PRICEVILLE AND VICINITY

PRICEVILLE MEMORIAL

Priceville Memorial Service PRICEVILLE

Continued from page 1
The Memorial Service held here passed off very successfully. Many well qualified to judge, have, as well as the rank and file, expressed themselves to me, as "thee" best yet. The chairman, the speakers, the singers, and last but not least the Band, were all exceptionally good. The band were generous in their selections and played with fine taste and skill in expressive parts. Their march down the street, before commencing, was a taking feature. 'Abide with me' played by the band after placing of the wreaths and sounding of 'last post', was eminently pleasing, touching and expressive. Their performances were greatly enhanced by the harp or set of chimes. In some of the numbers they accompanied the audience in the hymns that were sung. Mrs Wm. Arrowsmith, a fine singer of Markdale, contributed an appropriate solo, consists of spiritual insight into the things of the world. The greatest thing of life is service for the world's betterment. On every hand are those who require our help, and in our service we find the highest and best expression of life.

The closing speaker, F. R. Oliver, M.P.P., thought it fitting to have this one day each year to honor and remember those who paid the supreme sacrifice. "Who are we that we should measure the sacrifice they made?" he asked. "Have we lived up to the sacrifice they made for us?" In the last 14 years has the world become secure against danger of a new war? War to-day, he affirmed, is as imminent as the peace-loving world their sacrifice meant it should be, and the main reason of this is lack of intelligent information among the people who sign peace pacts. Our task is to redouble our efforts to speed propaganda of peace among the nations of the world. To have all nations settle disputes by international arbitration and conciliation should be our goal.

After the collection had been taken, and closing hymn sung, the National Anthem and benediction by the chairman closed an impressive two-hour service.

BANK OF MONTREAL CROP REPORT GENERAL

Crops over the southern areas of the three Prairie provinces and in Central Saskatchewan have suffered from extreme heat and lack of rain during the past two weeks. Yields will be now reduced. In Northern areas the crops are making favorable progress. Cutting is now under way in all Southern districts and is fairly general in Manitoba. Hail damage has been slight. In Quebec weather conditions have been favorable to the growth of all crops, although intermittent rains have retarded the harvesting of hay which is generally under average in yield but excellent in quality. In Ontario frequent rains have benefited most crops but have delayed harvesting, and a period of warm dry weather would be beneficial. In the Maritime provinces heavy rains have provided ample moisture for root and grain crops and warm, dry weather is needed. In British Columbia unsettled weather has interfered with the harvesting of early crops. Grain crops are coming well but warm weather is needed to bring them to maturity.

The first new addition to house of Mr and Mrs R. McConkey is now rapidly nearing completion in record time and adds materially to the appearance of upper town. Mr Wm Aldcorn is now progressing favorably from his recent sickness and the hot running foot race, is farming operations. There is a feeling of deep sorrow prevailing here, over the accident which befell Mr Thomas Gifford in getting his ankle badly smashed in playing baseball, by an opponent jumping on it accidentally. It will be sometime before he can use it. Preparations are being made to have the floor of Agricultural Hall laid: not before it was needed. Further improvements are planned for later. Mr and Mrs Alex Darroch, Harriston, visited at home of latter's parents on July 31.

