### Hungarian Gipsies Form Syndicate

To Combat Effects of Modern lazz - Will Preserve Gipsy Traditions

"Where are the Gipsy Orchestras et yester-year?" Jazz is credited with their downfall,

and these free souls are perhaps more than others feeling the pinch of hard times.

But the unexpected is happening, and the gipsy especially in his home in Hungary, is turning for his salvation to the laws and habits of the Gorgio. In L'Europeen (Paris) the gipsy's elight is thus set forth:

"Since the war, they have met up with a mortal enemy in the jazz band. Side by side with wild chords, syncopated harmonies, intentional dissonances of Negro orchestras; the languorous songs of the gipsies seem oldfashioned. They feel how terribly prewar they are, and modern youth thinks of them as belonging to the deluge. and worthy only of a shrug of the shoulder and a little smile of contempt.

"The orchestras of the Hungarian sipsies-do you remember their black hair, their rolling mustaches, and, above all else, their red Branrenburg has asked for an opinion on the fol- no trump, but if his partner should lowing question which as he says, "is bid the missing suit, then the dealer not sufficiently or explicitly covered in should bid the no trump on the second the orchestras of the Hungarian gip any recent book we have been able to round of bidding. A singleton or a much when she gave you your coat?' sies, which formerly triumphed in the obtain, to definitely settle the matter." void suit is a danger point for a no palaces of both worlds, have been it is of such nature that an discussion trump and the best procedure is to bid forced to step aside and to accept, regarding it is bound to be of interest a suit first, and shift to a no trump bid even in Hungary—the only country of to all Auction and Contract players: | later only if the bidding at that time the entire world where they are still . "Under what conditions should the makes such a course necessary or ex-

"What is more, many of them are such cases? without employment, for the Hungar- A sound no trump bid is composed an demand is not great enough to give of two elements: (1) the proper values work to the orchestras which were for the no trump bid; (2) the proper spread over the entire world.

"Unfortunately, the picturesque gipmusicians are not economical by na- on which the dealer should bid one no ture. They were al ays accustomed trump is two and one-half quick tricks,

me aces them, the gipsies have form be there, but it must be so divided ed an association-who would have among the four suits that there is thought it—and they have adopted more than a reasonable chance to make the contract. A hand might very easily contain two and one-half quick.

All of them contain at least two and tricks and still not justify a no trump one-half quick tricks and the distributions of the masters. where the traditions of the masters bid. If these quick tricks are confined tion is of such a nature that there is a may be upheld, and where the more to one suit, the suit bld is the correct reasonable chance to make the bid. gifted children can at least be taught bid. If these quick tricks are dis- The following hands, however, are to read music. We know that up to tributed among two suits only, it is not not justifiable no trump bids, even now the gipsies, all born violinists, advisable to bid no trump. Experience though they contain the necessary never received musical instruction, has shown that with two suits unpro-quick-trick strength. The distribution and that they were content to learn by tected, a no trump bid seldom is sound, is of such a nature that the suit set in and that they were content to learn by For that reason, to justify a bid of one black type should be bid, rather than heart all of the airs on which they em- no trump, the hand must contain at the no trump.

improvisations. sociations will set up international suit for partner to protect or, if he also agencies to get engagements for gipsy has no protection, only one suit for orchestras abroad. By using appropri- opponent to make. ate propaganda, they will also attempt a suit or none at all, experience has to draw the attention of 'interested shown that the no trump bid as a rule circles,' hotels, cabarets, theatres, etc., is a losing bid. For that reason with to gipsy music. By this means they this type of hand, it is better to bid a hope to place some thirty orchestras suit even though hand contains two outside of Hungary, which would re- and one-half quick tricks divided Heve the congestion in Budapest. But bid the missing suit, then, of course, ean and will these measures offset the

irresistible tide of modern fashion? "Gipsies syndicated! Gipsies organized and provident! Who would have said it? Who would have believed it possible? Now we can also believe that the instinct of self-preservation will give the grasshopper some of the attributes of the ant.

#### ---The Family Medicine Bottle

One of the commonest errors in matters of family health, Dr. C. O. Sappington of the National Safety Council give a member of the family medicine but sit tight and lead it against a no trick three, Y should lead the ace of trump bid. Prefer a suit to the no hearts and follow with the five, which Week's Science (New York):

"One of the children, Dr. Sappignton writes, may have been sick. The doc- otherwise possible. tor was called and prescribed a cer-lead his last club and follow with the tain remedy which proved successful. If spades are trumps and Z is in the five of diamonds. B is forced to win to be defiated. A story of a fish that men to weep, for God counts their family falls ill from something resemb- nine tricks against any defense?

ling the same disease. "The usual but unfortunate habit is to save another doctor's bill, hunt up play, for it prevents Y being forced in defense. the old prescription, have it refilled, and try to cure the new illness with London "Bobbies" the remedy which cured the old, which is precisely the way that savage medieine men handled their public health The London Metropolitan problems, but scarcely a way that have always been a fine body of men, could be called suitable in a scientific =

"The illness may be a quite different one which merely happens to resemble, to an unskilled eye, that for which the original prescription was intended. What is even more important, different patients often need to be treated quite differently even for the same disease. The special characteristics of each individual are taken into account by skilled physicians, as well as the differing characteristics of the dis-

"'Self-diagnosis and self-medication,' Dr. Sappington writes, 'may always be productive of serious mistakes. Advance is made from time to time in the healing of human ills; your doctor should be consulted if you have a sickness problem.' It is a good rule to throw away one person's medicine as soon as that person is well, instead of keeping it to use on some one else."

Misunderstanding

Our natures are so different that it is no wonder there are so many misunderstandings.

The tragedy of growing old is re maining young.

YOU may say much more, but the strongest claim we make is
