry me back to old Virginia." The minutes of last meeting were read and taken by Secretary. It was decided the Executive Com. look after the public speaking and debating contest. Community singing and lunch closed the meeting.

The Orange Lodge held a progressive euchre party in the Hall Wednesday evening, Feb. 10. Points counted in the ten games played and Mr. Albert Marshall of Knox won the gentleman's prize—a necktie with 1222 points. In making up the last table there was a lady short so the word "lady" was written on Mr. Thos. Tucker's ticket as he won the ladies' prize—a candy dish with 123 points. Lunch was served.

A number from the locality have attended some of the lectures on Agriculture, Domestic Science and home nursing, at the short courses given in Holstein. The lectures on soils and fertilizers and veterinary science were very beneficial to the farmers. Some took samples of soil from their fields and had it analyzed.

The Varney ladies united with the Knox Church ladies in the World Day of Prayer, Feb. 12, with an attendance of 40. Lunch was served by the ladies of Knox at the close.

KNOX CORNERS

Sorry to hear that Rev Mr Honeyman had the misfortune to break some ribs as the result of a fall over a week ago. Hope he will soon be restored to his usual health again. Mr Ivan Seim of Mt Forest, took the service at Amos and Knox Sunday. He chose for his text, "Prove all things, hold fast that which is good" and spoke of the Presby'n Church, its faith and its history. As Presbyterians we have a noble heritage and perhaps few churches have suffered more in their early history, many giving their lives, rather than give up their faith in God and the Bible. Even in late years it has known hardship. So, if as a church today, we do not accomplish all that we should, we have lost the vision and faith of our fathers.

Miss Holmes of town visited over the week end with Miss Margaret Petty at her home here and attended service at Knox. The W.M.S. World Day of Prayer was held in the church Friday afternoon, Feb. 12, when about 40 ladies were present. The program prepared for the day was followed, members of Varney and our own, each taking part in the program.

Mrs Arthur Lawrence and Miss Doris of Egremont, visited on Sunday with her sister, Mrs A. Picken. We would offer our sympathy to those who mourn the passing of the late Mrs Wm. Sim of Yeovil. Though not knowing her personally, yet from reading her contributions to Review from week to week, we felt a kinship in spirit with her.

Mr P. Daniels of town, spent last week at Mr D. Marshall's. A Racy Writer of Fiction Edgar Wallace, the famous novelist who recently died, it is estimated has written at least 150 books. It will keep many people busy to have read that number in their lifetime.

HOLSTEIN LEADER

LOCAL AND PERSONAL

Mrs Jas Marshall of Normanby is visiting with Mr and Mrs Alex Aitken and other friends in the vicinity and attending the classes.

Several from here attended the hockey match between Durham and Warton Tuesday in Durham. Score 2-1 in favor of Durham. The crokinole social in the Presbyterian Church was a successful event, though there was not a large crowd. Too many counter attractions. Mrs Leith and Bob Christie won the prize. Solos were given by Mrs McMullen, Marjory Neilson, Andrew McMullen. The chorus by the boys was splendid. Mrs Hastie's reading, "The courtship of Larry O'Dee" was very laughable and Mrs Tuck's recitation simply brought down the house. Men were advised to say "Our 'not mine", when they have a partner (wife) or they might get into difficulties.

The dance on Friday of last week, was a success as usual. The next will be on March 4th, by the Agricultural Society. Mr G. Hostetter attended the funeral of his aunt in Montreal last week. Mrs Hostetter has been in Montreal for some time. Miss Helen Smith who has been visiting her sister in Palmerston returned home Tuesday. Miss Greenway from Dobbinton, is visiting her brother, Mr Chas Greenway.

Don't forget the At Home in the Hall on Thursday night. Ladies please provide. Mr and Mrs Holman and family of Kichener, are visiting her parents, Mr and Mrs Jos. Bilton.

A special "Father and Daughter" Mother and Son service is being held by the Eagle Taxis Square, in the Holstein United Church, Sunday evening next, Feb. 21st. The Eagles have invited the Trail Rangers and Sir Galahad Taxis Group to join in the service. A special feature will be a "Father and Son" choir. Mr Alex Sim, Minister of Education in the Ontario Boys' Parliament, will address the gathering. All are cordially invited.