IN DAYS OF YORE

25 YEARS AGO
From Review file, Aug. 1, 1907
Next Sunday and Monday will be red-letter days in the history of L-tona congregation, for then is being celebrated 50 years of congregational life. One of her honored sons, Dr. Smith of Bradford, will conduct the morning service on Sabbath, Rev. J. Little, Holstein, taking the evening service.
Mr R. B. Miller, 70 years of age, and father of H. H. Miller, M.P., had an experience a few days ago. He was in a boat on the Georgian Bay with a Hanover young man and while casting a line a lurch of a wave toppled him overboard in 12 feet of water. He soon came to the surface and swam to the boat, having learned the valuable art of swimming when a boy.
More than usual activity is being displayed by the contractors of the new C.P.R. line. Importations of horses are taking place and urgency has been shown to have all the houses on the right of way cleared at once. Monday last saw some fine fruit trees of A. D. Brown's place had to come down. The cut through the school grounds is now made, the engineers having left the 20 feet on south side of right of way which adds to the play grounds and saves some nice trees. The bridge at Priceville is going up tho' a good deal is yet to be done there. Before the snow flies the grading will be well through though it is not likely the metal will be laid this fall.
Married at home of Mr John Rice, Holstein, on July 24, 1907, Miss Edith Sim to Reginald Hunt, both of Holstein.
Mr Peter Watson and family left Monday for Toronto, where they will in future reside. Mr Wm Moore and family have moved into Mr Watson's property in Upper Town, his old property being on the line of railway.
Miss Mary Gordon of Fergus high school staff, visited friends in and near Durham over the week end.
Mrs Pearl Wilson after an extended holiday at her home here, returned last Friday to Toronto.
Judging by the record crowd at Tuesday's lacrosse match, it still holds first place in the hearts of Durhams as our chief sport. Probably more than anything else, the magnet of attraction to this game, was the fact that it decided the winner of the district laurels. Hanover, after their defeat at home two weeks ago, resolved never to "say die" and searched for more stars to strengthen their team, with the intention of winning out here. But it was not to be for the score registered 11 to 4 in favor of Durham. It was a \$150 gate.

ST. COLUMBA GARDEN PARTY
FRIDAY, AUGUST 12th
The next important event is the Garden Party, Friday, Aug. 12, on the school grounds, by St. Columba Ladies' Aid. The program in evening, largeley consists of a play by the young people of Rock Mills, entitled 'Mary's Castles in the Air'. The uncertainty of phoning sometimes causes — in this case — 'Battles' instead of 'Castles', to be used as in the bills. We expect there will be some high structures built. An orchestra will play between acts. A couple of young men from near Laurel, good entertainers, are expected also to be present and entertain musically, vocal and otherwise.

Miss Marjorie McLean, of Toronto, is holidaying at her home.
Misses Jean McLean and Delia McPhail returned to Toronto Sunday p. m. after spending a month at their homes.
Misses Minnie and Margaret Simpson, Chicago, are holidaying with their sisters, Mrs K. McArthur and Mrs. Wright.
Mr and Mrs Neil Norman, Dundalk, attended the memorial service here Sunday and visited friends.
Mr and Mrs G. A. Black, Mrs Angus McCannell and Miss Mary McCannell, Toronto, visited Thursday at Mr A. L. Hincks'.

Mr and Mrs Jim Henry, and the former's mother, Mrs Henry of Toronto visited last week with Mr and Mrs. Dan. Stewart.
Mr and Mrs Mino, Mrs A. B. McDonald and Miss Leone of O. Sound, took in the memorial service here Sunday and visited with friends.
Mr and Mrs Chas. Braden, Shelburne, visited Sunday with relatives here.
Mr and Mrs Gibson and daughter, and friend of Toronto, returned after visiting at Mr D. McDougall's.

Mr and Mrs Chas. Tucker visited Sunday at Mr D. Hincks'.

A PERJURY CHARGE

(Walkerton Times)
On Friday last Provincial Officer McCreilly and County Constable A. E. Ferguson motored to Windsor and brought back Ronald Burgess of Southampton, who was arrested the previous day by Provincial police at Sandwich on a charge of perjury laid at Walkerton and growing out of the evidence he gave at the recent sitting of the Supreme Court here before Hon. Justice Garraway in the case of Burgess vs. the Town of Southampton, in which the plaintiff Burgess was awarded \$1000 damages and costs for a broken leg.
During his evidence at the trial, it is claimed, Burgess testified that he fell on the sidewalk, instead of on the steps of the hotel, when he fractured his leg, and it is on this alleged mis-statement that the Crown is proceeding against him on a charge of perjury.
The accused has been allowed out on \$5000 bail, in three sureties, to appear later before Magistrate Walker.
