HENDERSON'S BAKERY

WILL YOU INVEST \$2.00 IN PROSPERITY?

Good times, that is, times of normally prosperous conditions, are here waiting for us to put them to work. Industrial and financial leaders tell us so. Bankers tell us that savings were never as great. Last year savings accounts throughout Canada increased by millions of dollars. There's where the "good times" conditions are—led up in Savings Banks accounts when a lot of it should be paid on accounts, and the balance of that increase spent in normal buying at prevailing low prices would have us well on the way to normal good conditions.

Here's How Your \$2.00 Works --

You decide to invest \$2.00 in prosperity—The best way is to buy something that you have been putting off buying, or to pay it on account—and if you owe us on account, preferably our account. Here's what happens—That \$2.00 is paid out in an account we owe, until finally you receive your \$2.00 back, either in notes sold, if you are in business, or in wages as your place of employment receives orders that your \$2.00 has helped to create.

The Review has subscriptions in arrears—\$2.00 accounts. Each one paid means \$2.00 more going in-to circulation through business channels.

Look at the label to-day. If you are in arrears make your investment in prosperity with us.

THE PEOPLE'S MILLS

Keep in Stock for Sale the following Goods:

PRICEVILLE AND VICINITY

PRICEVILLE

Mr McBride made a business trip to Chesley last week.

Mr and Mrs Robert Beyers and son of Detroit, returned home after spending a week at the latter's parents, Mr and Mrs Thomas Tucker.

Mr Allie McInnis returned to Hamilton last week to resume his duties after having been home since Easter, owing to ill-health.

Mr Wm. McLeod and Donald visited Sunday at Mr D. Hincks'.

Mr and Mrs John McMeekin and son Jackie, visited friends the first of the week at Swinton Park.

Rev. Mr Munro of Oshawa preached Sunday for a call here. He is a splendid speaker and delivered an inspiring sermon. Rev. Mr McKenzie of Woodstock, will preach here next Sabbath.

Mr and Mrs Wm. Hay, of Swinton Park, motored out Sunday and visited at L. Hincks'.

Congratulations to Mr and Mrs Norman Vicq (nee Bertie Aldcorn), who were married Tuesday of last week in Toronto in Knox Presbyterian Church, by Rev. John Inkster. They are spending a few days at her home in Priceville before returning to their home in Regina, Sask. Best wishes are extended to them for a long and happy wedded life together.

The Knox United Church met in the schoolroom of the church on April 14, with Mrs. Mather presiding. The meeting opened by singing hymn 374 and the Lord's Prayer in unison. A good deal of business was dealt with and arrangements made for a quilting to be held in the schoolroom the first week in May. Hymn 470 was sung, and after the bible reading by Mrs. McGirr, Mrs. Bell led in prayer.

Miss W. Blyth read the devotional leaflet 'Simon the man of fire' and Mrs. McIlraith had a very interesting topic study on 'Youth and the New Day' in Korea. Mrs. Alder gave a continuation of her talk on the budget, a message on stewardship, which was shown, began in the Garden of Eden and has continued down through the ages. Hymn 386 was sung and Mrs. Mather closed with prayer.

The Y.P.S. of St Columba purpose putting on a mock trial, when John Barleycorn will be summoned before his peers, to answer for his misdeeds and temptations given to the moral destruction of thousands of his fellow men. This promises to be a very interesting production and worthy of commendation, seeing that there is nothing learned to be re- peated parrot-like, but all extempore, on the spur of the moment. Seeing that several ladies are on the jury, little hope of clemency is held out for the notorious culprit. It has been found necessary to accommodate the number that will attend, to make a charge at the door of 25c and 15c, on the evening of Friday, 22nd April.

The Young People, under the captaincy of Admiral Shackleton, have recently renovated the interior of the basement by painting the walls and paintings of the sides and ceilings and seats, all barnacles have been removed while in dry dock and will as a result make a better showing entering into port.

Of the many sick in and from this part, some are making improvement, while others do not show the recovery we would like to see and that we all wish for.

Rev. Mr. Bartlett will preach next Sunday on "the church and the home life"; the following Sunday on the "Church and Temperance."

A good showing of 48 fine living lambs, out of a total of 54, is a good record for the flock owned by Mr. H. B. McLean.

We warmly congratulate our member Miss Macrae, for the—what the Globe calls—the speech of the Session. "In voicing the strongest appeal of the session on behalf of Agriculture," followed by the compliments of Hon John C. Elliot, Middlesex, as "the best speech she has ever made in Parliament." Well done, all hail, all hail.

Repairs made at the dam enables the Messrs McArthur to again do chopping and sawing at the mill. We enjoyed meeting with many old friends Monday, while on a trip with the mail on old R.R. No 2.

Mr and Mrs Norman H Vicq (Bertie Aldcorn), married in Toronto, by Rev Dr Inkster, arrived here on Friday evening at her father's home, and are leaving Thursday of this week for their home in Regina. The best wishes of the whole neighborhood goes with the handsome bride and fine young man of her choice.

