# Kellogg's have this patented

KELLOGG'S Corn Flakes are sealed in a special WAXTITE bag which is placed inside the red-and-green package. It brings the flakes direct from the toasting ovens fresh to your table. It's a patented Kellogg feature.

Some other foods have inner bags of a kind-but Kellogg's is sealed top and bottom . . . perfect protection. Compare Kellogg's. The flakes are different in appearance, taste and freshness.

Unconditionally guaranteed by W. K. Kellogg: "If you don't consider them the best corn flakes you ever ate, return the package and we will refund your money." Made by Kellogg in London, Ontario.

RE you among the thousands who have suffered from the great depression? Have you had to make a hurried survey of your financial position only to find that you are worth less by thousands of dollars than you were? Do you realize that death compels a liquidation of securities at current values?

### How can that situation be met?

You can instantly restore your estate to a healthy basis by taking out more insurance. The sane way is to insure to the point of safety a a at least.

Over five hundred million dollars of life insurance was taken out in the Sun Life Company last year - much of it by level-headed men who balanced their accounts by this simple method.