At the close of this unique service, Brown Irvin will render a solo. The Taxis boys, Trail Rangers and all are invited.

CLASSES IN AG'L HALL NOW ENTERING THIRD WEEK

They have started on the third week of the Classes for the instruction of the young women of the community. There has been a good attendance of the regularly enrolled students and a large number of appreciative visitors. The Sewing class under the leadership of Miss E. Clelland, has done very good work, as girls who never ran a sewing machine or did any sewing, made themselves very presentable dresses, as shown in a parade in the basement, at which afternoon tea was served to a very appreciative audience.

The lectures and demonstrations in Home Economics given by Mrs J. H. Shearer have been interesting and instructive and will prove to be of inestimable value to the girls in the building of homes. Lectures will be given on Home Furnishing and plans are being made for a banquet which will be held in the Hall next week. Notice will be given later.

Nursing classes opened Monday, with Miss Hamilton in charge. There was the regular attendance, plus a few 30 visitors. This is a very popular as well as valuable course. We regret that there are several in the community who have not attended the classes.

The course in Agriculture under the able leadership of A. V. Langton and T. S. Cooper, the agricultural representatives, is proving most successful, from the viewpoint of attendance and achievement.

Special instruction has been given in judging grain. The class met at Mr John Eurig's farm on Tuesday,

where they had many good classes in Shorthorn cattle. They met again on Wednesday to judge swine and Jersey cattle at Mr R. Irvin's farm.

Other phases of the course have been equally interesting. These include lectures on crop rotations, feeds and feeding livestock, characteristics and origin of the various breeds of live stock, also the classification and control of farm weeds.

Special lecturers have been present. Mr Howard of Paris on sheep raising and butchering sheep; Prof. Bell of the O.A.C. on fertilizers and Dr. F. I. Page of St Marys spoke to a crowd of over 135 men on Monday afternoon.

It is hoped that this interest and high attendance will continue until the end of the class.

LITERARY SOCIETY ELECT OFFICERS FOR THE TERM

The Literary Society will meet on Friday night in the Agric'l Hall. There will be a debate between Aytton and Holstein. Everybody welcome. Officers of the Literary Society are as follows:

President, Wilma Bilton
Vice Pres., Marion Henderson
Sec'y, Wallace Adams
Treasurer, Harry Cowan
Editor, Mae Aitken
Ass't Editor, Elgin Rahm
Press corr., Florence Carmount

DROMORE

Miss Verna McEachern, Hopeville, spent the week end with her cousin, Miss Marion Henderson. Mr Jack Long of Fergus, was a recent guest with his parents, Mr. and Mrs Dave Long.

The young people are holding their meeting on Friday evening of this week in the basement of Amos. The topic taken by Miss Margaret Leith, is "What is expected of us as good citizens." After devotional exercises a crokinole social will be held.

Out of due respect to the memory of the late Jas Geddes, the social part of last meeting of community goes off at this time, to our pastor, Rev. Robt. Honeyman, who had the misfortune to fall beside the furnace, breaking three of his ribs. Mr Seim occupied the pulpit for him last Sunday. Hope Mr Honeyman will soon be again in his pulpit.

Miss Ada Morrison went to Durham today, Monday, to the hospital and had her tonsils removed. The W.M.S. held their Feb. meeting on Friday, Mrs Alex Henderson occupying the chair in absence of the President. As this was the World Day of Prayer, they went by the program sent apart for that day. Mrs. Alex Hastie sang a solo, after which lunch was served to a very appreciative audience.

BORN

HENDERSON — In Palmerston, on Monday, Feb. 15, to Mr and Mrs. Murray Henderson, a son.

BOND SELLING CAN BE SUCCESSFUL

The Bond Selling Campaign for the Warton Boys' Work has qualified success as Grey is concerned. With a goal of \$1000 to aim at, printing this district, almost two and one-half months ago, the campaign has raised \$121.50. Durham and \$91.75. Holstein and \$21.50 and Fosherton total with all returns \$234.75. These awards are from Toronto, but it will be in the next few days.