SWINTON PARK

The weather still is worthy of mention—clear, cold and windy and sometimes a little snow blowing. But we prefer snow to those sand storms which are again being experienced in Saskatchewan.

We think those suffering from colds and flu are gradually getting better, but some are still ailing. Among them are Mrs Garfield Anthony and Mrs. Heard Sr. who is ill at the home of her daughter, Mrs. Thomas Weir of North Egremont. Also Mrs Kinman Sr., now in her ninety-second year, who has been seriously ill at the home of her sister, Mrs Scott in Conn. For all of them we wish a recovery of health very soon.

Neil McMillan on Saturday last received word by phone of the death of his cousin, John W. McMillan of Toronto. His son Duncan immediately took train for the city to be with the bereaved friends.

Richard Hardy, who has spent the past week at his home here, is returning to the city one of these days with a prospect of employment.

On Sunday last in the Park, we enjoyed the fine sermon delivered by Rev. Duncan Munro of Oshawa. Mr. Munro is a very clear and kindly speaker and gave a fine talk on John 3: 16: "For God so loved the world, that . . . so few avail themselves of the opportunity of hearing these men. Next Sunday we expect with us a Mr. McKenzie of Woodstock.

Mr and Mrs Geo. A. Black entertained a number of neighbors and friends at a taffy pull in the bush one night lately. There was an abundance of taffy and some are not fully well since. We do not want taffy for a while.

Syrup is fairly plentiful. We hear of one man having made almost 100 gallons.

Wheeling is not the best in the Park yet, but the cars are gradually coming out, and the bumps will soon smooth off.

Auction sales are in order at present—John Hodgins' last Friday, Andrew Watson's Monday of this week, and Henry Goben's on Thursday. Auctioneer Duncan is getting some very fair prices, considering present conditions, and there is even some cash.

HOPEVILLE

Miss Marjory Crawford, R. N., of Rochester, is spending three weeks with her parents, Mr and Mrs Sam Crawford.

Master Kenneth Hardman came home from Mt Forest hospital last week. Glad to know he is doing as well as can be expected. He has to remain in bed for a month, which is rather hard on a 12-year old lad.

Relatives from Toronto spent the week end at Mr Walter Beauharis. Mr B. is spending this week in the city.

Miss Hene Plester has returned home from Markdale while Miss Mary spent last week with her parents.

Mr and Mrs Earl Walton were recent visitors at Mr John Sinclair's.

Rev E. A. Chesher and family, Bethany chapel pastor, for over 3 years, are packing up this week ready to move to Guelph. Next Sunday, April 24th, will be his farewell service. Mrs Chesher is a talented musician and will be missed in the community.

Mr and Mrs Robt. McKinley, Sr., have moved back to their home after spending the winter months with their son Will.

Mrs Dave Scott, Preston, came up Friday to see her brother, Will R. Riddell, whose condition still confines him to the house.

Mr and Mrs Harry Scott and son, Durham, visited Sunday with his mother, Mrs Jas. Scott.

Several farmers are buzzing up their yearly supply of wood.

Proton sidroads are nothing to brag about at present: deep mud and deeper ruts makes travelling in any vehicle very uncomfortable. The frogs gave us a nice little tune one evening, tho' the weather has been cold for April. There has been a good quantity of maple syrup made this year. If people are willing to work, there is no danger of starvation in Canada.

Mr and Mrs Gerald Glass and two daughters, Toronto, have moved up to the home of her parents, Mr and Mrs J W Armstrong.

Last Wednesday the ladies braved poor roads and weather to go to Mrs Martin Wilson's for the W. Institute meeting. In the absence of President, the 1st Vice, Mrs John Sinclair presided. A good paper on 'Laws regarding Women's Rights' prepared by Miss A. M. Dyce was read. Mrs W. Dingwall read some facts on the temperance situation in Ontario, the land of the free. But by these figures we would be led to believe we were in bondage to the great evil of intemperance. Mrs Nathan Haw conducted a good contest. Roll call was answered by name of a Canadian premier.

Mr Chas Leslie B. A. student pastor at the United Church the past year, has been appointed to a summer charge, near Vermillion, Alta. The congregation have appreciated Mr Leslie's presentation of the gospel truths. Mr F. Bannister, a nephew of the late Rev. A. Matheson, formerly of Priceville, will take up the work here the first Sunday in May.

IN MEMORIAM

In loving memory of our dear mother, Mrs. Allan C. MacLean, who died April 21st, 1932, Priceville, Ont.

We have only your memory, dear mother.

To cherish our whole life through: But the sweetness will linger forever. As we treasure the memory of you.

Sadly missed by husband and family

THE BULL DOG BREED

(Washington Post)

England balanced her budget. While we struggle with ours and kick about taxes let's consider what England's income tax is alone. If applied here, would realize more than \$16,000,000, 600—our budget four times over.
