Seeing that 10,000 Bell Telephones were taken out of homes last year, due in the main, to non ability to pay for its service, we will have to do with less "hollering" and more "scaring."

Chautauqua in April
The Canadian Chautauqua which delighted so many here last winter, will be held in Durham Town Hall, four days in April, 7th, 8th, 9th and 11th, under I.O.D.E. auspices. Their attractions are better than ever.

Mr Will Harding, Hamilton, brother of our townsman, J. H. Harding, was heard to advantage over the air on Sunday afternoon, from Annette Street Baptist Church, Toronto, which broadcasts its pastor's sermons and special features each Sunday. Mr. Harding's solos had a splendid reception and came in clearly and distinctly.

Affraid he will be Shocked
In many dailies and nearly every weekly in our exchange list these days, we notice on the front page "Cuts" in bold type. After a glance at the ladies' dresses at the opening of the Federal Parliament and Ontario, we hope our sense of modesty will not be shocked by further economy cuts in ladies' gowns. —Chasley Enterprise.

New Restaurant in Durham
Mr and Mrs Wm Pike of Mount Forest are today opening up a new restaurant and home made baking store in Kelsey's vacant store, next Garafraux St. bridge, formerly occupied by George Campbell. They recently sold out their restaurant business in Mount Forest to Donald Lamont as a going concern. With moderate prices they should pick up a good business here.

Showering the Bride
Miss Margaret Lennox, President of the Young Woman's Auxiliary of Knox Church, was feted by the members of this society on Tuesday evening at the home of Mrs David Leith. Miss Lennox was innocent of all the plans and negotiations for the shower of gifts which came to her in a routabout manner. A large parcel in several wrappings and on these wrappings various orders were given to the young ladies. The last opening was allotted to Miss Lennox, who was told thereon to look under the kitchen table. On doing so she found a pretty decorated clothes basket filled with a pretty array of gifts, accompanied by poetical lines. In a few words the recipient expressed her appreciation of this surprising and kindly act. The remainder of evening was spent in a social manner and refreshments were served at close. Miss Lennox left for her home in Mount Forest Wednesday, where she will be one of the principals in an interesting event toward the end of this month.

SLIPPED ON FLOOR, FRACTURING HIS HIP
Word has come to Mrs A. H. Jackson in town, that her brother-in-law, J. L. McKenzie of Shelton, Washington, U. S. A. drugist and banker there, had slipped on the floor in his own home, fracturing his hip bone. Mr McKenzie has been unwell for some time, convalescing from a protracted illness, only to suffer this further trouble. The accident occurred while he was walking about on a crutch. He was bearing his full weight upon it when he suddenly slipped. Before he knew what had happened his right leg snapped.
Mr McKenzie, with his wife visited in Durham the summer of 1930 and renewed old friendships. He was a son of the late "Tailor" McKenzie, who figured in Durham's early history, and who with his brother, Dr. Dave and sister Maggie at Fort Frances, still display a warm interest in their old town.

SPRING AND WINTER MEET AND SHAKE IN MARCH
We are now into the month where Spring kisses Winter good-bye and takes over the reins of government. Generally speaking the citizens are glad to have this oscillatory procedure happen just as quickly as possible, for March is usually a month to be reckoned with. But this year to date she appears to be on good behavior and we miss our guess if she sets up any capers in her 31 days of existence with us. The winter has been one of surprises all through and March is not going to break the charm. Even now we have wild ducks and crows in our midst and in some places on the Provincial Highway, snakes have been seen sunning themselves. February has left us with scarcely an acrobatic stunt and thaws have played a larger part in the month's calendar than blows. It too is usually the coldest month but its reputation has suffered this year. While we have been preening ourselves on our springlike winter, the residents of California do not see the point. It has been none too pleasant there, according to word received from that fair land. Cold, rain and cloudy skies have combined to make the lives of the Californians miserable in their houses, which are built for a protection against the rays of the burning summer sun, rather than as a barrier against the cold.

Harri ton Tied Round by Winning Home Game

Durham hockey team were only 40 seconds from winning their round with Harrison at the latter town last Thursday night, but with two-thirds of a minute to go, Pritchard made a determined rush, eluded his checks and beat McDonald to win the game 2-0 and tie the round, 4-4. Durham had won at home 4-2, on Tuesday night.

The mild night with consequent soft ice were not in Durham's favor. The heavier Harrison team were able to smash almost all Durham's efforts at team play and on slow, sticky ice, both teams had to depend on shots from a distance out.

Harrison had the better of play at opening of game but after a few minutes Durham assumed superiority but could not work in sufficiently close to beat Davidson in goal. Durham also had the edge throughout second frame but a lucky shot from Tiker's stick on left wing found the nets after 19 min. had gone. McDonald didn't see it.

