Papa's and Mama's

Hilda Richmond

Many young mothers, and fathers. too, can scarcely believe that as early as crib days babies and little children learn many lessons that last them a long time. Fond, happy mothers ask the question, "Whose baby are you?" and then they laugh with delight when the infant lisps out, "I'e all Mamas and part Papa's" The baby is rapturously kissed and petted for the brave little attempt to talk and express affection, and somehow a baby cannot better and dearer to him than the other parent. The beaming young sidered, on the average, one trick bet- er, held: father, mindful of what his wife went ter than the usual suit bid, and at through to bring them this treasure least two tricks better than a no and mindful of her daily and hourly trump bid. This fact shows the imsacrifices, feels that this way of put- portance of the proper bidding of such ting it is all right—but is it? Does it suit of the combined hands.