The South Grey has had four special sales selling the highest in the four centres. The standing as follows: Clyde McCallum, \$121.50; Wesley Wright, \$91.75; Fred Malher, \$21.50; Tom Borden, \$21.50.

The boy selling the most a bronze medal awarded. These sell a silver medal and a silver medal worth the \$50 mark. These awards are from Toronto, but it will be in the next few days.

The local Board of Health has had the campaign a success the first year and is looking forward to a year of real achievement.

A TRIBUTE IN POETRY TO THE LATE MRS W. H. SIM (From a Friend)

"It seemeth such a little way to me,
Across to that strange country—the
beyond:
And yet not strange, for it has grown
to be
The home of those of whom I am so
fond.
They make it seem familiar and
most dear,
As journeying friends bring distant
countries near.
"And so to me there is no sting to
Death,
And so the grave hath lost its victory,
It is but crossing with abated breath
And white, set face a little strip of
sea,
To find the loved ones waiting on
the shore
More beautiful, more precious than
before."

BORN

HENDERSON — In Palmerston, on Monday, Feb. 15, to Mr and Mrs. Murray Henderson, a son.

"It's Lucky you have a Telephone"

Jim Ross hadn't noticed the broken fence until his favorite roan mare got caught in the barbed wire and cut her leg.

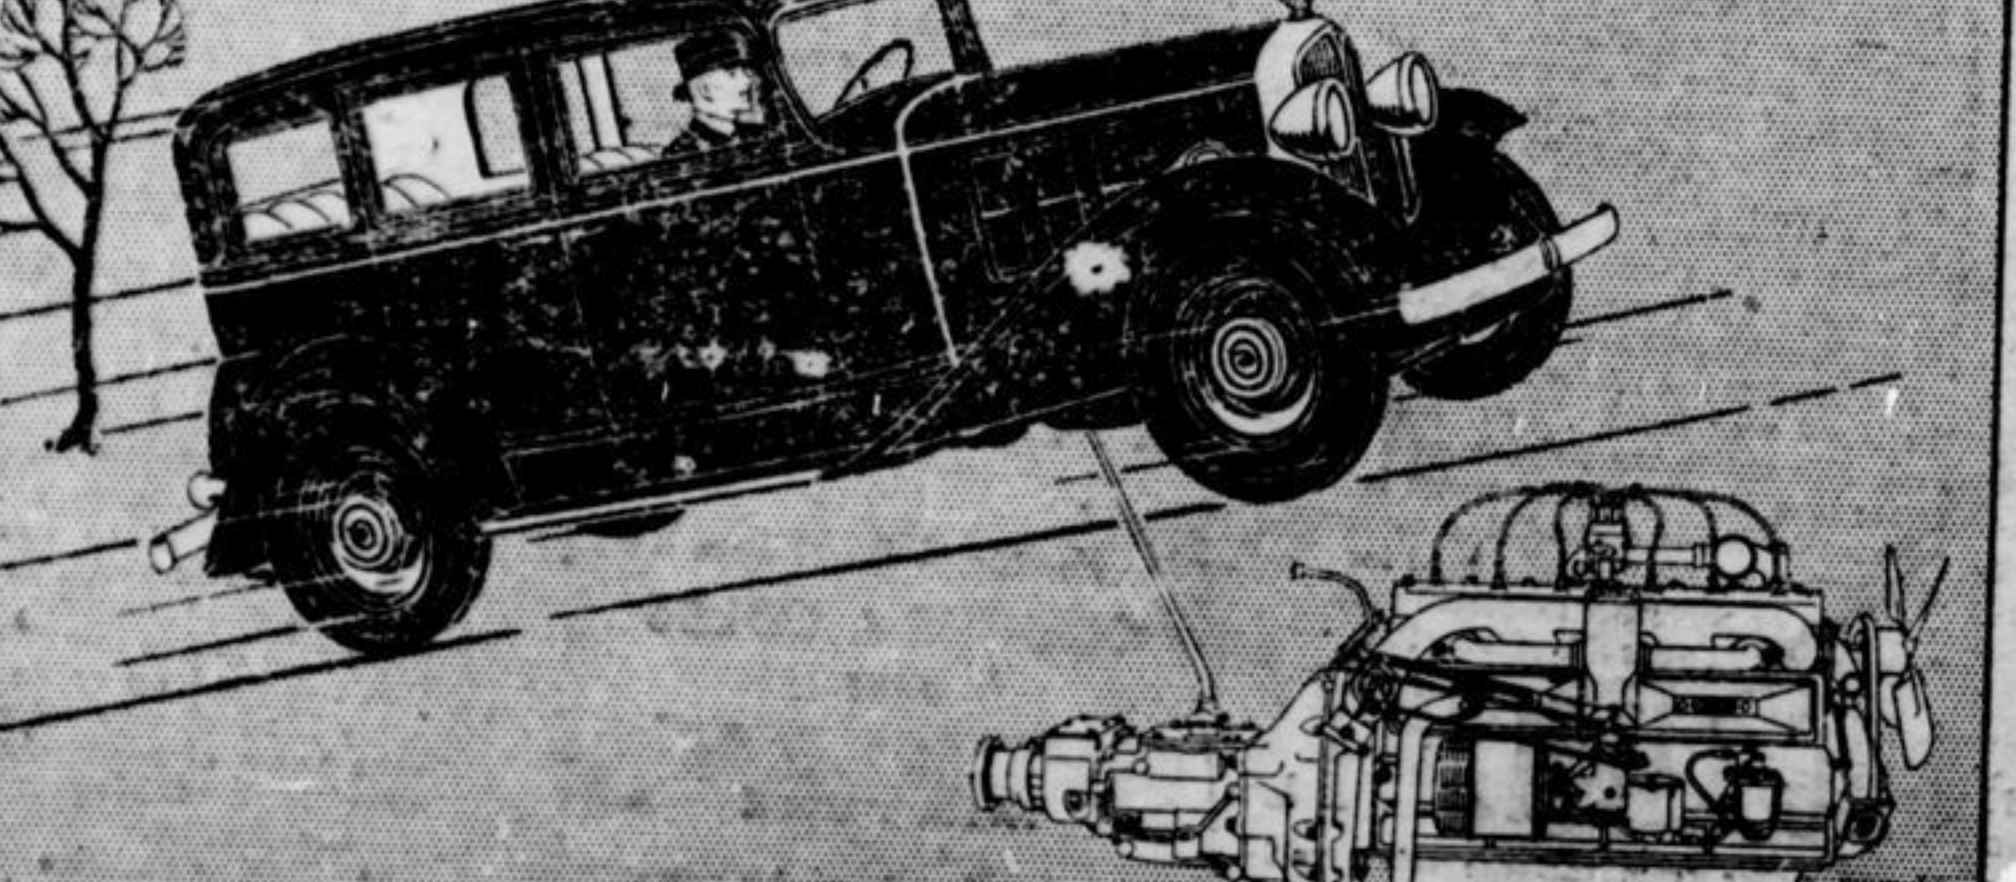

It didn't seem a bad cut at first, but blood poisoning set in and Jim thought he was going to lose a valuable horse. A hurried telephone call brought the veterinary surgeon.

"I think we can save her, Jim," the veterinary said, "but another couple of hours might have been too late. It's lucky you have a telephone."

NEW PONTIAC SIX

DURHAM PONTIAC SALES
W. Keller, Prop. Phone 13

YOU'RE sure to enjoy the brilliant performance of the new Pontiac Six. Once at the wheel you will immediately thrill to its new power flow. There is a thorough sense of satisfaction in stepping away from the crowd when the traffic light blinks. And speed!—there's all you will want and more! This new power peak comes from Pontiac's big compression design. But Pontiac engineers haven't gone too far—regular gasolines can be used. And more—Pontiac's reputation for economy will be continued. When you drive the car you will admit it is an outstanding GENERAL MOTORS VALUE