Durham tied the score in last period 1-1, but referee Talbot refused to count the goal, as he had rung bell for a trip a moment before when the play was not completed. Durham still was 1 up on round without it, and with play practically even, Harrison's chances were fast vanishing. The last 5 min. Durham shot the puck toward Harrison nets at every opportunity and this defensive play proved their undoing, for Pritchard's great rush in the last minute caught the red shirts fagged and his smoking shot caught the corner of the nets. It was a 2-0 for Harrison and a heart-breaker for Durham team.

Harrison Won District in Final at Walkerton

On wretchedly soft ice, with no chance for speedy hockey as Durham excels in, Harrison won the district championship in the Int. O.H.A. play offs at Walkerton Wednesday night by a 1-0 score. On keen ice, there is no doubt but the locals would have had the honors, in two games, but wretched conditions this winter were decidedly against Durham's style of play as is evidenced by their being held scoreless the last two games.

This sudden death game was first set for Monday night, in Walkerton, but mild weather forced postponement to Wednesday, when ice was little or no better, but any longer delay was impossible.

Durham is out of O.H.A. and it looks doubtful if weather conditions will allow play-offs to a finish in the Northern League. Old Man Winter may leave us too soon.
Harrison now meets Goderich in next semi-final round and Durham wishes them luck. It is the prevailing opinion however, that neither Harrison or Durham would be able to climb much higher in O.H.A. circles.

The Junior semi-final, Durham vs. Listowel at Listowel, arranged for last Saturday, was also postponed for lack of ice and it now appears uncertain if Listowel will continue. If they do, first game will be this week end, ice permitting. The winner will meet winner of Owen Sound—Port Elgin round in the finals.

I. O. D. E. HOLD LITERARY AND MUSICAL EVENING

Miss Margaret Hunter, Regent of Canadian Greys' Chapter, I.O.D.E., presided over her first meeting in her new office, on Tuesday evening, at the home of Mrs G. S. Kearney. There was a splendid attendance of members present. After business proceedings were discussed and settled, the meeting took the form of a literary and musical nature.

Mrs J. H. Harding read an exceedingly interesting sketch by Bloodwyn Davies of Tom Thomson, the young Canadian landscape artist, who met with such a tragic death on Canoe Lake, Algonquin Park, in 1917. His world was the great out-of-doors and his nature sketches on canvas are to-day as he saw Ontario in all her moods and that won such recognition from critics and governments.

Mrs J. F. Grant, Educational Secy., had an interesting summary of current events in the world around us brought before the Chapter. Mrs. T. M. McFadden favored the audience with a solo—that radio favorite,—"Trees." Mrs D. C. Town rendered a piano number. Miss Hunter will attend the sessions of the Provincial Chapter in Hamilton on 12th April, and Mrs Grant was appointed to attend the sessions of the National Chapter in Toronto in May.

Annual Meeting Grey & Bruce Fire Ins. Company

The Annual Meeting of the Grey and Bruce Fire Insurance Company, was held in Hanover on Friday, Feb. 26th. A very large gathering was present, in fact one of the largest meetings in years. After the minutes of last annual meeting were read and adopted, The Auditors' Report was presented by Wm Ruttle, which showed that notwithstanding the fact that fire losses were unusually heavy, the financial standing of the Company was well maintained. The following officers were elected:

President, D. McKinnon, Chesley Vice Pres., A. McArthur, Priceville Secy Treas., Wm Ruttle, Hanover The five retiring Directors were re-elected: A. McArthur, Priceville; H. McLean, Bentinck; J. H. Hunter, Walkerton; Neil McLeod, Proton Station; John Frooshy, Hanover, except Mr J. H. Hunter, whose resignation was received with regret, as he has been on the Executive for the past 26 years. Mr Spence Nesbitt of Walkerton was elected in his place.

There was a considerable discussion with regard to the new application and policy forms which were put into effect on 1st January last. In future the new ruling by the Department of Insurance provides that the Company will only pay two thirds of the actual cash value of farm buildings, live stock and implements and only 25 per cent of the insurance on contents of dwellings applied to wearing apparel. Of course any policy holder can further increase the insurance on contents of dwelling by insuring them separately. Live Stock will only be paid on the two third basis, but full market value will be paid for farm produce.

Wm Glauser, Hanover; Robt. Parslow, Priceville, are two other members of the Directing Board. A hearty vote of thanks was tendered to the Agents and all hoped for a prosperous 1932.

LIKELY TO BE PERMANENT ELECTORAL OFFICER

It is not unusual for a resident of a town or village to be a township official, in fact it is quite common. What is out of the ordinary and that is what constitutes news, says the Chesley Enterprise, is when a farmer occupies a municipal position in an urban municipality. This is the case in the village of Neustadt where Michael Murray, a Normanby farmer living about three miles from the village is clerk, treasurer and collector of hydro rates. His combined offices bring him in a revenue of \$440. Mr Murray was returning officer for S. East Grey at the last Dominion general election and he is likely to hold the position permanently as the chief electoral officer, Jules Castonguay, who visited all the returning officers since the last general election is perfectly satisfied with the correctness of Mr Murray's returns.

EDITOR McDONALD, CHESLEY, WINS \$5000 CASH PRIZE

Perhaps the best news in the Review this week is to tell of the wonderful good fortune of a brother Editor and pusher of the quill,—Wm McDonald of the Chesley Enterprise, who last week discovered that he was \$5000 richer than he was the week previous. Of course he hasn't actually received the money yet, but in this case, anticipation is almost as good as realization, for his sure to come. We are not envious, but glad to extend our congratulations to Mr McDonald on his worthy success. It all happened this way: The Family Herald and Weekly Star of Montreal offered \$10,000 in cash prizes to those guessing nearest the population of Canada by the census of 1931. On every new or renewal subscription you were allowed 7 guesses. The prizes ranged from \$500 to the one guessing the exact number, to \$5 each to the last fifty who shared in the 100 prizes. When we tell you that Mr McDonald had over 2000 guesses coming to him, it is evident he was not idle in soliciting subscriptions and renewals. One of his guesses of Canada's population was 10,374,196 and this proved to be the final and correct figure according to official compilers. While the stock broker of the modern day regards \$5000 as a nominal sum, to the editor it is wealth and this sudden rise in the estate of Chesley's Editor will give him an income tax to pay to Hon. R. B. Bennett and his family of executors. \$5000 is quite a windfall as Mr McDonald says, in these days of financial depression, and should keep the wolf from the door for many days. Henceforth there will be a new interest in that great family journal around the Enterprise Office.

PERSONAL MENTION

Miss Julia Weir, B. A. was in Toronto last week end where she saw "The King's Messenger," enacted by the Maurice Colborne Players at the Royal Alexandra.

Mrs (Rev.) W. H. Smith is in Toronto this week attending the sessions of the Wmcan's Presbyterian of the Toronto Conference.

Mr and Mrs Lew Renwick of Wellesley, were visitors over the week end with their parents, Mr and Mrs R. Renwick, Sr. Mr Renwick has not had good health the past few weeks.

Mr and Mrs J. C. Howell were in Acton Sunday visiting the latter's uncle, Mr Geo. Ritchie, who is in failing health, also Mr and Mrs Wm. Patterson, (nee Lizzie McDonald).

Mr and Mrs John Kerr, Varney, were in Dromore Sunday, visiting Mr and Mrs Frank C. Hopkins and also making the acquaintance of their young granddaughters.

Mrs Edward Kress has gone to Welland to be with her daughter, Mrs R. B. Burns, (Florence) who was operated upon for appendicitis. Mr and Mrs Stanley Arthur and small son, Otterville, were week end guests with Mrs. Thcs. Young and family.

Miss Agnes Morton, Aberdeen, returned to Guelph Monday after an enforced holiday at her home of two months, recuperating from a severe operation.

The Presbyterian Young People's Society held a skating party on Tuesday night in the rink.

The President of the Bell Telephone Co., in his remarks to the shareholders, says: "For the first time in the fifty one years of the Company's history, the number of phones removed has exceeded the number installed. There were 204,848 telephones connected and 214,911 disconnected at let loss of 10,063 in 1931. The greater number were disconnected in the last six months of 1931.

A number of people in this community are talking seriously about having their telephones disconnected in the meantime, until prices on the telephone rates are cut or until the depression is over. \$1.65 a month or \$19.80 a year seems to high for the average farmer, to say the least these times for telephone service.

The Ladies' Aid held a quilting bee at Mrs Earl Mead's Tuesday of last week. They finished work on the quilt and it is already spoken for by Miss Isabel Matthews, Toronto. The ladies are working on blocks for another.

Under the auspices of South Grey Agricultural Society the Varney Wide Awake Community Club, presented a play "The Rival Ghosts" in the Town Hall on Wednesday night, Feb. 24. The play was well given and the audience followed with keen interest the adventures of the Gibbs family and heartily enjoyed the humor of the colored servants. Mrs Chas McAlister was cook for the players and Miss Mary Ford, teacher at Knox, assisted. The caste was as follows: Mary Bell (Cynthia Rankin); Dorothy Ritchie (Clementina, a colored servant); Charlotte Patterson (Patricia); Marjory Caldwell (Evelyn Gibbs); Cecil Barber (Prof. Gibbs); Norman Melville (Col. Rankin); Kenneth Melville (Jasper, a colored servant); John Marshall (Gill Hawkins); Ronald Smith (Vincent Langley); Harold Watson (Donald Gibbs); Arthur Petty (Bert Miller, a real estate agent.)

The play was in 3 acts and between each act and at first of program, the Rahm orchestra supplied excellent music. The President of the Agricultural Society, John A. McGill, opened the program with a short address and introduced the players of the evening.

The Ladies' Aid are holding their regular monthly meeting at Mrs Wm Beagle's on March 2nd.

The Orange Lodge held a dance in Varney Hall on Feb. 25 and a good time is reported.
